## LENCENT PA030EUUK

# LENCENT UK Travel Adapter (Model PA030EUUK) Instruction Manual

6-in-1 Foldable Type G Plug with 2 USB-C and 2 USB-A Ports

## 1. PRODUCT OVERVIEW

---

The LENCENT UK Travel Adapter (Model PA030EUUK) is a compact and versatile charging solution designed for travelers. It converts European (Type F/E) plugs to UK (Type G) outlets and provides multiple charging ports for various electronic devices. This adapter is not a voltage converter.

Figure 1: LENCENT UK Travel Adapter (Model PA030EUUK)

## 2. KEY FEATURES

- **6-in-1 Charging:** Features 1 Type G AC outlet, 1 Euro AC outlet, 2 USB-C ports (15W each), and 2 USB-A ports (12W each), allowing simultaneous charging of up to 6 devices.
- **Type G Compatibility:** Suitable for countries using Type G sockets, including the UK, Ireland, Scotland, Dubai, Maldives, Hong Kong, Kenya, Malta, Malaysia, Singapore, Uganda, Cyprus, and more.
- **Compact & Foldable Design:** Measuring 7.3 x 4.2 x 7 cm and weighing 114g, its foldable Type G pins prevent damage and scratches to other items during travel, making it easy to pack.
- **Wide Voltage Range:** Supports input voltage from 100V to 250V, compatible with most international power standards.
- **Safety Protections:** Equipped with protection against overloads, overheating, overcurrents, overvoltages, and short-circuits, housed in a fire-resistant shell.

### 3. SAFETY INFORMATION

---

**IMPORTANT: This adapter is NOT a voltage converter.**

- Ensure your devices operate with a dual voltage range of 100-250V. Check your device's power specifications before use.
- Do not exceed the maximum power rating of 3250W at 250V. High-power appliances like hair dryers, electric razors, or straighteners must be dual voltage compatible and within the adapter's power limit.
- Use only in dry indoor environments.
- Keep out of reach of children.
- Do not disassemble or modify the adapter.

## 4. SETUP AND OPERATING INSTRUCTIONS

### 4.1 Unfolding the Type G Pins

1. Locate the foldable pins on the back of the adapter.
2. Gently pull out the three pins until they lock into place, forming the Type G plug configuration.

### 4.2 Connecting to a Wall Outlet

1. Insert the unfolded Type G plug into a compatible wall socket in the UK, Ireland, or other Type G regions.
2. Ensure the adapter is securely seated in the wall outlet.

### 4.3 Charging Your Devices

1. **For AC Powered Devices:** Plug your device's European (Type F/E) plug into the Euro AC outlet on the front of the adapter.
2. **For USB-C Devices:** Connect your USB-C charging cable to one of the two USB-C ports (C1 or C2) on the side of the adapter and then to your device.
3. **For USB-A Devices:** Connect your USB-A charging cable to one of the two USB-A ports (A1 or A2) on the side of the adapter and then to your device.
4. You can charge multiple devices simultaneously, up to the adapter's maximum power output.

## 5. SPECIFICATIONS

<b>Brand</b>	LENCENT
<b>Model Number</b>	PA030EUUK
<b>Color</b>	White
<b>Input Voltage Range</b>	100-250V
<b>AC Output Voltage</b>	100-250V
<b>Max Power Rating</b>	3250W at 250V (13A Max)
<b>USB-C Output</b>	2 x USB-C ports, 15W each
<b>USB-A Output</b>	2 x USB-A ports, 12W each
<b>Total Outputs</b>	1 Type G AC, 1 Euro AC, 2 USB-C, 2 USB-A (Total 6)
<b>Plug Type</b>	Type G (UK Standard)
<b>Dimensions (L x W x H)</b>	7 cm x 7 cm x 4.2 cm
<b>Item Weight</b>	130 Grams

## 6. TROUBLESHOOTING

---

- **No Power Output:**

- Ensure the adapter is fully inserted into a live wall outlet.
- Check if the wall outlet itself is functioning by testing with another device.
- Verify that your device's power cable is correctly connected to the adapter.

- **Device Not Charging:**

- Confirm your device is dual voltage compatible (100-250V) if using the AC outlet.
- Ensure the total power consumption of all connected devices does not exceed 3250W.
- Try a different USB port or AC outlet on the adapter.
- Test your device's charging cable with another power source to rule out cable issues.

- **Adapter Overheating:**

- Immediately disconnect all devices and unplug the adapter from the wall.
- Allow it to cool down.
- Ensure you are not exceeding the maximum power rating. Reduce the number of connected devices or use lower-power devices.

## 7. MAINTENANCE

---

- Clean the adapter with a dry, soft cloth. Do not use liquid cleaners or solvents.
- Store the adapter in a cool, dry place when not in use, preferably with the pins folded for protection.
- Avoid dropping or subjecting the adapter to strong impacts.

## 8. WARRANTY AND SUPPORT

The LENCENT UK Travel Adapter comes with a **2-year manufacturer's warranty**.

For technical support, warranty claims, or further inquiries, please contact LENCENT customer service through the retailer where the product was purchased or visit the official LENCENT website.

Please retain your proof of purchase for warranty purposes.
