

medicube Age-R Booster Pro (Black) and Collagen Jelly Cream 50ml

medicube Booster Glow Duo User Manual

Model: Age-R Booster Pro (Black) and Collagen Jelly Cream 50ml

1. Introduction

The medicube Booster Glow Duo is designed to enhance skin radiance, elasticity, and absorption of skincare products, while also providing pore care and customized LED treatments. This duo includes the Age-R Booster Pro device and the Collagen Jelly Cream, working synergistically to help achieve a glass skin appearance and even out skin tone.

2. Product Components

Your medicube Booster Glow Duo package includes the following items:

- 1 x Age-R Booster Pro Device (Black)
- 1 x Collagen Jelly Cream (50ml)
- 1 x Charging Cable (for device)
- 1 x User Manual (this document)

3. Setup

1. **Charge the Age-R Booster Pro Device:** Before first use, fully charge the device using the provided charging cable. The indicator light will show charging status.
2. **Cleanse Your Skin:** Ensure your face is clean and dry before using the device. For optimal results with certain modes, apply the Collagen Jelly Cream or a compatible serum as directed in the operating instructions.

4. Operating Instructions

4.1. AGE-R BOOSTER PRO DEVICE USAGE

The Age-R Booster Pro device features multiple modes designed for different skincare benefits. Always start with the lowest intensity level and gradually increase as your skin adapts.

Perfect Glass Glow

more effective when used with the viral glass glow device

Air Shot Mode

- **Purpose:** Enhances skin permeability for better absorption of skincare products.
- **Frequency:** Use a couple of times per week on dry, clean skin.
- **Application:** Gently glide the device over your skin. You may feel a slight sensation.

Booster Mode

- **Purpose:** Promotes deeper penetration of serums and creams, aiding in plumping and reducing the appearance of wrinkles.
- **Application:** Apply medicube PDRN Pink Peptide Serum or Collagen Jelly Cream to your skin before using this mode. Glide the device in upward strokes.

Medicube

Collagen Jelly Cream

For Dark Spots

Restores inner radiance

for plump skin

Strengthens the skin barrier

Figure 4.2: Using the Age-R Booster Pro device with a serum.

Derma Shot Mode

- **Purpose:** Provides a relaxing massage that helps to relax facial muscles.
- **Application:** Use with the Collagen Jelly Cream or other suitable skincare products.

4.2. COLLAGEN JELLY CREAM USAGE

The Collagen Jelly Cream is formulated to target uneven skin tone, provide anti-aging benefits, and enhance facial contours for a radiant complexion.

KEY INGREDIENTS

Freeze-dried Hydrolyzed Collagen

Helps improve firmness and elasticity.

Niacinamide (Vitamin B3)

For dark spots and boosts hydration

Squalane (Plant-derived)

Helps prevent moisture loss and gives suppleness to skin.

Hydrolyzed Elastin

Promotes soft, hydrated appearance.

Figure 4.3: Medicube Collagen Jelly Cream.

- **Application:** Apply a suitable amount of cream to your face and neck after cleansing and toning.
- **Benefits:** Helps restore natural inner radiance, strengthens the skin barrier, and promotes firmness.
- **Key Ingredients:**
 - *Freeze-dried Hydrolyzed Collagen:* Improves firmness and elasticity.
 - *Niacinamide (Vitamin B3):* Addresses dark spots and boosts hydration.
 - *Squalane (Plant-derived):* Prevents moisture loss and provides suppleness.
 - *Hydrolyzed Elastin:* Promotes soft, hydrated appearance.

For Uneven skintone & Glass Glow Skin

Immediately after application,
the skin restores its natural inner radiance by improving skin barrier

5. Maintenance

- **Device Cleaning:** After each use, gently wipe the head of the Age-R Booster Pro device with a soft, damp cloth. Do not submerge the device in water.
- **Storage:** Store the device and cream in a cool, dry place away from direct sunlight. Ensure the cream jar is tightly closed after use.

6. Troubleshooting

- **Device Not Turning On:** Ensure the device is fully charged. If the issue persists, try using a different charging cable or power adapter.
- **No Sensation During Use:** Check that the device head is making full contact with your skin. Ensure sufficient serum or cream is applied for Booster and Derma Shot modes. Adjust the intensity level.
- **Skin Irritation:** Discontinue use immediately if you experience any adverse reactions. Consult a healthcare professional if irritation persists.
