Redlife MDCWG-01

Redlife 6 Drawer Dresser Black - Instruction Manual

Model: MDCWG-01

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

Anti-Tipping Device: An anti-tipping device is included with your dresser. It is essential to install this device to prevent accidents and ensure the safety of children and pets. Failure to install the anti-tipping device can result in serious injury or death.

Image: Illustration of the anti-tipping device installation, demonstrating how to secure the dresser to a wall to prevent it from tipping over. A child is shown reaching for a drawer, highlighting the importance of this safety feature.

2. SETUP AND ASSEMBLY

Assembly of the Redlife 6 Drawer Dresser is required. It is recommended that two people assemble this unit. The process typically takes approximately 45 minutes.

2.1 Required Tools (Not Included)

- Small drill (recommended for screws)
- Larger Phillips head screwdriver (if you have wrist issues)

2.2 Assembly Steps Overview

1. Unpack all components and verify against the parts list.
2. Follow the detailed instructions provided in the included manual.

3. Pay close attention to the installation of G fittings to ensure drawer slides are parallel.
4. Install the anti-tipping device as described in Section 1.

2.3 Assembly Video Guide

3. OPERATING INSTRUCTIONS

The Redlife 6 Drawer Dresser is designed for versatile storage and can be used in various rooms.

3.1 Drawer Functionality

The dresser features silent three-section metal slides, allowing drawers to open and close smoothly. Each drawer has a load capacity of up to 50 lbs.

Multi-Purpose Use

Bedroom

Living Room

Foyer Entrance

Due to different environmental lighting, there may be minor color differences, please consult us in detail before purchasing.

Image: A detailed view of the dresser's features, including the golden metal handles, the smooth silent metal slide rails for the drawers, and the decorative woven rattan panels on the drawer fronts.

3.2 Storage Capacity

The dresser offers ample storage space with six large drawers. The wide wooden top surface can hold lamps, photos, and other decorative items, with a maximum load capacity of 300 lbs.

Image: The dresser with multiple drawers partially open, revealing organized contents like folded clothes and books, demonstrating its ample storage capabilities.

3.3 Multi-Purpose Use

This dresser is suitable for various rooms and functions:

- **Bedroom:** For clothing and personal items.
- **Living Room:** As an accent storage cabinet or TV stand (suitable for TVs up to 50 inches).
- **Entryway/Hallway:** For organizing keys, mail, and other essentials.
- **Closet:** For additional clothing organization.

Product Dimension

4. MAINTENANCE

Proper care will ensure the longevity and appearance of your dresser.

4.1 Cleaning Instructions

- For general cleaning, wipe the surface with a soft, dry cloth.
- For more thorough cleaning, use a damp cloth and then immediately wipe dry.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.

4.2 Surface Protection

The dresser features a waterproof and anti-scratch oversized tabletop, providing durability for daily use.

5. TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions.

5.1 Drawer Malfunction

- **Issue:** Drawers do not close or open smoothly, or appear misaligned.
- **Solution:** This can occur if the G fittings or slides are not installed parallel. Carefully review the assembly instructions (Step 2.2) and the installation video (Step 2.3) to ensure all slides are correctly aligned and parallel.

5.2 Unusual Odor

- **Issue:** The dresser emits an unusual odor, particularly from the rattan panels.
- **Solution:** This can sometimes occur with new furniture. Ensure the room is well-ventilated. You may try airing out the dresser in a well-ventilated area for several days. If the odor persists, contact customer support.

5.3 Missing or Damaged Parts

- **Issue:** Components are missing or damaged upon arrival.
- **Solution:** Do not proceed with assembly. Contact Redlife customer service immediately for assistance.

6. SPECIFICATIONS
