Awei T98

AWEI T98 Wireless Earbuds User Manual

Model: T98 | Brand: Awei

INTRODUCTION

Thank you for choosing the AWEI T98 Wireless Earbuds. These earbuds are designed to provide a high-fidelity audio experience with a secure, comfortable fit, making them suitable for various activities, including workouts. This manual provides detailed instructions on how to set up, operate, and maintain your earbuds to ensure optimal performance.

Comfortable to Wear

The AWEI T98 Wireless Earbuds with their compact charging case, ready for use.

PACKAGE CONTENTS

Please check the package for the following items:

- Wireless Bluetooth Headset (Earbuds)
- Wireless Bluetooth Headset Charging Case

- USB-C Charging Cable
- User Instructions (This manual)

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C charging cable to the charging port on the case and a power source. The indicator lights on the case will show the charging status. Once fully charged, the indicator lights will behave according to the specific model's design (e.g., turn solid or off).

The earbuds will charge automatically when placed inside the charging case, provided the case has power.

2. Bluetooth Pairing

1. **Initial Pairing:** Open the charging case and remove the earbuds. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
3. Select "AWEI T98" from the list of found devices to connect. A voice prompt will confirm successful pairing.
4. **Auto Pairing:** After the initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case. The connection range is approximately 33 feet (10 meters).

OPERATING INSTRUCTIONS

Wearing the Earbuds

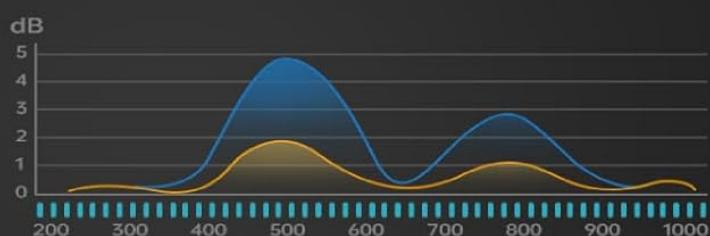

The AWEI T98 earbuds feature an ergonomic, open-ear design with skin-friendly silicone ear hooks for a secure and comfortable fit. Gently place the earbuds over your ears, ensuring the ear hooks rest comfortably behind your auricles. Adjust for the best fit.

ULF Enhancement Algorithm For Breathtaking Heavy Bass

The above data are the test values of AWEI laboratory. The actual data may vary slightly depending on the specific test environment.

This image illustrates the comfortable, non-in-ear design of the AWEI T98 earbuds, allowing for extended wear without discomfort.

Ergonomics Design Comfortable to Wear

Multi-point support disperses force points,
making weight distribution more even

Ergonomic Structure
Firm to lock

Skin-Friendly LSR
Avoiding any discomforts

Adaptive Rebound

Suitable for people of different ages

The ergonomic design of the AWEI T98 earbuds ensures a secure and comfortable fit, even during active use, as demonstrated by the woman wearing them.

Skin-Friendly Silicone Ear Hooks Your Exclusive Sports Earphones

The ergonomic structure fits human auricles closely,
alloy wires in the silicone achieve softness and rigidity synchronously

Featuring skin-friendly silicone ear hooks, the AWEI T98 earbuds are designed to stay securely in place, making them ideal for sports and active lifestyles.

Touch Controls

The AWEI T98 earbuds feature intuitive touch controls. Specific functions may vary, but common operations include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.

- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.

Directional Sound Propagation

The earbuds utilize directional sound propagation technology. This design allows you to hear your audio clearly while remaining aware of your surroundings, which is beneficial for safety in outdoor environments. It also helps maintain privacy during calls in crowded areas.

Available 2 Colors
Reject Any Sameness

The directional sound propagation technology of the AWEI T98 earbuds allows users to remain aware of their surroundings while listening to audio, enhancing safety and privacy.

MAINTENANCE

Cleaning

Regularly clean your earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials, solvents, or harsh chemicals. Do not immerse the charging case in water.

Water Resistance

The AWEI T98 earbuds are rated IPX6 waterproof, meaning they are protected against high-pressure water jets from any direction. This makes them resistant to sweat, splashes, and rain. However, they are not designed for submersion in water. Ensure the charging port is dry before charging.

Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.

TROUBLESHOOTING

- **Earbuds not pairing:** Ensure both earbuds are charged. Place them back in the case, close it, then open it again to re-enter pairing mode. Check your device's Bluetooth settings and try reconnecting.
- **No sound from one earbud:** Try placing both earbuds back in the charging case, closing the lid, and then taking them out again. Re-pair if necessary.
- **Charging issues:** Ensure the USB-C cable is securely connected to both the case and the power source. Check if the charging indicator lights are active. Clean the charging contacts on the earbuds and inside the case if necessary.
- **Poor sound quality:** Ensure the earbuds are properly seated in your ears. Check your device's volume and audio settings.

SPECIFICATIONS

Directional Propagation Staying Alert, Protecting Privacy

Staying alert while listening to musics in dangerous environments,
protecting privacy while calling in dense crowds
