Koorlian JJ011BEQ-93

Koorlian Queen Bed Frame with Storage, LED Lights, and Charging Station

Model: JJ011BEQ-93

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Koorlian Queen Bed Frame. This bed frame features a tall upholstered headboard with integrated LED lighting, a multi-device charging station, and four dustproof under-bed storage drawers. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and safe operation.

Safety Information

- **Two-Person Assembly:** Due to the size and weight of components, assembly is strongly recommended to be carried out by two people.
- **Secure Fasteners:** Ensure all screws and fasteners are securely tightened after assembly to maintain stability and prevent structural issues.
- **Weight Capacity:** The bed frame is designed to support up to 1000 pounds. Do not exceed this weight limit.
- **Electrical Safety:** When using the charging station, ensure all devices and cables are in good condition. Avoid overloading the outlets.
- **Floor Protection:** The bed frame is equipped with plastic protective feet. Exercise caution when moving the assembled bed to prevent floor damage.

Package Contents

Your Koorlian bed frame comes in an all-in-one package box. Please verify that all components listed below are present before beginning assembly. If any parts are missing, please contact customer support.

- 2-Tier Storage Headboard
- Footboard
- Metal Side Rails
- Wood Slats
- Support Legs

- 4 Dustproof Drawers with Wheels
- Charging Station (2 AC outlets, 1 Type-C, 1 USB port)
- RGB LED Lighting with Remote Control
- Instruction Manual
- Screws and Tool Kit (numbered for easy assembly)

Note: Mattress is not included.

Setup and Assembly

Follow the detailed instructions provided in the included instruction manual. The following are general guidelines and important tips:

1. **Unpack and Organize:** Lay out all components and hardware. Refer to the numbered parts in the instruction manual.
2. **Initial Fastening:** During initial assembly, do not fully tighten screws. This allows for minor adjustments to align pre-drilled holes.
3. **Final Tightening:** Once all components are in place and aligned, securely tighten all screws to ensure the bed frame's stability.
4. **Drawer Assembly:** Each drawer includes locking screws. Lift and align the drawer with the pre-drilled holes on the bed frame to prevent sliding or wobbling.

Operating Instructions

A. LED Lighting System

The integrated RGB LED lights in the headboard can be controlled via a smart app or the included remote control.

- **Power On/Off:** Use the designated button on the remote or app.
- **Color Adjustment:** Select from a variety of colors to match your preference.
- **Brightness Control:** Adjust the light intensity.
- **Scene Modes:** Choose from pre-set lighting effects.
- **Timer Function:** Set a timer for automatic shut-off.
- **Music Sync:** The lights can synchronize with music beats via the smart app.

B. Charging Station

The headboard includes a built-in charging station for convenient access to power.

- **Outlets:** Features 2 standard AC outlets.
- **USB Ports:** Includes 1 USB-A port and 1 Type-C port for charging mobile devices.
- **Usage:** Simply plug in your devices to charge them directly from the headboard.

C. Storage Drawers

The bed frame includes four spacious, dustproof fabric-lined drawers for under-bed storage.

- **Access:** Pull the drawers out from under the bed using the integrated handles.
- **Dustproof Design:** The fabric lining helps protect stored items from dust.
- **Smooth Movement:** Drawers are equipped with smooth wheels for easy gliding.
- **Security:** Utilize the locking screws to secure drawers in place when not in use, preventing accidental movement.

D. Adjustable Headboard Height

The upholstered headboard offers three adjustable height settings to accommodate various mattress thicknesses (8-16 inches).

- **Settings:** The headboard can be adjusted between 47, 49, and 51 inches high.
- **Adjustment:** Follow the assembly instructions to select the desired height during setup. Re-adjustment may require partial disassembly of the headboard connection points.

Maintenance

- **Cleaning:** Wipe clean with a cloth dampened in a mild cleaner. Immediately wipe dry with a clean cloth to prevent moisture damage.
- **Protection:** When assembling or moving the bed frame, use appropriate padding and protective materials to prevent scratches or damage to the fabric and frame.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary.

Troubleshooting

- **Bed Frame Noise:** The bed frame is designed with EVA quiet bars and unique bayonet locks to minimize noise. Ensure all slats are properly seated and all frame connections are securely tightened.
- **Assembly Alignment Issues:** If parts do not align during assembly, loosen previously tightened screws slightly to

allow for adjustment. Once aligned, re-tighten all screws.

- **Missing Parts:** If you discover any missing parts during unpacking or assembly, please contact Koorlian customer support immediately for assistance.
- **LED Lights Not Working:** Check the power connection to the headboard. Ensure the remote control batteries are functional or the app is correctly paired.
