Hzuaneri Cat Litter Box Enclosure User Manual

Model: CB82414B

Introduction Safety Information Package Contents Setup Operating Instructions Maintenance Troubleshooting Specifications Warranty & Support

1. Introduction

Thank you for choosing the Hzuaneri Cat Litter Box Enclosure. This product is designed to provide a private and comfortable space for your feline companion while discreetly concealing their litter box. Its versatile design allows it to function as a stylish piece of furniture, blending seamlessly into various home decors. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your cat litter box enclosure.

2. Safety Information

Please read and understand all safety instructions before assembling and using this product. Failure to follow these instructions may result in injury or damage to the product.

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened during assembly. Periodically check for loose connections.
- Do not overload the top surface of the enclosure. Refer to specifications for weight limits.
- Place the enclosure on a flat, stable surface to prevent tipping.
- This product is designed for indoor use only. Avoid exposure to moisture or extreme temperatures.
- Do not allow children to climb on or play inside the enclosure.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

3. Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. If anything is missing or

broken, please contact Hzuaneri customer support.

Part	Description	Quantity
A	Top Panel	1
B	Base Panel	1
C	Side Panels	2
D	Divider Panel	1
E	Barn Doors	2
F	Metal Locking Clasp	1
G	Decorative Iron Sheets	2
H	Cat Scratching Mat	1
I	Pom-Poms with Bells	1
J	Hardware Pack (screws, dowels, etc.)	1
K	Instruction Manual	1

4. Setup and Assembly

Assembly is straightforward and typically takes about 30 minutes. Follow these step-by-step instructions carefully. You will need a Phillips head screwdriver (not included).

1. **Prepare the Area:** Choose a clean, flat, and spacious area for assembly. Lay out all components and hardware, ensuring they are easily accessible.
2. **Assemble the Base:** Attach the side panels (C) to the base panel (B) using the appropriate screws from the hardware pack (J). Ensure the pre-drilled holes align.
3. **Install the Divider:** Insert the divider panel (D) into the designated slots on the base and side panels. Secure it with screws. This creates the two compartments.
4. **Attach the Top Panel:** Place the top panel (A) onto the assembled structure, aligning it with the side and divider panels. Secure it firmly with screws.
5. **Mount the Barn Doors:** Attach the decorative iron sheets (G) to the top of the barn doors (E). Then, install the barn doors onto the front of the enclosure using the provided tracks and hardware. Ensure they slide smoothly.
6. **Install the Latch:** Secure the metal locking clasp (F) to the front of the barn doors as shown in the diagram. This latch helps keep the doors securely closed.

Image 4.1: Detail of the metal locking clasp for the barn doors.

7. **Add Accessories:** Place the cat scratching mat (H) in the open compartment on the right side. Hang the pom-poms with bells (I) from the designated hook inside the open compartment.

Image 4.2: Overview of the hidden litter box features, including the playful pom-poms.

8. **Final Check:** Ensure all connections are secure and the enclosure is stable.

5. Operating Instructions

The Hzuaneri Cat Litter Box Enclosure is designed for ease of use and to provide a comfortable environment for your cat.

5.1 Placing the Litter Box

Open the barn doors to access the larger compartment on the left. Place your cat's litter box inside this compartment. The

enclosure is designed to accommodate most standard-sized litter boxes. Ensure there is enough space for your cat to comfortably enter and exit.

Image 5.1: The enclosure with doors open, revealing the space for a litter box.

5.2 Cat Entry and Exit

Cats can enter and exit the enclosure through the curved entryway on the right side. This design provides privacy and helps contain litter tracking. The scratching mat in the entryway further aids in removing litter from paws.

Image 5.2: A cat using the side entrance of the enclosure.

5.3 Using as a Side Table

The sturdy top surface of the enclosure can be used as a side table for placing decorative items, books, or other household items. Ensure not to exceed the maximum weight capacity.

Image 5.3: The enclosure functioning as a stylish side table.

6. Maintenance and Care

Regular cleaning and maintenance will extend the life of your Hzuaneri Cat Litter Box Enclosure and ensure a hygienic environment for your pet.

- **Cleaning the Surface:** Wipe down the exterior surfaces with a soft, damp cloth. For stubborn stains, a mild, non-

abrasive cleaner can be used. Dry thoroughly.

Image 6.1: Demonstrating how to clean the enclosure's surface.

- **Litter Box Area:** Regularly clean the interior compartment where the litter box is placed. Remove any spilled litter or debris.
- **Scratching Mat:** The included scratching mat helps contain litter. Periodically shake out or vacuum the mat to remove accumulated litter. It can also be gently wiped clean.

Image 6.2: The scratching mat designed to catch litter.

- **Ventilation:** The enclosure features ventilation holes to help with air circulation. Ensure these holes remain unobstructed.

Image 6.3: Ventilation holes for improved air flow.

- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.

7. Troubleshooting

If you encounter any issues with your Hzuaneri Cat Litter Box Enclosure, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Enclosure feels wobbly or unstable.	Loose screws or uneven surface.	Ensure all screws are tightened. Move the enclosure to a flat, level surface.

Problem	Possible Cause	Solution
Barn doors do not slide smoothly.	Tracks are dirty or misaligned.	Clean the tracks of any debris. Check that the doors are correctly seated in the tracks and that the decorative iron sheets are properly installed.
Cat is not using the enclosure.	New environment, unfamiliarity, or litter box issues.	Allow your cat time to adjust. Place familiar items (e.g., a favorite toy or blanket) inside. Ensure the litter box is clean and the litter type is preferred by your cat. You may temporarily remove the doors to help your cat get used to the space.
Odor issues despite ventilation.	Infrequent litter box cleaning or poor litter quality.	Ensure the litter box is scooped daily and completely changed regularly. Consider using a higher quality, odor-controlling litter. Ensure ventilation holes are clear.

If the problem persists after trying these solutions, please contact Hzuaneri customer support for further assistance.

8. Product Specifications

Detailed technical specifications for the Hzuaneri Cat Litter Box Enclosure:

Model Number: CB82414B

Brand: Hzuaneri

Material: Engineered Wood

Color: White

Style: Rustic

Overall Dimensions (L x W x H): 80 x 50 x 53 cm (approximately 31.5 x 19.7 x 20.9 inches)

Product Weight: 13.4 Kilograms (approximately 29.5 lbs)

Specific Uses: Indoor use for cats

Assembly Required: Yes

Image 8.1: Detailed product dimensions and compatible litter box sizes.

9. Warranty & Customer Support

Hzuaneri stands behind the quality of its products. This product comes with a standard manufacturer's warranty covering defects in materials and workmanship under normal use.

- **Warranty Period:** Please refer to your purchase documentation or contact customer support for specific warranty duration.
