## 2. Important Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always assemble the desk on a stable, level surface to ensure proper balance and prevent wobbling.
- Secure the desk to the wall using appropriate hardware if tipping is a concern, especially in households with children or pets.
- Do not place heavy objects on the desk that could exceed its weight capacity or cause it to tip over.
- Always follow the assembly instructions carefully to ensure the desk is stable and secure.
- Keep small parts and packaging materials away from children to prevent choking hazards.

## 3. Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

## 4. Assembly Instructions

---

Assembly is required for this product. Please follow these steps carefully. All necessary tools are included.

### 4.1. Preparation

1. Clear a spacious area for assembly.
2. Lay out all components and hardware on a soft, clean surface to prevent scratches.
3. Identify each part by referring to the included parts list and diagrams.

### 4.2. Step-by-Step Assembly

1. **Assemble the Main Desk Frame:** Connect the metal legs and support bars using the provided screws. Ensure all connections are secure but do not fully tighten until the entire frame is assembled.
2. **Attach Desktop Panels:** Carefully place the L-shaped desktop panels onto the assembled frame. Align the pre-drilled holes and secure them with screws.
3. **Install Monitor Stand:** Position the monitor stand on the main desktop. It can be placed on either the left or right side depending on your preference. Secure it using the designated fasteners.
4. **Assemble Storage Unit:** Construct the side storage unit by attaching the shelves to the frame. This unit can be configured on either the left or right side of the L-shaped desk.
5. **Install Drawers:** Assemble the two drawers according to the diagrams. Install the drawer glides onto the storage unit and then insert the assembled drawers.
6. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts.
7. **Attach Foot Pads:** Apply the anti-slip foot pads to the bottom of the desk legs to protect your floor and provide stability.

### 5. Usage and Features

The Tribesigns L Shaped Desk is designed for optimal functionality and comfort in your home office.

#### 5.1. L-Shaped Design

The L-shaped configuration is ideal for corner placement, maximizing space utilization in smaller rooms while providing ample surface area for multiple tasks or setups. Its reversible design allows you to orient the storage section to either the left or right side to best fit your room's layout.

#### 5.2. Monitor Stand

The elevated monitor stand helps raise your screen to an ergonomic viewing height, reducing neck and eye strain during long working hours. It also creates additional storage space underneath for keyboards, notebooks, or other desk accessories.

## 6. Care and Maintenance

Proper care will ensure the longevity and appearance of your Tribesigns L Shaped Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the particle board.
- **Heat and Moisture:** Avoid placing hot items directly on the desktop. Use coasters for drinks to prevent rings and stains.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.
- **Hardware:** Periodically check and tighten all screws and bolts to maintain stability.

## 7. Troubleshooting

If you encounter any issues with your desk, refer to the following common problems and solutions:

- **Desk is Wobbly:**
  - Ensure all screws and bolts are fully tightened.
  - Check that the desk is on a level surface. Adjust foot pads if necessary.
  - Verify that all frame components are correctly assembled according to the instructions.
- **Drawers Do Not Slide Smoothly:**
  - Check that the drawer glides are properly aligned and securely attached to both the drawer and the desk frame.
  - Ensure no debris is obstructing the glides.
- **Missing Parts:**
  - Double-check all packaging materials. Small parts can sometimes be overlooked.
  - Contact Tribesigns customer service with your product model and a list of missing parts.
