2. SAFETY INFORMATION

- Always follow the assembly instructions carefully to ensure proper construction and stability.
- Keep the table away from direct heat sources, such as radiators or fireplaces, to prevent damage to the wood finish.
- Do not place excessively heavy objects on the top shelf or lower shelf to prevent tipping or structural damage. The maximum weight recommendation is 20 kilograms (approximately 44 pounds).
- Always ensure the table is stable and properly positioned on a flat, level surface before use.
- Regularly check all fasteners to ensure they remain tight and secure.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Item	Description	Quantity
------	-------------	----------

Item	Description	Quantity
Table Panels	Engineered wood panels for the table structure	Varies by design
Hardware Pack	Screws, dowels, cam locks, and other fasteners	1 set
Assembly Guide	Step-by-step instructions	1

4. SETUP AND ASSEMBLY

The Tribesigns Rustic Wood End Table requires assembly. Please follow the clear and concise instructions provided in the included Assembly Guide. A screwdriver is the recommended tool for assembly.

- Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches. Verify all parts against the parts list in your Assembly Guide.
- Follow Instructions:** Refer to the step-by-step diagrams and text in the Assembly Guide. Each step is designed to be straightforward.
- Secure Fasteners:** Use a screwdriver to tighten all screws, dowels, and cam locks. Ensure all connections are firm but do not overtighten, which could damage the wood.
- Check Stability:** Once assembled, gently test the table for stability. If any wobbling occurs, re-check all connections and tighten as necessary.

5. OPERATING INSTRUCTIONS (USAGE)

This versatile end table can be used in various settings:

- **Side Table:** Position next to a sofa or armchair to hold lamps, drinks, remote controls, or decorative items.
- **Nightstand:** Place beside your bed to keep essentials like a lamp, alarm clock, books, or personal items within easy reach.
- **Accent Table:** Use in an entryway or hallway to display plants, art, or store small items.

The unique open design allows for flexible orientation. You can position the table with the open side facing forward for easy access to the lower shelf, or turn it to the side to create a more enclosed look, depending on your preference and the items you wish to display.

6. MAINTENANCE

To maintain the appearance and longevity of your Tribesigns Rustic Wood End Table, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface with a soft, dry cloth. For tougher spots, use a slightly damp cloth and immediately dry with a clean, soft cloth.
- **Avoid Harsh Cleaners:** Do not use abrasive cleaners, strong chemicals, or furniture polishes containing silicone, as these can damage the rustic brown lacquered finish.
- **Protect Surface:** Use coasters under drinks and placemats under hot items to prevent water rings and heat damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.

7. TROUBLESHOOTING

If you encounter any issues with your end table, please refer to the following common troubleshooting tips:

- **Table is Wobbly:**

- a. Ensure all screws, cam locks, and other fasteners are fully tightened. Refer to the assembly guide to re-check each connection.

- b. Verify that the table is placed on a flat and even surface. Adjust the table's position or use furniture pads if necessary.

- **Parts Do Not Align During Assembly:**

- a. Double-check the orientation of each panel against the diagrams in the Assembly Guide. Some panels may appear similar but have specific front/back or top/bottom orientations.

- b. Do not force parts together. Disassemble the section and re-attempt, ensuring correct alignment.

- **Surface Scratches or Scuffs:**

- a. For minor scratches, a wood repair marker or furniture touch-up pen in a matching color may be used.

- b. Always use protective pads or coasters to prevent future damage.
