Setup: Assembly Instructions

Assembly of your SANODESK gaming desk is designed to be straightforward. We recommend assembling the desk in the room where it will be used. Ensure you have ample space and a clean, flat surface to work on. The desk features a reversible design, allowing you to configure the L-shape to either the left or right side during assembly to best fit your room layout.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the parts list to ensure everything is accounted for.
2. **Assemble the Frame:** Begin by connecting the main metal frame components according to the diagrams in the included assembly booklet. Ensure all screws are finger-tight initially.
3. **Attach Desktop Panels:** Secure the desktop panels to the assembled frame. Pay attention to the orientation for your desired L-shape configuration (left or right).
4. **Install Shelves and Accessories:** Attach the monitor shelf, side shelves, power outlet unit, LED light strip, cup holder, headphone hook, and fabric storage bag as indicated in the assembly guide.
5. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the provided tools. Do not overtighten.
6. **Cable Management:** Route the power cable for the LED lights and power outlets neatly.

This diagram illustrates the overall dimensions of the L-shaped gaming desk, including the main desktop, monitor shelf, and side shelves. It also highlights the reversible design, allowing the L-shape to be configured to either the left or right side to suit your space.

Operating Your SANODESK Gaming Desk

LED Lighting System

The SANODESK gaming desk features an integrated LED light strip to enhance your gaming or work environment. The lights offer multiple lighting modes and 15 different colors, allowing you to customize the ambiance to match your mood or activity. Connect the LED strip's power cable to the integrated power outlet or a suitable USB power source.

The desk features an integrated LED light strip with over 10 selectable colors and multiple modes. This image demonstrates two common uses: a vibrant, multi-color setting ideal for gaming, and a warm, single-color setting suitable for a focused working environment.

Integrated Power Outlets & USB Ports

Your desk is equipped with 2 standard power outlets and 2 USB ports, providing convenient access to power for your electronic devices. Simply plug the desk's main power cord into a wall outlet, and then connect your devices to the integrated outlets and USB ports. This feature helps keep your workspace tidy by reducing the need for multiple wall adapters and extension cords.

Conveniently located on the desk, the integrated power strip includes two standard power outlets and two USB ports. This allows for easy charging of multiple electronic devices directly from your desk, reducing cable clutter.

Movable Storage Shelf & Accessories

The desk is designed with versatility in mind, featuring a movable storage shelf and several useful accessories to optimize your workspace:

- **Monitor Stand:** Provides an elevated surface for your monitor, promoting better ergonomics and freeing up desktop space.
- **Cup Holder:** A convenient, placeable holder to keep your beverages secure and prevent spills on your desk.
- **Headphone Hook:** Keeps your headphones within easy reach and off the desktop, reducing clutter.
- **Fabric Storage Bag:** Ideal for storing documents, magazines, or small accessories, keeping your essentials organized.

The desk is designed with multiple accessories for enhanced functionality. This image highlights the dedicated headphone hanger, a fabric drawer for occasional files, a support table for your computer tower, and a movable cup holder to keep beverages secure and within reach.

Care and Maintenance

Proper care will ensure the longevity and appearance of your SANODESK gaming desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood surface.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves. Avoid placing excessively heavy items in one concentrated area.
- **Screw Tightness:** Periodically check and retighten all screws and bolts to ensure the desk remains stable and secure.
- **Heat and Moisture:** Avoid placing hot items directly on the desk surface. Use coasters for drinks to protect against moisture rings.

Troubleshooting Common Issues

If you encounter any issues with your SANODESK gaming desk, please refer to the following common troubleshooting tips:

Problem	Possible Cause / Solution
LED Lights Not Working	Ensure the LED strip's power cable is securely plugged into the power outlet unit or a functional USB port. Check if the desk's main power cord is plugged into a live wall outlet. If using a remote control (if applicable), check its battery.
Power Outlets / USB Ports Not Functioning	Verify that the desk's main power cord is firmly plugged into a working wall outlet. Test the wall outlet with another device to confirm it has power. Ensure devices are properly inserted into the outlets/ports.
Desk Wobbles / Unstable	Check that all assembly screws and bolts are fully tightened. Ensure the desk is placed on a flat, even surface. Adjust any leveling feet if present. Verify that all frame connections are correctly aligned.
