SANODESK LED Gaming Desk 120x140cm L-shaped

SANODESK LED Gaming Desk 120x140cm L-shaped Instruction Manual

Model: LED Gaming Desk 120x140cm L-shaped | Brand: SANODESK

SAFETY WARNINGS

Attention: This desk requires self-assembly. Please read and follow all instructions carefully to ensure safe assembly and use. To ensure the stability of the desk, it must be secured to a wall or another stable object, especially when used in high-traffic areas or near children. Failure to follow these instructions may result in injury or damage to the product.

PRODUCT OVERVIEW

The SANODESK LED Gaming Desk is an L-shaped computer desk designed for both gaming and work environments. It features integrated LED lighting, convenient power outlets, USB charging ports, and various accessories to enhance your experience. Its robust construction and thoughtful design provide ample space and organization for your setup.

Image: A complete SANODESK LED Gaming Desk setup, showcasing its L-shape, integrated shelving, LED lighting, and various accessories like a headphone hanger and cup holder, with a gaming chair in front.

Key Features:

- **L-shaped Design:** Provides extensive workspace and legroom, suitable for multiple monitors and equipment.
- **Integrated LED Lighting:** Customizable LED strip with 15 colors and multiple modes to create your desired ambiance.
- **Convenient Power Hub:** Equipped with 2 power outlets and 2 USB charging ports for easy device connectivity.
- **Sliding Shelf:** A versatile shelf that can be repositioned to optimize your workspace layout.
- **Accessory Options:** Includes a sturdy PC stand, cup holder, headphone hook, and a practical storage bag for organization.

Suitable For Multiple Scenarios

SETUP AND ASSEMBLY

The SANODESK LED Gaming Desk is designed for self-assembly. Please ensure you have all components and tools listed in the packaging before beginning. Follow the step-by-step instructions provided in the separate assembly guide for proper construction.

Important Assembly Notes:

- **Clear Workspace:** Assemble the desk in a spacious area to prevent damage to components.
- **Component Identification:** Refer to the parts list and diagrams to identify each component correctly.
- **Tighten Fasteners:** Ensure all screws and fasteners are securely tightened, but do not overtighten.
- **Stability:** After assembly, place the desk in its final position. For enhanced stability, especially in active environments, consider securing the desk to a wall using appropriate anchors (not included).

Dimensions Of The Products

OPERATING INSTRUCTIONS

LED Lighting Control:

The desk features an integrated LED strip with customizable lighting options. Use the included remote control or integrated button (if applicable) to:

- Turn the LED lights On/Off.
- Select from 15 different colors.
- Choose various lighting modes (e.g., static, flashing, fading).
- Adjust brightness levels.

Experiment with different colors and modes to match your mood or activity, whether gaming or working.

GAMING

WORKING

Image: Two views of the SANODESK LED Gaming Desk, one with vibrant purple LED lighting for a gaming atmosphere, and another with warm yellow lighting suitable for a working environment.

Power and USB Charging:

The desk is equipped with 2 standard power outlets and 2 USB charging ports for your convenience.

- **Power Outlets:** Plug in your monitors, PC, or other electronic devices directly into the integrated outlets. Ensure the total power draw does not exceed the desk's rated capacity.
- **USB Ports:** Use the USB ports to charge smartphones, tablets, or other USB-powered accessories.

For Charging Multiple Devices

Using Accessories:

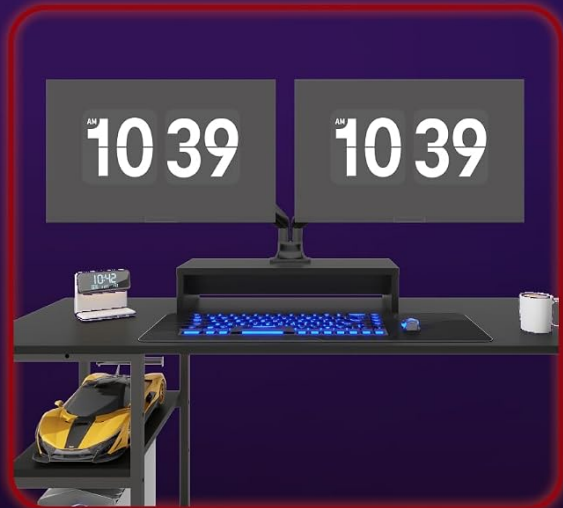

- **Sliding Shelf:** Adjust the position of the sliding shelf to best suit your storage or display needs.
- **PC Stand:** Place your computer tower on the designated sturdy PC stand to keep it off the floor and improve airflow.
- **Cup Holder:** Utilize the cup holder to keep beverages secure and prevent spills on your desk surface.
- **Headphone Hook:** Hang your headphones on the integrated hook for easy access and to keep your desk tidy.
- **Storage Bag:** Use the fabric storage bag for documents, small accessories, or cables.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your SANODESK LED Gaming Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood material.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **LED Strip:** Ensure the LED strip and its connections are free from dust and moisture.

TROUBLESHOOTING

Desk Stability Issues:

- **Wobbling:** Check all assembly screws and bolts. Ensure they are fully tightened. Verify the desk is on a level surface. If necessary, use shims under the feet or secure the desk to a wall.

LED Lights Not Working:

- **No Power:** Ensure the LED strip is properly connected to its power source and that the power outlet is functional.
- **Remote Control:** Check the battery in the remote control. Ensure there are no obstructions between the remote and the LED receiver.
- **Connection:** Verify all connections to the LED strip are secure.

Power Outlets/USB Ports Not Functioning:

- **Power Source:** Ensure the desk's main power cord is securely plugged into a working wall outlet.
- **Overload:** Avoid overloading the outlets. Disconnect some devices and try again.
- **Device Check:** Test the devices you are trying to power/charge with a different outlet or charger to rule out device issues.
