SETUP AND ASSEMBLY

Your Hadulcet Vanity Desk requires assembly. Detailed, step-by-step instructions and numbered accessories are included in the product packaging. Please follow these instructions carefully.

1. Unpack all components and verify against the parts list provided in the assembly manual.
2. Identify all hardware and tools required for assembly.
3. Follow the sequential steps in the assembly manual to construct the vanity frame, drawers, shelves, and mirror unit.
4. Ensure all connections are secure before proceeding to the next step.
5. Connect the electrical components (mirror lights, charging station) as instructed.

Video explanations for assembly are also available. Refer to the QR code or link provided in your physical instruction manual for access.

OPERATING INSTRUCTIONS

Mirror Lighting Settings

The vanity mirror features integrated LED lighting with three color modes and adjustable brightness.

- **Changing Color Mode:** Lightly touch the switch on the mirror to cycle through the three color modes: warm yellow, warm white, and cold white.
- **Adjusting Brightness:** Press and hold the switch on the mirror to continuously adjust the brightness level from 0% to 100%. Release the switch when the desired brightness is reached.

MAINTENANCE AND CARE

Proper maintenance ensures the longevity and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish or acrylic components.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to prevent liquid from seeping into the electrical components.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning any electrical parts. Do not immerse any electrical components in water.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, clean any dust or debris and apply a silicone-based lubricant.
- **General Inspection:** Regularly check all screws and fasteners to ensure they remain tight. Tighten if necessary.

TROUBLESHOOTING

This section addresses common issues you might encounter with your vanity desk.

Problem	Possible Cause	Solution
Mirror lights not working or flickering.	Loose connection, power issue, damaged LED strip.	Ensure the vanity is properly plugged in. Check all electrical connections. If the issue persists, contact customer support.
Charging station not providing power.	Vanity not plugged in, internal wiring issue.	Verify the vanity's main power cord is securely plugged into a working outlet. Check if the charging station's internal connections are secure.
Drawers are stiff or do not slide smoothly.	Debris in slides, misaligned slides, loose fasteners.	Clean the drawer slides of any dust or obstructions. Check that the slides are properly aligned and all screws are tightened.
Missing parts during assembly.	Packaging error.	Contact Hadulcet customer support immediately with your purchase details and the specific missing part number.
Product damaged upon arrival (e.g., broken mirror).	Shipping damage.	Document the damage with photos and contact Hadulcet customer support or your retailer for a replacement or refund.
