SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Always assemble the desk on a stable, level surface to ensure structural integrity.
- Do not exceed the maximum weight limit of 68.78 pounds (approximately 31.2 kg) on the desktop. Distribute weight evenly.
- Ensure the desk is properly anchored to the wall or floor if recommended by local safety standards, to prevent tipping, especially in households with children or pets.
- Keep heavy items away from the edges of the desk to maintain stability and prevent accidental falls.
- Use only the provided hardware for assembly. Substituting parts may compromise safety.
- Keep all electrical components (power outlet, LED strip) dry and away from liquids.
- Periodically check all screws and connections to ensure they remain tight.

PRODUCT FEATURES

The AODK L Shaped Desk is equipped with several features designed to enhance your productivity and comfort:

- **Ample Storage Space:** Includes 2 file drawers, 3 under-desk drawers, a printer cabinet, a 2-tier under-desk bookshelf, and a computer tower stand for comprehensive organization.
- **Cool LED Lighting:** Features an integrated LED strip with 7 colors, 13 modes, 8 adjustable brightness levels, and 9 flicker frequencies. Includes a memory function to recall the last used setting.

- **Convenient Charging & Monitor Stand:** Equipped with 3 standard plug outlets and 2 USB ports for easy device charging. A long monitor stand elevates displays for improved ergonomics and provides additional storage.
- **Extra Large Desktop & High Stability:** The main desktop measures 46.1 inches, offering generous workspace. Constructed with a sturdy metal frame and high-quality MDF board for durability.
- **Reversible L Shaped Design:** The desk can be configured as a left or right corner desk to adapt to various room layouts and user preferences.

PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed in the packing list (typically found in the product box or a separate leaflet) are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desktop panels (main, corner, side)
- Metal frame components (legs, crossbars, brackets)
- Drawer components (panels, slides, handles)
- Shelving units
- Monitor stand
- Movable CPU stand
- LED strip with controller
- Power outlet unit with USB ports
- Assembly hardware (screws, bolts, nuts, Allen wrench)
- Adjustable foot pads

Tools Recommended for Assembly: A screwdriver is recommended in addition to the included Allen wrench.

SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have two people for certain assembly stages.

1. **Prepare Workspace:** Clear a spacious, flat area for assembly. Lay down the packaging material to protect the desk components and your floor.
2. **Identify Components:** Unpack all parts and identify them using the provided parts list. Group similar hardware together.
3. **Assemble Frame:** Begin by assembling the main metal frame structure according to the diagrams in your specific assembly guide. Ensure all connections are secure but do not fully tighten screws until the entire frame is assembled.
4. **Install Desktop Panels:** Attach the desktop panels to the assembled frame. Pay attention to the orientation for the reversible design.
5. **Assemble Storage Units:** Construct the file drawers, under-desk drawers, printer cabinet, and shelving units. Install drawer slides smoothly.
6. **Integrate Electrical Components:** Install the power outlet unit into its designated slot. Route the power cord safely. Attach the LED strip to the underside of the monitor shelf or main desktop as instructed.
7. **Attach Monitor Stand and CPU Stand:** Secure the long monitor stand to the desktop. Place the movable CPU stand in your desired location.
8. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts.
9. **Adjust Leveling:** Adjust the foot pads at the bottom of the desk legs to ensure the desk is stable and level on your floor.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your desk:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and bolts to ensure they are tight. Re-tighten as necessary to maintain stability.
- **LED Strip:** Keep the LED strip free from dust. Do not attempt to disassemble the LED unit.
- **Power Outlet:** Ensure the power outlet and USB ports are kept clean and dry. Do not insert foreign objects into the ports.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk is wobbly/unstable	Uneven floor; loose hardware	Adjust the foot pads on the bottom of the legs. Tighten all assembly screws and bolts.
LED lights not working	Power cord not plugged in; loose connection; faulty LED strip	Ensure the LED strip is properly connected to the power source. Check if the main desk power cord is plugged in. If issues persist, contact customer support.
Power outlets/USB ports not working	Desk power cord not plugged in; circuit breaker tripped; faulty unit	Verify the main desk power cord is securely plugged into a working wall outlet. Check your household circuit breaker. Avoid overloading the outlets.
Drawers stick or don't close smoothly	Improper assembly of drawer slides; obstruction	Ensure drawer slides are correctly installed and aligned. Check for any objects obstructing the drawer's path.
