Infinix XEOE01

Infinix X-Buds 3 Loop XEOE01 Bluetooth Open-Ear Earbuds User Manual

Model: XEOE01

1. INTRODUCTION

This manual provides detailed instructions for the proper use and maintenance of your Infinix X-Buds 3 Loop XEOE01 Bluetooth Open-Ear Earbuds. Please read this manual thoroughly before using the product to ensure optimal performance and longevity. The Infinix X-Buds 3 Loop are designed to deliver a superior audio experience with an open-ear design for ambient sound awareness, clear calls, and extended battery life.

2. PACKAGE CONTENTS

Verify that all items are present in your product package:

- Infinix X-Buds 3 Loop Earbuds (Left and Right)
- Wireless Charging Case
- USB Type-C Charging Cable
- Warranty Document

3. PRODUCT OVERVIEW

The Infinix X-Buds 3 Loop XEOE01 earbuds feature an innovative open-ear design, ensuring comfort and awareness of your surroundings while providing high-quality audio. The charging case protects and recharges your earbuds.

4. SETUP

4.1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Connect the provided USB Type-C charging cable to the charging port on the case.
2. Connect the other end of the cable to a compatible USB power source (e.g., wall adapter, computer

USB port).

3. The indicator lights on the charging case will illuminate to show charging status.
4. Place the earbuds into the charging case. Ensure they are correctly seated; the earbuds will begin charging automatically.

A full charge provides approximately 12 hours of playtime for the earbuds, and the charging case extends total playtime to 36 hours.

4.2. Pairing with a Bluetooth Device

1. Open the charging case. The earbuds will automatically enter pairing mode, indicated by flashing LED lights on the earbuds.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices.
4. Select "Infinix X-Buds 3 Loop" from the list of devices.
5. Once connected, the LED indicators on the earbuds will stop flashing, and your device will confirm the connection.

The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

5. OPERATING INSTRUCTIONS

5.1. Basic Controls

The Infinix X-Buds 3 Loop XEOE01 feature intuitive touch controls. Specific gestures may vary; refer to the product's companion app for customization and detailed control mapping.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.

- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant:** Triple tap on either earbud.

5.2. Making and Receiving Calls

The earbuds are equipped with 4 microphones and Environmental Noise Cancellation (ENC) technology to ensure clear calls even in noisy environments.

- Ensure earbuds are connected to your phone.
- Use the touch controls to manage calls as described above.

5.3. Power On/Off

- **Power On:** Open the charging case, or press and hold the touch area on both earbuds for 3 seconds if they are out of the case and off.
- **Power Off:** Place the earbuds back into the charging case and close the lid, or press and hold the touch area on both earbuds for 5 seconds.

6. MAINTENANCE

6.1. Cleaning

Regular cleaning helps maintain optimal performance and hygiene.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.
- Gently clean the charging contacts on both the earbuds and the case with a dry cotton swab if necessary.

6.2. Water Resistance

The earbuds have an IPX4 water resistance rating, meaning they are resistant to splashing water from any direction. This makes them suitable for workouts and light rain. The charging case is not water-resistant.

- Do not submerge the earbuds in water.
- Avoid exposing the charging case to water or moisture.
- If earbuds get wet, wipe them dry thoroughly before placing them back in the charging case.

6.3. Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.

7. TROUBLESHOOTING

If you encounter issues with your Infinix X-Buds 3 Loop XEOE01, try the following solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged. Place them back in the case, close the lid, then open it again to re-enter pairing mode. Check your device's Bluetooth settings and try reconnecting.
- **No sound from one earbud:** Ensure both earbuds are charged and properly connected. Try resetting the earbuds (refer to the app or product website for specific reset instructions).

- **Charging issues:** Verify the charging cable and adapter are working. Ensure the charging contacts on the earbuds and case are clean and free of debris.
- **Poor sound quality:** Ensure the earbuds are securely fitted in your ears. Check the audio source device for any volume or equalizer settings.
- **Intermittent connection:** Move closer to your paired device. Avoid environments with strong electromagnetic interference.

If problems persist, consult the Infinix support website or contact customer service.
