EltaMD UV Skin Recovery Face Sunscreen SPF 50

EltaMD UV Skin Recovery Face Sunscreen SPF 50 Green Tinted Instruction Manual

Comprehensive guide for the use and care of your EltaMD UV Skin Recovery Face Sunscreen.

1. Product Overview

The EltaMD UV Skin Recovery Face Sunscreen SPF 50 Green Tinted is an all-mineral sunscreen formulated with zinc oxide to provide broad-spectrum protection. It is designed for sensitive skin, offering a green tint to help neutralize visible redness. This product is clinically proven to alleviate issues associated with skin sensitivity and helps repair the skin barrier.

Image 1.1: Front view of the EltaMD UV Skin Recovery Face Sunscreen SPF 50 Green Tinted bottle.

Key benefits include instant neutralization of redness with color-correcting technology and broad-spectrum protection against UVA/UVB rays. It is suitable for very sensitive skin and has been tested post-procedure.

2. Application Instructions

Follow these steps for optimal sun protection and skin recovery:

1. **Preparation:** Ensure your face and neck are clean and dry before application.
2. **Application:** Apply the sunscreen liberally to your face and neck at least 15 minutes before sun exposure.
3. **Reapplication:** Reapply at least every 2 hours. If swimming or sweating, use a water-resistant sunscreen and reapply immediately after towel drying, or at least every 80 minutes.

The green tint is designed for color correction and will blend into the skin, reducing visible redness without leaving a green cast.

3. Key Ingredients and Technology

EltaMD UV Skin Recovery features a unique formulation to support skin health and protection:

- **Zinc Oxide:** A 100% mineral filter that provides broad-spectrum protection against UVA and UVB rays.
- **AAC Complex Technology:** A patented blend of three amino acids (Taurine, Arginine, Glycine) proven to repair the skin barrier. Taurine offers powerful repair function, Arginine hydrates for healthy-looking skin, and Glycine is a structural component of collagen.
- **Ceramide Blend:** Nourishes the skin and strengthens its barrier function.
- **Centella Asiatica:** A powerful herbal plant extract that helps calm sensitive skin.

4. Product Specifications

Specification	Detail
Product Dimensions	1.63 x 1.63 x 4.69 inches
Item Weight	3.2 ounces (90.72 Grams)
Sun Protection Factor (SPF)	50
Active Ingredient	Zinc Oxide
Scent	Fragrance Free
UPC	827854021629
Manufacturer	EltaMD

5. Storage and Care

To maintain the efficacy and integrity of your EltaMD UV Skin Recovery sunscreen:

- Store at room temperature, away from direct sunlight and excessive heat.
- Keep the cap tightly closed when not in use to prevent contamination and drying.
- Do not freeze the product.

6. Troubleshooting and Considerations

- **Pilling:** If the product pills or balls up on your skin, ensure your skin is fully dry before application. Avoid layering too many other skincare products underneath, or allow sufficient time for previous products to absorb completely before applying the sunscreen.
- **Eye Irritation:** While formulated for sensitive skin, some individuals may experience eye sensitivity. If irritation occurs, rinse eyes thoroughly with water. If irritation persists, discontinue use.
- **White Cast:** As a mineral sunscreen, a minor white cast may be visible on some skin tones, though this green-tinted formula is designed to blend well and neutralize redness.

7. Important Safety Information

- For external use only.
- Do not use on damaged or broken skin.
- Stop use and ask a doctor if rash occurs.
- Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.
- When using this product, keep out of eyes. Rinse with water to remove.
- Sun Protection Measures: Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including: limit time in the sun, especially from 10 a.m. – 2 p.m.; wear long-sleeved shirts, pants, hats, and sunglasses.
