- **Connectivity:** Dual Nano SIM support with an additional Micro SD slot. Supports various 4G/3G/2G bands, Wi-Fi, and GPS.
- **Security:** Includes a rear fingerprint sensor and AI face unlock for convenient and secure access.

## SETUP GUIDE

### 1. Unboxing and Initial Inspection

Carefully remove all components from the packaging. Verify that all items listed in the "What's in the Box" section are present and undamaged.

Figure 6: Front View of Redmi 14C

## 2. Inserting SIM Cards and Micro SD Card

Locate the SIM tray on the side of the device. Use the provided SIM ejector tool to open the tray. Insert your Nano SIM cards (up to two) and a Micro SD card into their respective slots. Ensure they are correctly oriented before reinserting the tray into the phone.

### 3. Initial Power On and Setup

Press and hold the power button until the Xiaomi logo appears. Follow the on-screen prompts to complete the initial setup, including language selection, Wi-Fi connection, Google account login, and security settings (fingerprint/face unlock).

## OPERATING YOUR DEVICE

---

### Display Navigation

The 6.88-inch display offers intuitive touch navigation. Swipe up to unlock the screen. Navigate through applications by swiping left or right on the home screen. Access quick settings by swiping down from the top of the screen.

### Camera Usage

Open the Camera application to utilize the 50MP AI dual camera system. Select from various modes such as Photo, Portrait, Night mode, and Time-lapse. Apply filmCamera filters for unique visual effects. Video recording is supported at 1080P (1920x1080) at 30fps and 720P (1280x720) at 30fps.

### Battery Management

To charge your device, connect the 18W in-box charger via the USB Type-C port. The 5160mAh battery provides extended usage. For optimal battery life, avoid extreme temperatures and use the provided charger.

### Pre-installed Applications

Your Redmi 14C comes with a suite of pre-installed applications, including:

- System apps (e.g., File Manager, Xiaomi Home)
- Xiaomi Community
- App vault
- OneDrive
- Gallery
- GetApps
- Mi Browser
- Mi Video
- Play Store
- Themes
- Cleaner
- Google applications
- Scanner
- Downloads
- ShareMe
- Services & feedback
- Compass
- Weather
- Calendar
- Notes

## MAINTENANCE

---

## Device Durability

The Redmi 14C is built to high standards, undergoing rigorous testing for durability. This includes 210,000 power button tests, 300 roller tests, 5,000 headphone jack tests, and 10,000 charging port tests to ensure long-term reliability.

Figure 7: Device Durability Testing

## Cleaning Your Device

To clean your phone, use a soft, lint-free cloth. Avoid using harsh chemicals or abrasive materials that could damage the screen or finish. For stubborn smudges, slightly dampen the cloth with water or a screen cleaner designed for electronics.

## Battery Care

To maximize battery lifespan, avoid fully discharging the battery frequently. Charge your phone using the original charger. If the phone will not be used for an extended period, charge it to about 50% before storing.

## TROUBLESHOOTING

This section provides solutions to common issues you might encounter with your Redmi 14C. For more complex problems, please refer to the official Xiaomi support website or contact customer service.

- **Device Not Turning On:** Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again. If unresponsive, try holding the power button for an extended period (e.g., 10-15 seconds).
- **Poor Network Connectivity:** Check if your SIM card is properly inserted. Ensure you are within network coverage. Try restarting the device. Verify mobile data settings are correct.
- **Applications Crashing/Freezing:** Close and reopen the application. Clear the app's cache and data in settings. Ensure your device's software is up to date.
- **Battery Draining Quickly:** Reduce screen brightness. Close unused applications running in the background. Disable unnecessary features like Wi-Fi, Bluetooth, or GPS when not in use. Check for app updates.

## SPECIFICATIONS

Feature	Detail
Model Name	Redmi 14C
Display Size	6.88 Inches
Resolution	1640 x 720
Refresh Rate	Up to 120Hz
Processor	MediaTek Helio G81-Ultra (2.0GHz CPU Speed)
RAM	8 GB
Storage Capacity	256 GB
Main Camera	50MP AI Dual Camera
