Cyclsio Full Size Upholstered Headboard

Cyclsio Full Size Upholstered Headboard Instruction Manual

MODEL: FULL SIZE UPHOLSTERED HEADBOARD WITH STORAGE, LED LIGHTS, AND CHARGING STATION

1. Introduction

Thank you for choosing the Cyclsio Full Size Upholstered Headboard. This product is designed to enhance your bedroom with convenient storage, integrated LED lighting, and a charging station. This manual provides detailed instructions for assembly, operation, and maintenance to ensure safe and proper use of your new headboard.

Image 1.1: Overview of the Cyclysis Full Size Upholstered Headboard, showcasing its storage shelves, integrated LED lighting, and charging station.

2. Safety Information

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children.
- Ensure all connections are secure before use.
- Do not overload the storage shelves. Refer to specifications for weight limits.
- Only use the provided power adapter for the LED lights and charging station.
- Avoid exposing electrical components to moisture.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support.

3. Package Contents

Verify that all components are present before beginning assembly. If any items are missing or damaged, please contact Cyclysis customer support.

- Upholstered Headboard Panel
- Top Shelf Panel
- Middle Shelf Panel
- Side Support Frames (Left & Right)
- LED Light Strip
- Charging Station Module (with 3 AC outlets and 2 USB ports)
- Power Cord (6.5 ft)
- Bed Frame Connectors (2 adjustable adapters)
- Assembly Hardware (screws, bolts, nuts, Allen wrench)
- Instruction Manual

4. Assembly Instructions

Assembly typically requires two people. Follow these steps carefully.

1. **Prepare the Area:** Clear a spacious area for assembly. Lay out all components and hardware.
2. **Attach Side Support Frames:** Secure the left and right side support frames to the upholstered headboard panel using the provided hardware. Ensure all screws are tightened firmly.
3. **Install Middle Shelf:** Attach the middle shelf panel to the side support frames. This shelf provides the primary storage area and houses the LED light strip.
4. **Install Top Shelf:** Secure the top shelf panel to the upper section of the side support frames. This creates an additional display or storage surface.
5. **Mount Charging Station:** The charging station can be installed on either the left or right side of the middle shelf, according to your preference. Secure it using the designated screws.
6. **Attach LED Light Strip:** Carefully adhere the LED light strip to the underside of the middle shelf, ensuring it is positioned to illuminate the storage area effectively. Connect the LED strip to the charging station module.
7. **Connect to Bed Frame:** Use the two adjustable bed frame adapters to attach the assembled headboard to your existing full-size bed frame. Adjust the height as needed to align with your mattress.

Headboards with Adjustable Height

Height can adjusted up and down according to the height of your actual bed frame

5. Operating Instructions

5.1 LED Lighting System

The integrated LED light strip offers a wide range of customization options:

- Color Selection:** Choose from over 60,000 colors to match your mood or room decor.
- Multiple Functions:** The LED system includes various modes, such as flashing to the beat of music, creating a dynamic ambiance.
- Control:** Control the LED lights using the included remote control or a compatible mobile application (if available, refer to specific instructions for app download and pairing).

5.2 Charging Station

The built-in charging station provides convenient power access:

- Power Outlets:** Features 3 standard AC power outlets (120V/12A) for larger electronics.
- USB Ports:** Includes 2 USB ports (5V/2A) for charging mobile devices, tablets, and other USB-powered accessories.

- **Placement:** The charging station can be installed on either the left or right side of the middle shelf during assembly to suit your needs.

6. Maintenance

To ensure the longevity and appearance of your Cycclycio headboard, follow these maintenance guidelines:

- **Cleaning the Upholstery:** The upholstered material is designed for easy cleaning. Wipe with a damp cloth and mild soap solution. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the shelves and frame with a soft, dry cloth.
- **Electrical Components:** Ensure the charging station and LED lights are unplugged before cleaning. Do not spray liquids directly onto electrical parts.
- **Tighten Connections:** Periodically check and tighten any loose screws or bolts to maintain stability.

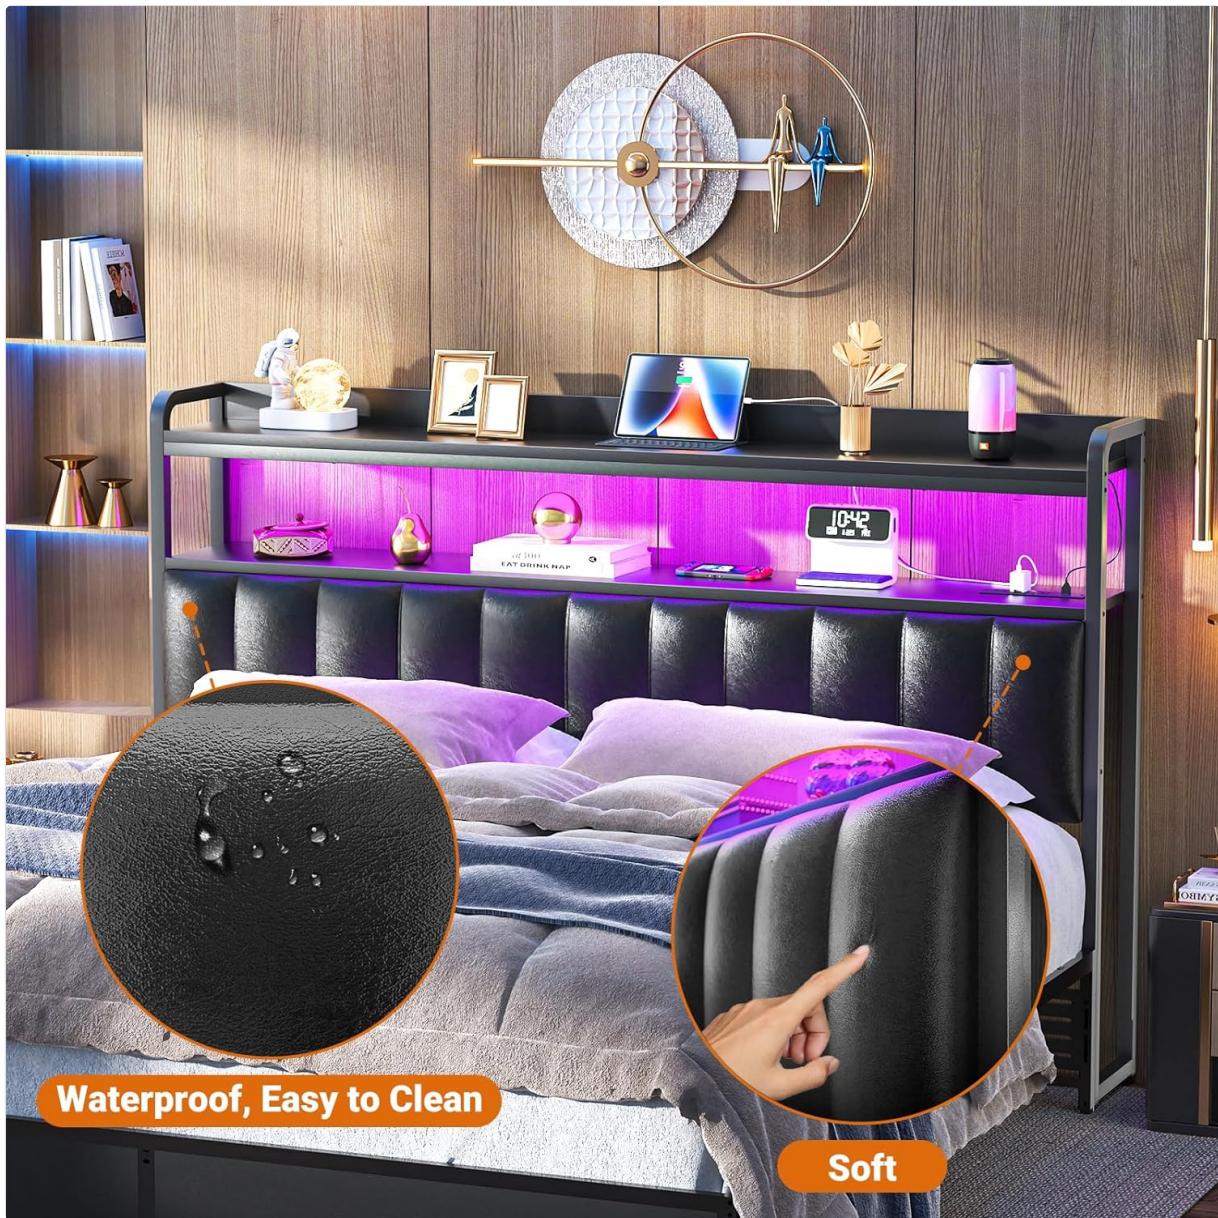

Image 6.1: Close-up demonstrating the waterproof and easy-to-clean properties of the upholstered headboard material, alongside its soft texture.

7. Troubleshooting

If you encounter any issues with your headboard, refer to the following common problems and solutions:

- **LED Lights Not Working:**

- Check if the power cord is securely plugged into a working outlet.
- Ensure the LED strip is properly connected to the charging station module.
- Verify the remote control batteries (if applicable).

- **Charging Station Not Providing Power:**

- Confirm the main power cord is plugged in.
- Test the outlet with another device to ensure it is functional.
- Check for any tripped circuit breakers in your home.

- **Headboard Feels Unstable:**

- Re-tighten all assembly screws and bolts.
- Ensure the bed frame connectors are securely attached to both the headboard and your bed frame.

If these steps do not resolve the issue, please contact Cyclsio customer support for further assistance.
