Maintenance

To maintain the appearance and longevity of your countertop:

- Wipe the surface regularly with a soft, damp cloth.
- Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.
- Promptly clean up any spills to prevent staining.

Troubleshooting

- **Countertop does not fit:** Ensure you have measured your washer and dryer dimensions accurately and selected the correct countertop size.
- **Countertop slides:** Verify that the non-slip pads are properly attached to the underside of the countertop.
