SOLIDEE 32-inch White Bathroom Vanity with Marble Texture Top and 4 Drawers Instruction Manual

Model: BA20701

INTRODUCTION

This manual provides detailed instructions for the assembly, installation, operation, and maintenance of your SOLIDEE 32-inch White Bathroom Vanity with Marble Texture Top and 4 Drawers. Please read all instructions carefully before beginning assembly and retain this manual for future reference. Ensure all components are present and undamaged before proceeding.

SAFETY INFORMATION

Always use appropriate safety gear when assembling the vanity. Be aware of potential pinch points and heavy weight during installation. Do not exceed the load limit of the vanity to prevent damage or injury.

- Keep children and pets away from the assembly area.
- Assemble on a soft, clean surface to prevent scratches.
- Ensure all connections are secure before use.
- Do not stand or climb on the vanity.
- Seek professional assistance for plumbing and electrical connections if unsure.

PRODUCT DETAILS AND COMPONENTS

The SOLIDEE 32-inch Bathroom Vanity is constructed from Eco-MDF wood, featuring a marble texture countertop and four drawers for organized storage. It includes soft-close doors and durable hardware.

Key Features:

- **Eco-MDF Wood Construction:** Durable and environmentally conscious material.
- **Marble Pattern Countertop:** Provides a timeless and elegant aesthetic.

- **Spacious Storage:** Features a large capacity cabinet with two tiers and four side drawers.
- **Soft-Close Doors:** Equipped with 304 stainless steel hinges for quiet operation.
- **Durable Hardware:** Zinc alloy handles and rust-proof alloy leg pads ensure longevity.

Dimensions:

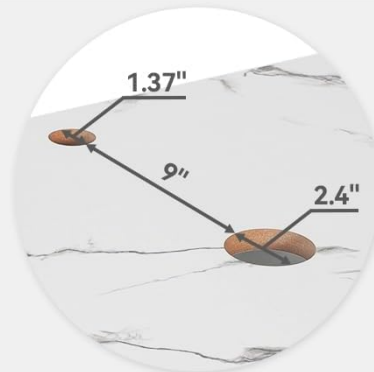

Figure 1: Overall dimensions of the vanity and individual drawer measurements.

- **Overall Vanity Size:** 19"D x 32"W x 31.5"H (32-inch measurement includes the countertop).
- **Drawer Size:** 7.3"D x 11.2"W x 3.3"H.

Components Overview:

Video 1: Step-by-step installation guide for the white vanity. This video demonstrates the assembly process, including attaching drawer slides and connecting panels.

General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and hardware. Refer to the parts list in your package to ensure everything is present.
2. **Assemble Frame:** Follow the alphanumeric labels on each panel to connect the main frame components

using the provided hardware.

3. **Install Drawer Slides:** Attach the drawer slides to the vanity frame and the drawer boxes as indicated in the instructions.
4. **Assemble Drawers:** Construct the four drawers and install them into the vanity frame.
5. **Attach Doors:** Secure the soft-close hinges to the cabinet doors and then attach the doors to the vanity frame.
6. **Install Handles:** Attach the zinc alloy handles to the drawers and cabinet doors.
7. **Place Countertop:** Carefully place the marble texture countertop onto the assembled vanity base.
8. **Leveling:** Adjust the alloy leg pads to ensure the vanity is stable and level on the floor.

For detailed visual guidance, please refer to the included instruction manual and the assembly video.

OPERATING INSTRUCTIONS

The SOLIDEE bathroom vanity is designed for functional storage and aesthetic appeal in your bathroom. It is intended to be paired with a sink of your choice (sink not included).

Usage:

- **Cabinet Storage:** The main cabinet area features two tiers for storing larger items such as towels, cleaning supplies, or toiletries. The soft-close doors prevent slamming.
- **Drawer Storage:** The four side drawers are ideal for organizing smaller items like cosmetics, brushes, or personal care products.
- **Countertop Use:** The marble texture countertop provides a surface for daily use, such as holding soap dispensers, toothbrushes, or decorative items. Ensure any sink placed on the countertop is properly sealed and secured.

Upgraded storage design provides more storage space

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your SOLIDEE bathroom vanity.

Cleaning:

- **General Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the marble texture countertop.
- **Hardware:** Periodically wipe down zinc alloy handles and stainless steel hinges with a dry cloth to maintain their luster.

Care:

- **Avoid Excessive Moisture:** While designed for bathroom use, prolonged exposure to standing water should be avoided. Ensure proper ventilation in the bathroom.
- **Protect Surfaces:** Use coasters or protective pads under hot items or items that could scratch the countertop.

- **Check Connections:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.

TROUBLESHOOTING

This section addresses common issues you might encounter with your bathroom vanity.

Common Issues and Solutions:

Problem	Possible Cause	Solution
Missing parts during assembly	Packaging error or lost during transit.	Contact SOLIDEE customer support with your purchase details and the specific missing part number.
Drawers do not slide smoothly	Improper installation of drawer slides or misalignment.	Recheck the installation of the drawer slides, ensuring they are level and correctly aligned. Lubricate slides if necessary.
Cabinet doors are misaligned	Hinges not properly adjusted or installed.	Adjust the screws on the 304 stainless steel hinges to align the doors. Refer to the hinge adjustment section in your detailed manual.
Vanity is wobbly or unstable	Uneven floor or loose leg pads.	Adjust the alloy leg pads to level the vanity. Ensure all assembly screws are tightened.
Countertop appears loose	Not properly secured or sealed.	Ensure the countertop is correctly seated. If using a vessel sink, ensure it is properly sealed with silicone caulk around the base to the countertop.
