4. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the device. Avoid liquid cleaners or abrasive materials.
- **Storage:** Store the player in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods.
- **Water Exposure:** This device is not waterproof. Avoid exposure to water or high humidity.

5. TROUBLESHOOTING

If you encounter issues with your Fockety MP3 MP4 Player, please refer to the following common solutions:

- **Device does not power on:** Ensure the battery is charged. Connect the player to a power source and try again. Check the ON/OFF switch is in the "ON" position.
- **Cannot hear audio:** Check the volume level. Ensure earphones are properly plugged in or Bluetooth device is connected and its volume is up. If using Bluetooth, ensure it's paired correctly.
- **Files not playing:** Verify that the file format is supported (e.g., MP3 for music, AMV for video, TXT for e-books). Corrupted files may not play.
- **Bluetooth pairing issues:** Ensure the player's Bluetooth is enabled and your external Bluetooth device is in pairing mode and within range. Remember, the player cannot pair with computers or phones.
- **Screen is unresponsive or frozen:** Try powering off the device and then powering it back on. If the issue persists, allow the battery to fully discharge and then recharge it.
