JEEOHEY 3-in-1 Convertible Sleeper Sofa Chair Bed with Phone Holder & USB Ports

JEEOHEY 3-in-1 Convertible Sleeper Sofa Chair Bed

Model: B0DMFF2JS2

User Instruction Manual

1. PRODUCT OVERVIEW

The JEEOHEY 3-in-1 Convertible Sleeper Sofa Chair Bed is designed for versatility and space-saving functionality. It seamlessly transitions between a comfortable armchair, a relaxing chaise lounge, and a single sleeper bed, making it ideal for various living spaces.

Key features include a 3-level adjustable backrest, integrated USB and Type-C charging ports, a rotatable phone holder, and practical cup holders. Side pockets provide convenient storage for small items.

2. PACKAGE CONTENTS

Before assembly, please ensure all components are present. Refer to the packing list provided with your product for a detailed inventory. Typically, the package includes:

- Sofa chair frame components
- Seat and back cushions
- Pillow
- Legs and hardware kit
- USB/Type-C charging module
- Rotatable phone holder
- Cup holders
- Auxiliary pull strap
- Assembly instructions

3. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate assembly guide

included in your package. Ensure all parts are securely fastened before use.

3.1 Important Notes Before Assembly:

- Read all instructions carefully before beginning.
- Clear a spacious area for assembly.
- Keep small parts out of reach of children.
- Do not overtighten screws during initial assembly; tighten fully once all components are aligned.

Image 2: This image highlights key product details including the thick, comfortable cushions, convenient side pockets for storage, and the auxiliary belt designed to assist in pulling out the sofa bed mechanism.

4. OPERATING INSTRUCTIONS

4.1 Converting Between Modes (3-in-1 Functionality):

The JEEOHEY Sleeper Sofa Chair Bed offers three primary configurations: Single Sofa Chair, Chaise Lounge, and Sleeper Bed.

1. **Single Sofa Chair:** In its most compact form, the unit functions as a comfortable armchair. Ensure the pull-out section is fully retracted and the backrest is in an upright position.
2. **Chaise Lounge:** To convert to a chaise lounge, gently pull the auxiliary strap located at the front of the seat. This will extend the footrest section. Adjust the backrest to your desired reclining angle (see Section 4.2).
3. **Sleeper Bed:** To fully convert to a sleeper bed, extend the footrest section completely using the auxiliary strap. Ensure the backrest is fully reclined to a flat (180°) position.

Image 3: This diagram visually explains the 3-in-1 functionality, showing how the unit transforms from a compact single sofa chair to an extended chaise lounge, and finally to a flat sleeper sofa bed.

Image 4: The JEEOHEY Convertible Sleeper Sofa Chair Bed in its single sofa chair configuration, ready for use as a compact seating option.

Image 5: The JEEOHEY Convertible Sleeper Sofa Chair Bed in its chaise lounge configuration, providing an extended surface for relaxation.

Image 6: The JEEOHEY Convertible Sleeper Sofa Chair Bed fully extended into a sleeper bed, offering a flat sleeping surface.

4.2 Adjusting the Backrest:

The backrest can be adjusted to three different angles to suit your comfort needs:

- **110°:** Upright seating position, suitable for reading or working.
- **140°:** Relaxed reclining position, ideal for watching TV or casual lounging.
- **180°:** Fully flat position, for use as a sleeper bed.

To adjust, gently push the backrest forward slightly, then recline it to the desired angle. You will feel it lock into place at each preset position.

Image 7: This diagram illustrates the three adjustable backrest positions (110°, 140°, 180°) and their suitability for various activities like playing games, watching TV, reading, or napping.

4.3 Using USB/Type-C Charging Ports:

Located on the right armrest, the sofa chair features one USB-A port and one USB-C port. Connect your compatible devices using their respective charging cables to power them while you relax.

4.4 Using the Rotatable Phone Holder:

The adjustable phone holder, also on the right armrest, allows you to position your smartphone for hands-free viewing. Adjust the arm and angle to achieve optimal viewing comfort.

4.5 Using the Cup Holders and Side Pockets:

Two integrated cup holders are provided for beverages. The side pockets are suitable for storing magazines, books, remote controls, or glasses, keeping essentials within easy reach.

Image 8: This image provides a detailed look at the convenience features: the USB and Type-C charging ports, the flexible rotatable mobile phone holder, and the built-in cup holder.

5. MAINTENANCE AND CARE

- **Cleaning:** For general cleaning, gently vacuum the velvet fabric with a soft brush attachment. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for velvet, testing on an inconspicuous area first.
- **Frame:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the fabric.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 300 lbs to prevent damage to the frame and mechanism.

6. TROUBLESHOOTING

- **Difficulty Converting:** Ensure no obstructions are present in the conversion mechanism. Apply gentle, even pressure when pulling the auxiliary strap. If the mechanism feels stiff, check for any loose components or debris.
- **Backrest Not Locking:** Ensure the backrest is pushed slightly forward before reclining to engage the locking mechanism. If it still doesn't lock, inspect the internal ratcheting mechanism for any visible damage or obstruction.
- **USB Ports Not Charging:** Verify that the power cable for the USB module is securely connected. Test with multiple devices and cables to rule out device-specific issues. Ensure the power source is active.
- **Unstable Feel:** Check all assembly bolts and screws, especially those connecting the legs and frame. Tighten any loose fasteners. Ensure the product is placed on a flat, even surface.

7. SPECIFICATIONS

Brand	JEEOHEY
Model Number	B0DMFF2JS2
Material	Velvet Fabric, Metal Frame, Foam Filled, Solid Wood
