Seville Classics OFF64802B

Seville Classics airLIFT® Height Adjustable Mobile Rolling Laptop Cart Desk User Manual

Model: OFF64802B

Product Overview

The Seville Classics airLIFT® Height Adjustable Mobile Rolling Laptop Cart Desk is designed to provide a versatile and ergonomic workspace. Its pneumatic height adjustment mechanism allows for seamless transitions between sitting and standing positions, promoting improved productivity and comfort. The desk features a sturdy steel frame and a durable MDF tabletop, supported by smooth-rolling caster wheels for easy mobility.

dimensions of 25.6" W x 18.9" D. Also highlights the 3.75" clearance for rolling under furniture.

Setup and Assembly

The Seville Classics airLIFT® Desk is designed for straightforward assembly. While some components may come pre-assembled, refer to the included assembly instructions for detailed steps. Typically, assembly involves attaching the desktop to the pneumatic column and securing the base with the caster wheels.

Required Tools:

- Screwdriver (not included)

Assembly Tips:

- Ensure all parts are present before beginning assembly. Refer to the parts list in your physical manual.
- Assemble on a soft, clean surface to prevent scratching the desktop or frame.
- It is recommended for one person to assemble the desk.
- Tighten all screws securely, but do not overtighten.

Operating Instructions

Adjusting Height:

The desk features a pneumatic lever for effortless height adjustment. To raise or lower the desktop:

1. Locate the pneumatic lever positioned under the right side of the desktop.
2. To raise the desk, gently lift the lever while applying slight upward pressure on the desktop. The desk will rise smoothly. Release the lever at the desired height.
3. To lower the desk, gently lift the lever while applying downward pressure on the desktop. The desk will descend smoothly. Release the lever at the desired height.

Figure 3: Close-up view of the pneumatic lever located under the desktop, used for adjusting the desk's height. This lever allows for smooth and easy transitions between sitting and standing positions.

Mobility and Locking Wheels:

The desk is equipped with four 2.5-inch diameter caster wheels for easy movement. Two of these wheels feature locking mechanisms to secure the desk in place.

- To move the desk, ensure both locking caster wheels are disengaged.
- To secure the desk, press down on the lever located on the two locking caster wheels until they click into place.
- To unlock, lift the lever on the caster wheels.

Maintenance and Care

Proper maintenance ensures the longevity and optimal performance of your Seville Classics airLIFT® Desk.

- **Cleaning:** Wipe the desktop and frame with a dry, soft cloth. For stubborn marks, a slightly damp cloth with mild soap can be used, followed by immediate drying. Avoid abrasive cleaners or harsh chemicals.
- **Pneumatic System:** The pneumatic cylinder is maintenance-free. Do not attempt to disassemble or lubricate it.
- **Caster Wheels:** Periodically check the caster wheels for any debris (e.g., hair, lint) that might impede smooth rolling. Clean as necessary.
- **Fasteners:** Occasionally check all screws and bolts to ensure they remain tight. Retighten if necessary.

Troubleshooting

This section addresses common issues you might encounter with your airLIFT® Desk.

Problem	Possible Cause	Solution
Desk does not adjust height smoothly.	Pneumatic lever not fully engaged or released.	Ensure the lever is fully pressed or released during adjustment. Apply consistent pressure (up or down) on the desktop.
Desk wobbles or is unstable.	Loose fasteners; uneven floor; caster wheels not locked.	Check and tighten all assembly screws. Ensure the desk is on a level surface. Lock the caster wheels when the desk is stationary.
Caster wheels do not roll freely.	Debris caught in wheels; wheels are locked.	Inspect wheels for hair or debris and remove. Ensure locking mechanisms are disengaged.

If you encounter issues not listed here or if the suggested solutions do not resolve the problem, please contact Seville Classics customer support.

Safety Information

- Always keep the desk on a stable surface.
- Use the locking caster wheels to prevent unintended movement when the desk is stationary.
- Be cautious when adjusting the desk height using the pneumatic lever to avoid injury. Keep hands and fingers clear of moving parts.
- Do not overload the desk beyond its maximum weight capacity of 35 lbs.
- Do not allow children to play on or around the desk, especially during height adjustment.

Warranty and Support

Warranty Information:

This Seville Classics airLIFT® Desk comes with a limited warranty. Please refer to the warranty details provided with your product packaging or visit the official Seville Classics website for more information regarding coverage and terms.

Customer Support:

For assistance with assembly, operation, troubleshooting, or warranty claims, please contact Seville Classics customer support. Contact information can typically be found on the product packaging or the manufacturer's official website.
