Shad SH38X

Shad SH38X Expandable Inner Case User Manual

Model: SH38X

INTRODUCTION

The Shad SH38X Expandable Inner Case is designed to complement your SH38X motorcycle side cases, offering a convenient and secure way to transport your belongings. This inner bag is expandable, providing additional capacity when needed, and is suitable for carrying items such as an XL modular helmet. It features multiple carrying options for ease of use both on and off your motorcycle.

SAFETY INFORMATION

- Ensure the inner case is properly secured within the SH38X side case before riding.
- Do not exceed the maximum load capacity of 3 kg for the inner case.
- Distribute weight evenly to maintain motorcycle stability.
- Avoid placing sharp objects directly against the fabric without protection to prevent damage.

PACKAGE CONTENTS

Verify that all components are present in the package:

- 1 x SH38X Expandable Inner Case
- 1 x Shoulder strap

SETUP AND INSTALLATION

The SH38X inner case is designed for easy placement and removal from your SH38X motorcycle side case.

1. **Open the SH38X Side Case:** Ensure your motorcycle's SH38X side case is open and empty.
2. **Insert the Inner Case:** Carefully place the SH38X inner case into the side case. The shape of the inner case is designed to fit snugly within the side case.
3. **Secure Contents (Optional):** If the inner case has internal adjustment straps, use them to secure your items inside the bag before closing the inner case.

4. **Close Side Case:** Close and lock your SH38X side case as per its own instructions.

Image: The SH38X Expandable Inner Case shown open, revealing its interior with a mesh pocket and the "INNER SERIES / SHAD" branding. The case is positioned within the lower half of a motorcycle side case, demonstrating how it fits.

OPERATING INSTRUCTIONS

Expanding the Inner Case

The SH38X inner case features an expandable design to increase its capacity from 17L to 20L.

1. **Locate Expansion Zipper:** Identify the zipper running along the perimeter of the inner case, which controls its expansion.
2. **Unzip for Expansion:** Unzip this perimeter zipper to expand the case, increasing its depth and overall volume.
3. **Zip for Compact Size:** Zip the perimeter zipper to return the case to its compact size.

Carrying Options

The inner case offers two convenient ways for transportation:

- **Shoulder Strap:** Attach the included shoulder strap to the designated D-rings or loops on the inner case for hands-free carrying.
- **Handgrip:** Use the integrated handgrip for short-distance carrying.

MAINTENANCE

- **Cleaning:** Wipe the exterior with a damp cloth and mild soap if necessary. Do not use harsh chemicals or abrasive cleaners.
- **Drying:** Allow the inner case to air dry completely before storing or reusing. Do not machine wash or tumble dry.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.

TROUBLESHOOTING

Case does not fit properly in side case:

- Ensure the inner case is not overfilled, especially if expanded.
- Verify that the inner case is oriented correctly within the side case.

Zipper is stiff or stuck:

- Check for any fabric caught in the zipper teeth.
- Apply a small amount of zipper lubricant or wax to ease movement.
