## SETUP AND PAIRING

---

### Initial Pairing

1. Ensure the earbuds are charged. Open the charging case.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices.
4. Select "RS-55" from the list of devices to pair.
5. Once connected, a confirmation sound will play, and the LED indicator on the earbuds will change.

Video: Demonstrates the unboxing and Bluetooth pairing process for H'MASTON RS53 UP earbuds, which share similar pairing steps with the RS-55 model.

### Automatic Reconnection

After initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case and Bluetooth is enabled on the device.

## OPERATING INSTRUCTIONS

### Touch Controls

The earbuds feature touch-sensitive controls for various functions:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant:** Triple tap on either earbud.
- **Volume Up:** Press and hold the right earbud.
- **Volume Down:** Press and hold the left earbud.

### Reverse Charging Function

The charging case features a reverse charging function, allowing it to act as a portable power bank. Connect your mobile phone or other compatible device to the USB-A port on the charging case to charge it

in emergencies.

## FEATURES

- **High-Fidelity Sound Quality:** Equipped with Bluetooth 5.3 for a stable and fast connection, delivering high-quality audio.
- **ENC Environmental Noise Cancellation:** Provides clear calls and music in noisy environments.
- **LED Digital Display:** The charging case features a digital LED display showing the battery status of both the case and individual earbuds.

## MAINTENANCE

- Clean the earbuds and charging case regularly with a soft, dry cloth.
- Avoid using abrasive cleaners or solvents.
- Ensure the charging contacts on the earbuds and inside the case are clean and dry before charging.
- Store the earbuds in their charging case when not in use to protect them and maintain battery life.
- Avoid exposing the product to extreme temperatures or direct sunlight for extended periods.

## TROUBLESHOOTING

Problem	Solution
Earbuds do not turn on.	Ensure the earbuds are charged. Place them in the charging case and check the LED display.
Cannot pair with device.	Ensure Bluetooth is enabled on your device. Make sure the earbuds are in pairing mode (usually indicated by a flashing LED). Forget the device from your phone's Bluetooth settings and try pairing again. Ensure the earbuds are within the 10-meter operating range.
No sound or low volume.	Check the volume levels on both your device and the earbuds. Ensure the earbuds are properly connected to your device. Try resetting the earbuds (refer to manufacturer's specific reset instructions if available, otherwise place back in case and remove).
Earbuds frequently disconnect.	Ensure there are no obstructions between the earbuds and your device. Stay within the recommended Bluetooth range (10 meters). Check for interference from other wireless devices.
