# Laura Ashley Summer Palace Window Curtains

Instruction Manual

## INTRODUCTION

The Laura Ashley Summer Palace Window Curtains are designed to enhance your living space with beauty and functionality. This 2-panel set features a sheer fabric with a beautiful floral and bird motif, allowing soft, natural light to illuminate your space while maintaining privacy. These curtains are suitable for various rooms and are made from easy-care polyester for minimal upkeep.

## SAFETY INFORMATION

### WARNING:

- Keep away from heat sources to prevent fire hazards.
- Keep cords (if any) out of reach of children and pets to prevent strangulation risks.

## SETUP

These curtains feature a convenient rod pocket for simple and secure installation.

1. **Prepare Your Window:** Ensure your window area is clean and free of obstructions.
2. **Install Curtain Rod:** Install a curtain rod (not included) above your window. The rod pocket measures 1.5 inches in diameter, so ensure your rod is compatible.
3. **Thread Curtains:** Carefully slide the curtain rod through the rod pocket of each curtain panel.
4. **Position Curtains:** Once both panels are threaded, position them evenly on the rod. Adjust the gathers for your desired look.

## OPERATING

These sheer curtains are designed to provide a balance of natural light and privacy.

- **Light Filtering:** The sheer fabric allows soft, diffused natural light to enter your room, creating a bright and airy ambiance.
- **Privacy:** While allowing light, the curtains also offer a degree of privacy, making them suitable for various living spaces.
- **Adjusting Light and View:** You can adjust the curtains by sliding them along the rod to control the amount of light and view desired. For a more decorative look, the curtains can be tied back using a tie-back (not included).

## Maintenance

These curtains are made from easy-care polyester for convenient cleaning.

- **Machine Wash:** Machine wash cold on a gentle cycle.
- **Detergent:** Use a mild detergent. Do not bleach.
- **Drying:** Tumble dry low heat. Remove promptly to prevent wrinkles.
- **Ironing:** If necessary, iron on a low setting.

## Troubleshooting

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Curtains appear wrinkled.	Improper drying or storage.	Tumble dry on low heat and remove promptly. If wrinkles persist, iron on a low setting.
Curtains do not hang evenly.	Rod not level or panels not evenly distributed.	Ensure curtain rod is level. Adjust the gathers of the curtain panels evenly across the rod.
Fabric appears damaged after washing.	Harsh detergents, high heat, or improper wash cycle.	Always follow care instructions: machine wash cold, gentle cycle, mild detergent, tumble dry low.
