TreasureCave IQibla Smart Zikr Ring User Manual

MODEL: I6KLW84V5M9D264626VJBV188MNNRE

1. Introduction

The TreasureCave IQibla Smart Zikr Ring is a wearable digital counter and prayer reminder designed to assist users in their daily spiritual practices. This smart ring features an OLED display, vibration reminders, and connectivity to a companion application for prayer time notifications. This manual provides essential information for setting up, operating, and maintaining your Smart Zikr Ring.

2. Package Contents

Verify that all items are present in your product package:

- 1 x IQibla Smart Zikr Ring
- 1 x Charging Cable

Image 2: Contents of the package, including the Smart Zikr Ring and its charging cable.

3. Setup

3.1 Initial Charging

1. Connect the provided charging cable to the charging port on the Smart Zikr Ring.
2. Plug the other end of the cable into a standard USB power adapter (not included) or a computer's USB port.
3. Charge the ring until the battery indicator on the OLED display shows a full charge. A full charge typically provides up to three days of normal usage.

3.2 App Connection

1. Download the companion application for the IQibla Smart Zikr Ring from your device's app store. Search for "IQibla" or refer to the QR code in the product packaging for direct download.
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the IQibla app and follow the on-screen instructions to pair your Smart Zikr Ring via Bluetooth.

3.3 Initial Configuration

Once connected to the app, configure the following settings:

- **Prayer Times:** Set your local prayer times within the app to enable the ring's prayer time reminders.
- **Time and Date:** The ring's time and date will synchronize automatically with your smartphone.

4. Operating Instructions

4.1 Digital Counter

The Smart Zikr Ring functions as a digital tasbeeh counter:

- Press the button located on the side of the ring to increment your count.
- The OLED display will show your current count.
- The ring will vibrate when your count reaches 33, 66, 99, or 100, providing tactile feedback without requiring you to look at the display.

Image 3: Demonstrating the use of the digital counter button on the ring.

4.2 OLED Display

The built-in 0.49-inch OLED display provides clear visibility of essential information:

- **Current Count:** Displays the number of repetitions.
- **Time:** Shows the current time.
- **Prayer Reminders:** Indicates upcoming prayer times.

4.3 Prayer Time Reminders

The Smart Zikr Ring helps you maintain a consistent prayer routine:

- The ring synchronizes with the companion app to receive five daily prayer time alerts.
- At the designated prayer times, the ring will vibrate to notify you, ensuring you do not miss your prayers.

5. Maintenance

5.1 Cleaning

To clean your Smart Zikr Ring, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the ring's finish or electronic components.

5.2 Water Resistance

The Smart Zikr Ring is designed to be waterproof for daily use, such as hand washing or light rain exposure. However, it is not recommended for swimming, showering, or prolonged submersion in water, as this may compromise its water resistance.

5.3 Battery Care

To prolong the battery life of your ring:

- Avoid fully discharging the battery frequently.
- Store the ring in a cool, dry place when not in use.
- Charge the ring regularly, even if not used daily, to maintain battery health.

6. Troubleshooting

- **Ring not charging:** Ensure the charging cable is securely connected to both the ring and the power source. Try a different USB port or power adapter.
- **Display not working:** Recharge the ring. If the issue persists after charging, attempt to restart the ring (if a restart function is available, otherwise contact support).
- **App connectivity issues:** Verify that Bluetooth is enabled on your smartphone and the IQibla app is open. Ensure the ring is sufficiently charged. Try unpairing and re-pairing the device in your phone's Bluetooth settings.
- **Vibration not working:** Check the settings within the IQibla app to ensure vibration alerts are enabled. Confirm the ring has adequate battery charge.
- **Inaccurate counting:** Ensure the button is pressed firmly and deliberately for each count. Avoid rapid or partial presses.

7. Specifications

Feature	Detail
Model Number	I6KLW84V5M9D264626VJBV188MNNRE
Material	ABS
Available Sizes	18mm, 20mm, 22mm
Battery Capacity	40mAH
Battery Life	Up to 3 days (normal usage)
Display Type	0.49-inch OLED
Connectivity	Bluetooth
Product Dimensions (L x W x H)	3.15 x 3.15 x 1.97 inches (packaging)
Item Weight	70 Grams (2.47 ounces)
Water Resistance	Waterproof for daily use (e.g., hand washing)

8. Warranty and Support

For warranty information, technical support, or any inquiries regarding your TreasureCave IQibla Smart Zikr Ring, please refer to the contact details provided with your purchase or visit the official TreasureCave website. Keep your proof of purchase for warranty claims.
