SAFETY INFORMATION

All foam and upholstered surfaces meet flammability standards. To ensure safety and longevity of your sofa, please observe the following:

- Keep the sofa away from open flames or high heat sources.
- Supervise children and pets to avoid entrapment risks within the sofa structure.
- Do not exceed the maximum weight limit of 650 pounds.

SETUP AND ASSEMBLY

The JUMMICO U-Shaped Sectional Sofa is designed for easy assembly. It can typically be assembled within 20 minutes by following the included instructions. All necessary assembly tools are provided.

Packaging: The sofa is shipped in 3 separate boxes. Please ensure all boxes have arrived before beginning assembly. Components for each section are packed within their respective boxes.

Tools Required: A screwdriver is recommended for assembly, though all necessary tools are included.

Assembly Steps:

1. Unpack all components from the 3 boxes. Verify all parts are present against the packing list.
2. Attach the furniture legs to the base of each sofa section. Ensure they are securely tightened.
3. Connect the individual sofa sections using the provided component connectors. Align the sections carefully and

secure them.

4. Place the seat cushions and back cushions onto the sofa frame.
5. Arrange the included throw pillows as desired.

TROUBLESHOOTING

If you encounter any issues with your JUMMICO Sectional Sofa, please refer to the following common solutions:

- **Wobbly Sections:** Ensure all component connectors between sections are securely fastened. Check that all furniture legs are tightly screwed in.
- **Cushion Flatness:** Over time, cushions may compress. Regularly fluff and rotate them to restore their shape. If needed, additional foam or stuffing can be added to back cushions for increased fullness.
- **Fabric Pilling:** Minor pilling can occur with normal use. This can be removed with a fabric shaver.
