T4TREAM FPSC6DRSC-DWT

T4TREAM Fluted 6-Drawer Dresser User Manual

Brand: T4TREAM | Model: FPSC6DRSC-DWT

Introduction

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your T4TREAM Fluted 6-Drawer Dresser. Please read these instructions carefully before beginning assembly or use to ensure safe and proper functionality of your furniture.

Setup and Assembly

The T4TREAM Fluted 6-Drawer Dresser is designed for straightforward assembly. All components are meticulously labeled with serial numbers, and a pack of spare hardware is included to prevent any loss during the process. Typically, two adults can easily complete the assembly.
Before starting, ensure you have adequate space and all parts are accounted for. Follow the step-by-step instructions provided in the included assembly guide. It is recommended to assemble the dresser on a soft, clean surface to prevent scratches.

For enhanced stability and safety, feet metal plates are included to prevent the furniture from tipping over. Ensure these are properly installed as per the assembly instructions.

Operating and Features

The T4TREAM Fluted 6-Drawer Dresser combines timeless elegance with modern chic, featuring a distinctive wave-like fluted panel design and smooth curved edges. Its dark walnut veins complement the overall aesthetic, providing both style and a safe environment.

This versatile dresser measures 54"W × 15.75"D × 32"H, offering ample storage and display possibilities. The spacious tabletop can be used to showcase decorative items, while the six smooth-glide drawers provide efficient organization for various belongings.

Product Dimensions

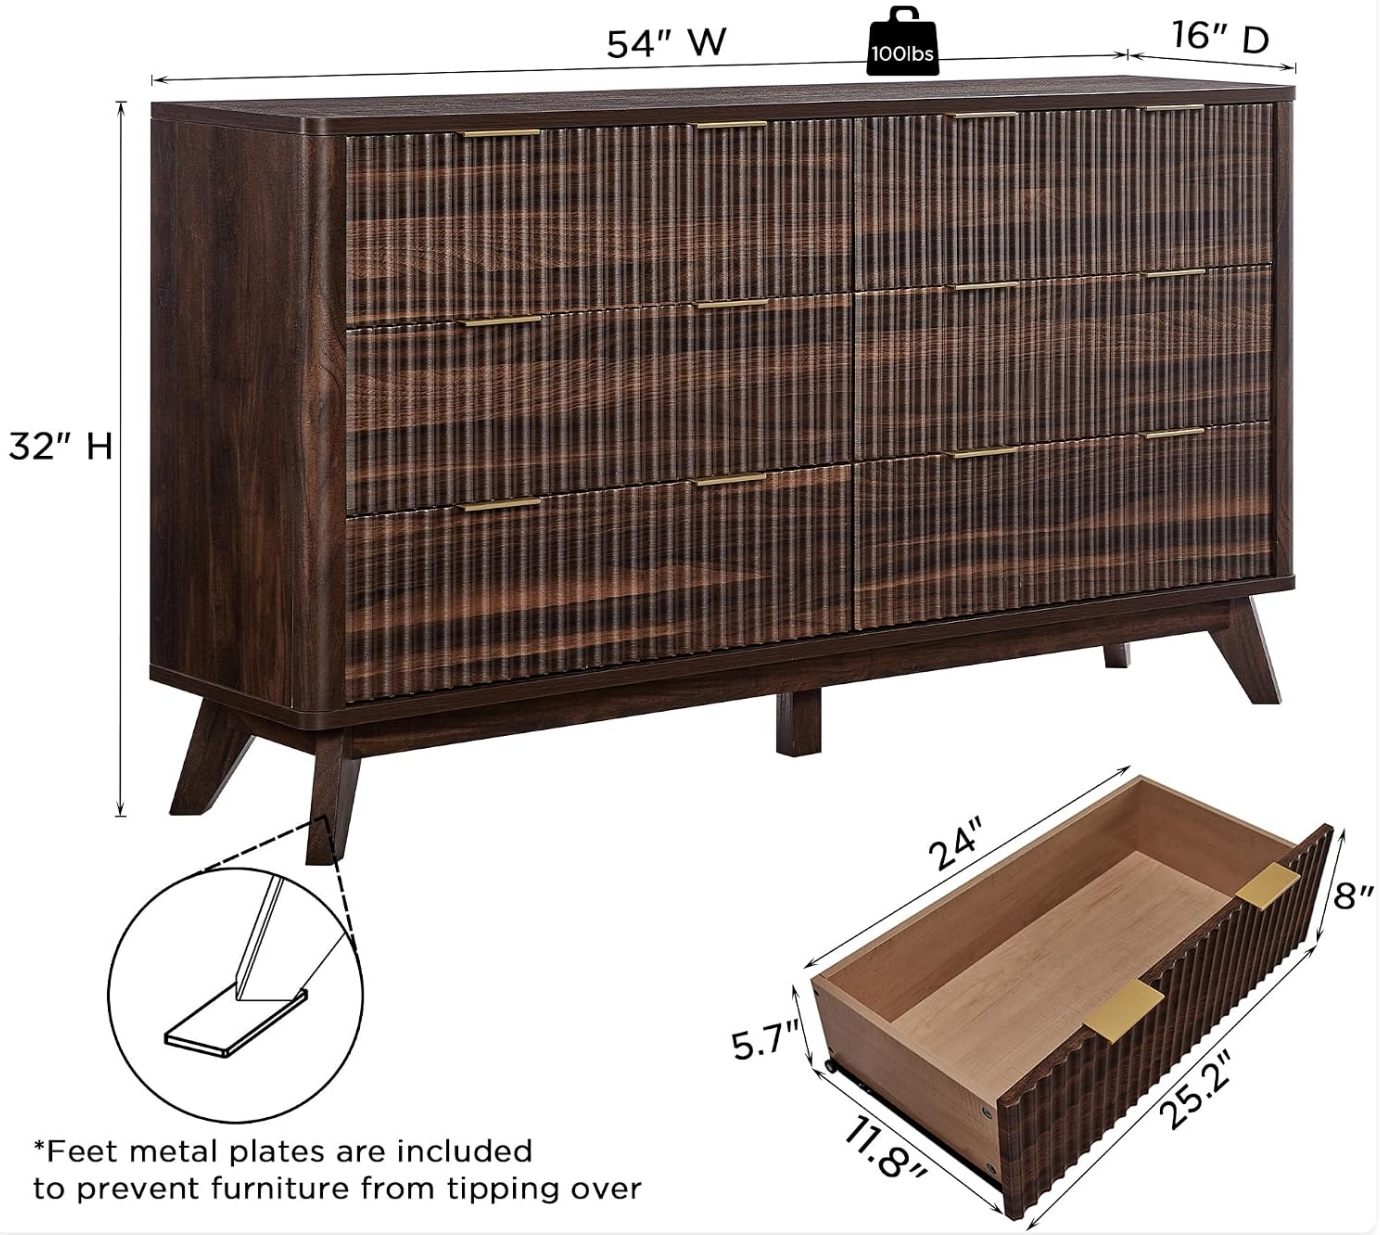

Image: Detailed product dimensions (16"D x 54"W x 32"H) and drawer measurements, illustrating the dresser's size and internal capacity.

The drawers are designed for smooth sliding, ensuring easy access to your items. Each drawer can store approximately 20-25 T-shirts or 15-20 pairs of jeans, making it ideal for organizing clothing, bedding, cosmetics, and jewelry.

This dresser is suitable for various room types, including bedrooms, living rooms, hallways, and entryways, providing functional storage and enhancing the decor.

Maintenance

Constructed from FSC-Certified wood, optimal MDF, P2 engineered wood, and coated metal pulls, this dresser is built for durability. The fluted panel utilizes blister molding technology, which not only provides an exquisite texture but also ensures long-lasting durability, water resistance, and easy maintenance.
To clean the dresser, simply wipe it with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish. The cabinet's stability is further reinforced by a steel support at the base, guaranteeing a reliable and sturdy piece of furniture.

Troubleshooting

If you encounter any issues during assembly or use, please refer to the detailed assembly instructions. Ensure all screws and connections are tightened securely. For any concerns regarding damaged parts upon arrival, rest assured that the packaging, including Styrofoam sheets and protective boards, is designed to prevent damage. If the box appears damaged, the item inside is likely protected.
For further assistance or specific troubleshooting steps not covered in this manual, please contact T4TREAM customer support.

Specifications

Brand: T4TREAM

Model Name: FPSC6DRSC-DWT
