CHOEZON TPR08BFC1

CHOEZON Hanging Pot Rack Instruction Manual

Model: TPR08BFC1 | Brand: CHOEZON

INTRODUCTION

This manual provides detailed instructions for the assembly, installation, operation, and maintenance of your CHOEZON Hanging Pot Rack. Designed to optimize kitchen space, this ceiling-mounted organizer offers convenient storage for your cookware. Please read these instructions carefully before beginning installation to ensure safe and proper use.

PACKAGE CONTENTS

Please verify that all components are present before assembly:

- 1 x Pot Rack Frame (Rustic Brown and Black)
- 1 x Metal Mesh Shelf
- 12 x S-Shaped Hooks
- 2 x Hanging Chains (50cm/19.7" each)
- Mounting Hardware (screws, anchors, etc. - specific types may vary)

Image: All components of the CHOEZON Hanging Pot Rack, including the main frame, mesh shelf, S-hooks, and chains.

SETUP AND INSTALLATION

Before You Begin

- **Safety First:** Ensure the installation area is clear and stable. It is recommended to have a second person assist with installation.
- **Locate Ceiling Joists:** The pot rack must be securely mounted into ceiling joists or appropriate structural supports. Do not mount directly into drywall without proper anchors.
- **Tools Required:** Drill, stud finder, measuring tape, pencil, screwdriver, safety glasses.

Installation Steps

1. **Assemble the Rack:** Connect the main frame components if not pre-assembled. Ensure the metal mesh shelf is securely placed within the frame.
2. **Determine Placement:** Position the pot rack in your desired location, ideally over a kitchen island or counter. Use a measuring tape to ensure it is centered and at a suitable height. Mark the ceiling where the hanging chains will attach.
3. **Locate Ceiling Joists:** Use a stud finder to locate the ceiling joists at your marked points. The mounting hardware must be drilled into these joists for maximum stability and weight support.

4. **Install Ceiling Hooks:** Drill pilot holes into the center of the located ceiling joists. Securely screw the provided ceiling hooks into these pilot holes until they are firmly seated.
5. **Attach Chains:** Connect one end of each hanging chain to the pot rack frame.
6. **Hang the Rack:** With assistance, carefully lift the pot rack and attach the other end of the chains to the installed ceiling hooks. Adjust the chain length to achieve the desired hanging height. Ensure the rack is level.
7. **Add S-Hooks:** Distribute the 12 S-shaped hooks along the bottom bars of the pot rack. These hooks are detachable and can be repositioned as needed.

OPERATING INSTRUCTIONS

Once installed, the CHOEZON Hanging Pot Rack is ready for use. It is designed to hold a variety of cookware, including pots, pans, and utensils.

- **Hanging Cookware:** Use the provided S-hooks to hang pots, pans, and other kitchen tools from the bottom bars of the rack. Distribute weight evenly for optimal stability.
- **Shelf Storage:** The metal mesh shelf on top can be used to store pot lids, smaller pots, cookbooks, or other kitchen essentials.
- **Weight Capacity:** The rack is designed to hold up to 50 lbs (22.7 kg). Do not exceed this weight limit to prevent damage or injury.

MAINTENANCE

To ensure the longevity and appearance of your pot rack, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the metal and engineered wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Regular Inspection:** Periodically check all mounting hardware and chain connections to ensure they remain

tight and secure.

- **Rust Prevention:** Keep the rack dry to prevent rust, especially on metal components.

TROUBLESHOOTING

If you encounter any issues with your pot rack, consider the following:

- **Rack is not level:** Check the chain lengths and adjust them as necessary to ensure the rack hangs evenly. Verify that the ceiling hooks are installed at the same height.
- **Rack feels unstable:** Re-check all mounting hardware to ensure it is securely fastened into ceiling joists. Ensure the total weight of items on the rack does not exceed the 50 lb capacity.
- **S-hooks slide too easily:** The S-hooks are designed to be detachable. If they are too loose, ensure they are correctly positioned on the rack's bars.

SPECIFICATIONS

Model Number	TPR08BFC1
Brand	CHOEZON
Material	Engineered Wood, Metal
Color	Rustic Brown and Black
Product Dimensions (L x W x H)	31.5" x 15.7" x 13" (80cm x 40cm x 33cm)
Shelf Weight Capacity	50 lbs (22.7 kg)
Item Weight	9.02 lbs (4.09 kg)
Mounting Type	Ceiling Mount
Number of S-Hooks	12
