6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your JUMMICO Sectional Couch.

Figure 4: The couch is constructed with breathable soft corduroy, high-density sponge, and a solid wood frame.

- **Cushion Covers:** The seat and back cushion covers are removable and machine washable. Use a gentle cycle with cold water and mild detergent. Air dry or tumble dry on low heat. Do not bleach.
- **Spot Cleaning:** For small spills, blot immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain. Use a mild fabric cleaner if necessary, testing on an inconspicuous area first.
- **Vacuuming:** Regularly vacuum the couch using a soft brush attachment to remove dust and debris.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position the couch away from direct sun exposure or use curtains/blinds.
- **Rotate Cushions:** Periodically rotate and fluff cushions to ensure even wear and maintain their shape.
- **Frame Care:** Wipe the frame and legs with a soft, damp cloth. Avoid harsh chemicals.
