T4TREAM FPSC5DRSC-DGY

T4TREAM Fluted 5 Drawers Dresser Instruction Manual

Model: FPSC5DRSC-DGY

1. Introduction

Thank you for choosing the T4TREAM Fluted 5 Drawers Dresser. This manual provides essential information for the safe assembly, proper use, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. Safety Information

To ensure safe use and prevent injury or damage, please adhere to the following safety guidelines:

- **Two-Person Assembly:** This dresser is heavy (approximately 120 pounds) and requires two adults for safe assembly and movement.
- **Anti-Tip Kit:** Always install the included anti-tip kit to securely anchor the dresser to a wall. This is crucial to prevent tipping, especially in households with children or pets.
- **Stable Placement:** Place the dresser on a flat, level, and stable surface. Uneven surfaces can compromise stability.
- **Weight Distribution:** Distribute weight evenly across drawers. Avoid placing excessively heavy items in a single drawer or on the top surface.
- **Drawer Safety:** Do not allow children to climb on or play with the drawers. The smooth curved edges are designed for safety, but supervision is always recommended.

- **Material Handling:** Be mindful of sharp edges or pinch points during assembly.

3. Package Contents

Before beginning assembly, verify that all components and hardware are present and undamaged. Each part is meticulously labeled with serial numbers for easy identification. A pack of spare hardware is included in case of loss during assembly.
While a detailed list of every screw and dowel is not provided here, typical contents include:

- Dresser panels (side panels, back panel, top, bottom)
- Drawer components (fronts, sides, backs, bottoms)
- Drawer slides
- Legs and associated mounting hardware
- Handles
- Anti-tip kit
- Assembly hardware (screws, dowels, cam locks, etc.)
- Assembly instructions manual

4. Setup (Assembly Instructions)

Assembly of the T4TREAM Fluted 5 Drawers Dresser is designed to be straightforward. Follow the detailed, user-friendly instructions provided in the physical manual included with your product. Two adults are recommended for efficient and safe assembly.

General Assembly Steps:

1. **Prepare Workspace:** Clear a spacious area, preferably carpeted or with a protective covering, to prevent scratches to the furniture and floor.
2. **Identify Parts:** Lay out all components and hardware. Match them with the labeled diagrams in your instruction manual.
3. **Assemble Frame:** Begin by assembling the main frame of the dresser according to the step-by-step diagrams. Ensure all connections are secure.
4. **Install Drawer Slides:** Attach the drawer slides to the dresser frame and to the drawer boxes as indicated. Ensure they are level and aligned for smooth operation.
5. **Assemble Drawers:** Construct the five drawer boxes. Pay attention to the orientation of the fluted drawer fronts.
6. **Attach Legs:** Securely attach the splayed legs to the base of the dresser. The innovative steel support at the base reinforces stability.
7. **Insert Drawers:** Carefully slide the assembled drawers into their respective slots.
8. **Install Handles:** Attach the chic metal handles to the drawer fronts.
9. **Install Anti-Tip Kit:** This is a critical safety step. Securely fasten the anti-tip device to the back of the dresser and to a wall stud using appropriate hardware.

5. Operating (Usage)

The T4TREAM Fluted 5 Drawers Dresser is designed for versatile storage in various home environments. Its five smooth-glide drawers provide efficient organization for a wide range of items.

Storage Capacity:

- Each drawer measures 27.2"W × 12"D × 8"H, offering ample space.
- Ideal for stowing clothing, bedding, cosmetics, jewelry, and other personal items.

Placement Recommendations:

This dresser is suitable for use in multiple spaces, including:

- Bedroom

- Living Room
- Hallway
- Entryway
- Home Office

6. Maintenance and Care

Proper care will ensure the longevity and appearance of your T4TREAM dresser.

- **Cleaning:** Wipe the dresser surfaces with a dry cloth. For tougher spots on the faux marble top, a slightly damp cloth can be used, followed immediately by drying. Avoid abrasive cleaners or harsh chemicals.
- **Faux Marble Top:** The melamine veneer faux marble top is designed for water resistance and easy maintenance. However, promptly wipe up any spills to prevent potential staining or damage.

- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration over time.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.

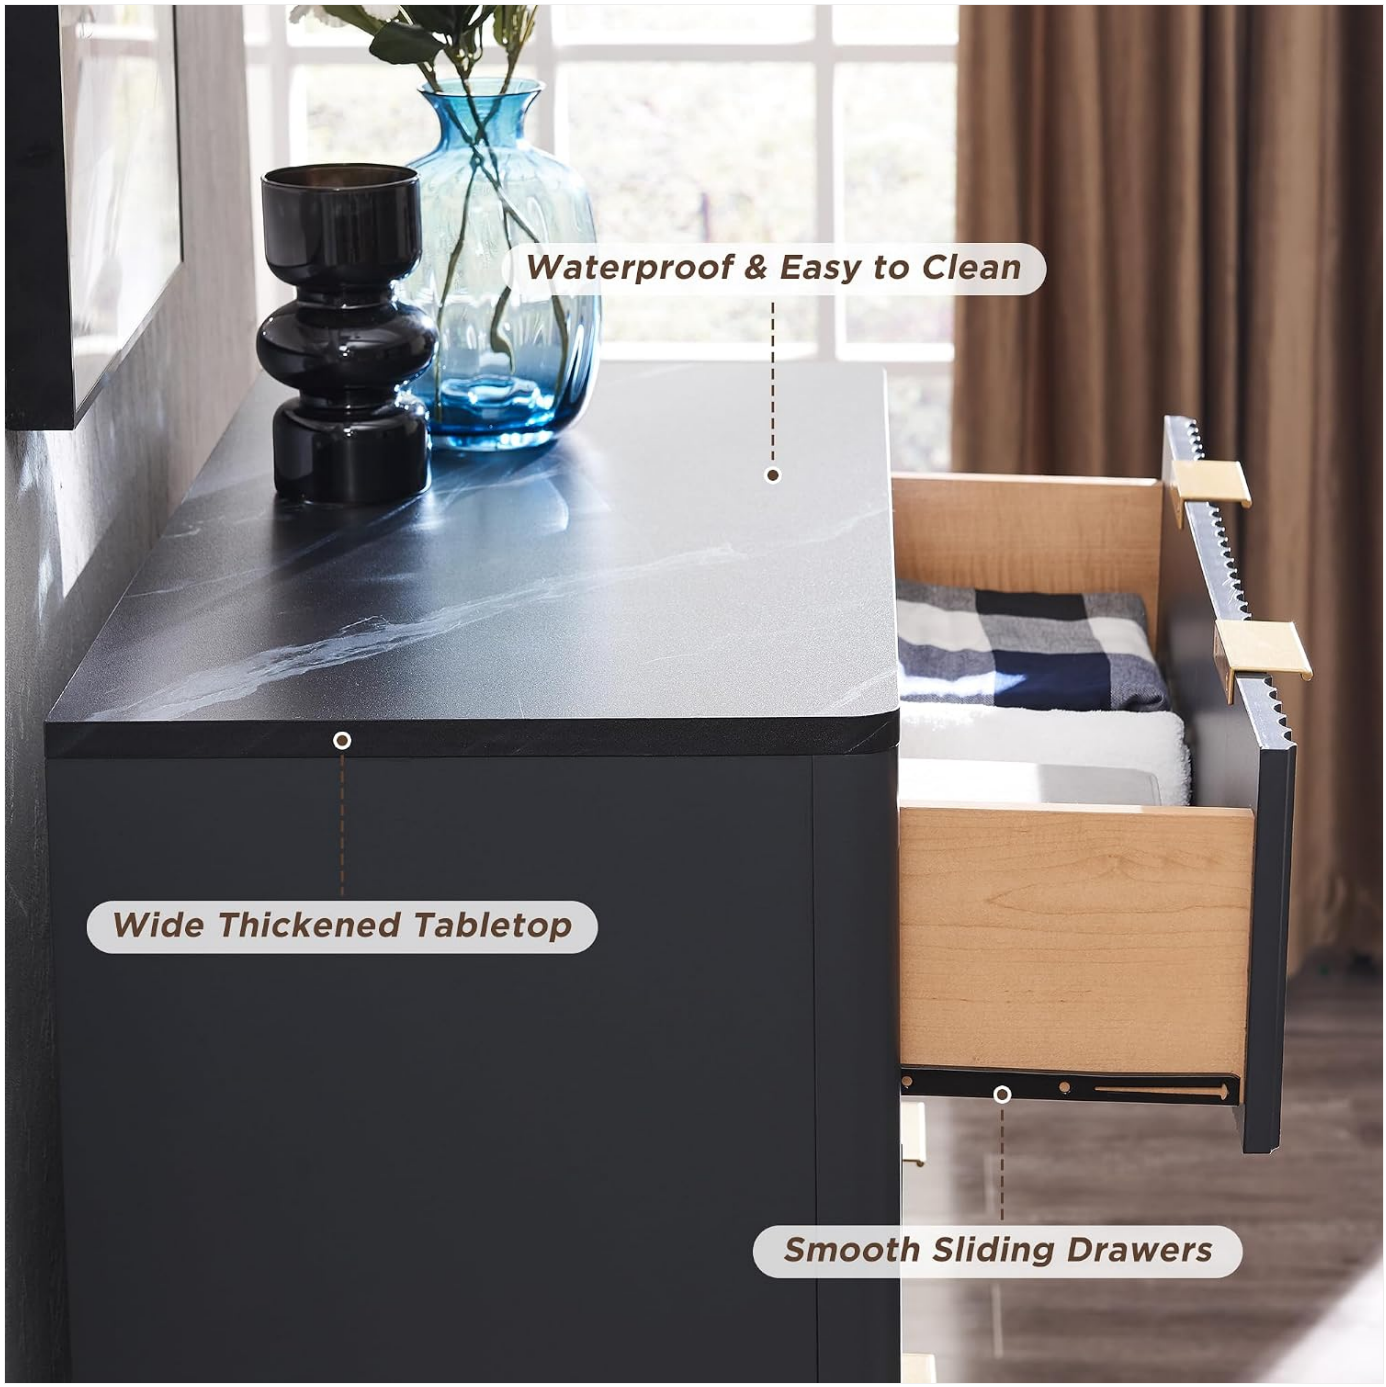

Image 6.1: A close-up view highlighting the waterproof and easy-to-clean faux marble top and the smooth operation of the sliding drawers.

7. Troubleshooting

If you encounter any issues with your dresser, consider the following common solutions:

- **Drawers Not Sliding Smoothly:**
  - Ensure drawer slides are correctly installed and aligned on both the drawer box and the dresser frame.
  - Check for any obstructions within the drawer tracks.
  - Verify that all assembly hardware for the drawers and slides is tightened appropriately.
- **Dresser Wobbles:**

- Confirm the dresser is placed on a level surface. Adjust if necessary.
- Check that all assembly screws, particularly those for the legs and frame, are fully tightened.
- Ensure the anti-tip kit is securely installed and properly anchored to the wall.

- **Missing or Damaged Parts:**
  - Refer to the parts list in your physical instruction manual.
  - Contact T4TREAM customer support for assistance (see Section 9).
