VOWNER VOWNER-406

VOWNER VOWNER-406 Farmhouse Style Makeup Vanity Desk Set User Manual

MODEL: VOWNER-406

Please read this manual carefully before assembly and use. Keep it for future reference.

1. Introduction

Thank you for choosing the VOWNER Farmhouse Style Makeup Vanity Desk Set. This product is designed to provide a functional and aesthetically pleasing space for your daily beauty routine. It features ample storage, integrated lighting, and convenient power access. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and optimal use of your vanity desk.

Figure 1.1: Overview of the VOWNER Farmhouse Style Makeup Vanity Desk Set. This image displays the complete vanity desk with its mirror, integrated lights, multiple drawers, and accompanying stool, showcasing its overall design and storage capabilities.

2. Safety Information

- **Read all instructions:** Before assembly and use, carefully read and understand all instructions provided in this manual.
- **Keep children away:** Keep children and pets away during assembly. Small parts can be a choking hazard.
- **Use on a level surface:** Assemble and place the vanity desk on a flat, stable, and level surface to prevent tipping.
- **Electrical safety:** Ensure all electrical connections are secure and follow local electrical codes. Do not overload the power outlet. Unplug the unit from the power source before cleaning or maintenance.
- **Weight limits:** Do not place excessively heavy items on the vanity desk or in the drawers. Refer to specifications for any stated weight limits.
- **Avoid moisture:** Do not expose electrical components to water or excessive moisture.
- **Proper disposal:** Dispose of packaging materials responsibly.

3. Package Contents

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact VOWNER customer support.

- Vanity Desk Frame Components
- Mirror with Integrated Lights
- Drawers (x7) and Drawer Slides
- Doors (x2) and Hinges
- Stool Components
- Power Outlet Unit
- Dryer Holder
- Hardware Pack (screws, dowels, cam locks, etc.)
- Assembly Tools (e.g., Allen wrench, if included)
- Instruction Manual (this document)

4. Assembly Instructions

Assembly typically requires two adults. Ensure you have adequate space and a clean, soft surface to prevent scratching components.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Compare them against the parts list in your package contents to ensure everything is present.
2. **Assemble the Main Frame:** Follow the numbered steps in the included assembly diagram to connect the main desk panels using the provided hardware (e.g., cam locks, dowels, screws). Ensure all connections are tight and secure.
3. **Install Drawer Slides:** Attach the drawer slides to the internal sections of the desk frame according to the diagrams. Pay attention to the orientation of the slides.
4. **Assemble Drawers:** Construct each of the seven drawers. Insert the drawer bottoms and secure the front, back, and side panels. Attach the remaining drawer slide components to the assembled drawers.
5. **Install Doors:** Attach hinges to the two doors and then mount the doors to the designated sections of the vanity desk frame. Adjust hinges as needed for proper alignment and smooth operation.
6. **Attach Mirror Unit:** Securely attach the mirror unit with integrated lights to the top section of the vanity desk. Ensure all mounting hardware is firmly tightened.
7. **Install Power Outlet and Dryer Holder:** Mount the power outlet unit and the dryer holder in their designated locations, typically on the side or within a compartment. Connect the power outlet's cord to a wall socket.
8. **Assemble Stool:** Follow the instructions to assemble the accompanying stool, ensuring all legs are securely attached.
9. **Final Checks:** Once assembled, gently test all drawers and doors for smooth operation. Ensure the vanity is stable and all electrical connections are properly routed and secured.

5. Operating Instructions

5.1. Integrated Lighting System

The vanity mirror features integrated lights with adjustable brightness and color temperature settings.

3 COLORS OF LIGHTS & ADJUSTABLE BRIGHTNESS

Figure 5.1: Lighting control panel. This image illustrates the three color temperature options (Warm White, Natural White, Cold White) and the brightness adjustment range (0% to 100%) controlled by a long press on the switch.

- **Power On/Off:** Press the power button on the control panel to turn the lights on or off.
- **Adjust Color Temperature:** Briefly press the color temperature button (often indicated by a sun or color icon) to cycle through the available light colors: Warm White (3000K), Natural White (4500K), and Cold White (6000K).
- **Adjust Brightness:** With the lights on, press and hold the brightness adjustment button (often indicated by '+' and '-' symbols or a single button for long press) to increase or decrease the light intensity. Release the button when the desired brightness is reached.

5.2. Built-in Power Outlet

The vanity desk includes a built-in power strip for convenient access to electrical power.

Built-in Power Strip

Best for curling iron, hair dryer and phone charging.

4.9 Feet
(Power Cord)

5V/2A
(2 USB Ports)

125V/12A
(2 AC Outlets)

Figure 5.2: Built-in power strip. This image shows the integrated power strip featuring two standard AC outlets (125V/12A) and two USB ports (5V/2A), along with a 4.9-foot power cord, designed for powering styling tools and charging devices.

- **AC Outlets:** Plug in your hair dryer, curling iron, or other AC-powered devices into the 125V/12A AC outlets.
- **USB Ports:** Use the 5V/2A USB ports to charge your mobile phone, tablet, or other USB-powered devices.
- **Power Cord:** Ensure the vanity desk's main power cord (approximately 4.9 feet long) is securely plugged into a functional wall outlet.
- **Do not overload:** Avoid plugging in too many high-power devices simultaneously to prevent overloading the circuit.

6. Maintenance

- **Cleaning the Surface:** Wipe the vanity desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Mirror Cleaning:** Use a glass cleaner and a lint-free cloth for the mirror. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.

- **Electrical Components:** Ensure all electrical cords are free from kinks or damage. Keep the power outlet clean and free of dust.
- **Tighten Hardware:** Periodically check and tighten all assembly hardware (screws, bolts) to ensure the desk remains stable.

7. Troubleshooting

Problem	Possible Cause	Solution
Lights do not turn on.	Power cord not plugged in. Wall outlet not functioning. Light control panel issue.	Ensure the vanity's power cord is securely plugged into a live wall outlet. Test the wall outlet with another device. Contact customer support if the control panel is unresponsive.
Power outlets not working.	Vanity's main power cord unplugged. Circuit breaker tripped. Device not properly plugged in.	Verify the vanity's power cord is connected. Check your home's circuit breaker panel and reset if necessary. Ensure devices are fully inserted into the outlets/USB ports.
Drawers stick or do not close smoothly.	Improper assembly of drawer slides. Obstruction in the drawer. Loose hardware.	Review assembly instructions for drawer slide installation. Remove any items obstructing the drawer. Tighten all screws on drawer slides and drawer components.
Vanity feels unstable.	Uneven floor. Loose assembly hardware.	Move the vanity to a level surface or use shims if necessary. Re-tighten all screws and bolts throughout the entire desk structure.

8. Specifications

Feature	Detail
Brand	VOWNER
Model Number	VOWNER-406
Product Dimensions (Approx.)	43.3" Width (as per product title), 40" Depth x 40" Height (as per specifications)
