Cherokee CK451

Cherokee Women's Lab Coat CK451 Instruction Manual

MODEL: CK451

Product Overview

The Cherokee Women's Lab Coat CK451 is designed for healthcare professionals, offering a blend of professional style and practical functionality. This consultation coat features a modern classic fit, notched lapels, and a three-button front closure for a polished appearance. Back princess seams enhance the fit and shaping. It includes three pockets for convenient storage: one chest pocket and two front tablet pockets. The design prioritizes ease of movement and comfort with a center front overlap and rounded front hem. Constructed from a durable blend of 65% polyester and 35% cotton with built-in mechanical stretch twill, it is designed for daily wear and easy care.

Care and Maintenance

Care Instructions

Machine wash cold with similar colors. Tumble dry low. Cool iron if needed. Avoid bleach to maintain fabric integrity and color.

Fabric Composition

The lab coat is made from a blend of 65% Polyester and 35% Cotton Built-in Stretch Twill, designed for durability and comfort.

Wearing Instructions

The Cherokee Women's Lab Coat CK451 is designed for ease of wear and functionality in a professional setting. Simply button the front closure for a secure and professional fit. Utilize the chest pocket for smaller items like pens or badges, and the two front tablet pockets for larger devices or documents.
