

## Park Golf Ball Clip (B0DMSRTR7G)

# Park Golf Ball Picker Park Ball Clip Instruction Manual

Model: Park Golf Ball Clip (B0DMSRTR7G)

Brand: GENERIC

## 1. INTRODUCTION

---

This manual provides instructions for the proper use and maintenance of the GENERIC Park Golf Ball Clip. This device is designed to assist in picking up park golf balls efficiently and conveniently.

## 2. PRODUCT OVERVIEW

---

The Park Golf Ball Clip is a durable accessory for park golf enthusiasts. It is constructed from robust materials to ensure longevity and reliable performance.

Figure 2.1: Front view of the Park Golf Ball Clip. This image displays the overall structure of the clip, highlighting its sturdy stainless steel wire frame and the central spring mechanism designed for gripping golf balls.

Figure 2.2: Side view of the Park Golf Ball Clip. This perspective clearly shows the coiled spring that provides the clamping force and the two distinct wire loops that form the gripping mechanism for the golf ball.

### 3. SPECIFICATIONS

| Attribute              | Detail   |
|------------------------|--|
| Material               | Stainless steel (metal iron)                         |
| Color                  | Silver/Black (as per product variant)                |
| Dimensions (L x W x H) | 6cm x 4.3cm x 4.7cm (2.39inch x 1.71inch x 1.83inch) |
| Package Includes       | 1 Park Golf Ball Clip                                |
| ASIN                   | B0DMSRTR7G   |

## 4. SETUP

---

The Park Golf Ball Clip is designed for immediate use and typically requires no assembly. It is ready to be attached to your golf bag or belt loop for convenient access.

1. Unpack the Park Golf Ball Clip from its packaging.
2. Inspect the clip for any visible damage or defects.
3. Attach the clip to a suitable location, such as a golf bag strap, a belt loop, or a golf cart accessory holder, ensuring it is securely fastened.

## 5. OPERATING INSTRUCTIONS

---

Follow these steps to effectively use your Park Golf Ball Clip for retrieving golf balls:

1. **Positioning:** Locate the golf ball you wish to pick up. Ensure the ball is accessible and on a relatively flat surface for optimal gripping.
2. **Engaging the Clip:** Gently press the open end of the clip over the golf ball. The spring mechanism will allow the two wire loops to expand and then securely close around the ball.
3. **Securing the Ball:** Once the ball is within the clip, ensure it is firmly held. The design is intended to provide a snug fit for standard park golf balls (approximately 60mm).
4. **Retrieval:** Lift the clip, along with the secured golf ball, from the ground.
5. **Releasing the Ball:** To release the ball, simply apply slight pressure to open the clip, or gently pull the ball out.

## 6. MAINTENANCE

---

Proper maintenance will extend the lifespan and ensure the continued performance of your Park Golf Ball Clip.

- **Cleaning:** After use, especially in damp or dirty conditions, wipe the clip with a clean, dry cloth to remove any dirt, grass, or moisture.
- **Drying:** Ensure the clip is completely dry before storing to prevent rust, particularly on the spring mechanism.
- **Storage:** Store the clip in a dry place, away from extreme temperatures or corrosive substances.
- **Inspection:** Periodically inspect the clip for any signs of wear, bending, or damage to the wire frame or spring.

## 7. TROUBLESHOOTING

---

While the Park Golf Ball Clip is a simple and robust device, here are some common observations and their resolutions:

| Problem  | Possible Cause   | Solution  |
|--|--|---|
| Ball not securely held.                        | Ball size is not standard (e.g., too small or too large for 60mm). Clip not fully engaged. | Ensure the ball is a standard park golf ball size. Re-position the clip to fully encompass the ball.                  |
| Clip appears stiff or difficult to open/close. | Accumulation of dirt or debris in the spring mechanism. Minor bending of the wire frame.   | Clean the spring area thoroughly. Gently attempt to realign any minor bends; avoid excessive force to prevent damage. |

## 8. WARRANTY AND SUPPORT

---

This product is manufactured by GENERIC. For any inquiries regarding product performance, defects, or general support,

please refer to the retailer or point of purchase for their specific return and warranty policies.  
As a general guideline, ensure you retain your proof of purchase for any warranty claims.
