

WLIVE ASNG110/WH

WLIVE Farmhouse 6 Drawer Dresser Instruction Manual
MODEL: ASNG110/WH

Brand: WLIVE

Introduction

Thank you for choosing the WLIVE Farmhouse 6 Drawer Dresser. This versatile furniture piece is designed to provide ample storage and serve as a stylish addition to your bedroom, living room, or hallway. Its farmhouse aesthetic, featuring a rustic color finish, side barn sign, and dark square handles, blends seamlessly with various decor styles.

This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new dresser. Please read all instructions carefully before beginning assembly or use.

Safety Information

Your safety is paramount. Please adhere to the following safety guidelines:

- **Anti-Tipping Device:** This dresser is equipped with an anti-tipping device. It is crucial to install this device securely to a wall to prevent accidental tipping, especially in households with children or pets. Failure to do so can result in serious injury.
- **Weight Capacity:** Do not exceed the stated weight capacities. The wood tabletop can hold up to 145 lbs, and each drawer can hold up to 35 lbs. Overloading can compromise the dresser's stability and structural integrity.
- **Stable Placement:** Always place the dresser on a flat, level surface. Uneven surfaces can lead to instability and potential tipping.
- **Children Safety:** Do not allow children to climb on or play with the dresser or its drawers. Keep heavy items in lower drawers to reduce the risk of tipping.
- **Assembly:** Ensure all parts are correctly assembled and all fasteners are tightened before use. Periodically check and re-tighten fasteners as needed.

Parts List

Before beginning assembly, please verify that all parts and hardware are present and undamaged. Refer to the detailed installation instructions included in your product packaging for a complete, itemized list of components. All parts and accessories are coded for easy identification.

Typical components include various wood panels (top, side, back, drawer fronts), drawer bottoms, drawer slides, handles, and an assortment of screws, dowels, and cam locks.

Setup and Assembly

Assembly of the WLIVE Farmhouse 6 Drawer Dresser is designed to be straightforward. Please follow the step-by-step instructions provided in the separate installation manual included with your purchase. Precise holes ensure accurate and faster installation.

- **Preparation:** Clear a spacious area for assembly. Lay out all parts on a soft, clean surface to prevent scratches.
- **Tools Required:** Typically, a Phillips head screwdriver and a hammer are needed.
- **Step-by-Step Guidance:** The included manual provides clear diagrams and instructions for each step, from attaching the side panels to installing the drawers and handles.
- **Drawer Assembly:** Pay close attention to the orientation of drawer slides and ensure they are securely fastened for smooth operation. The dresser features a middle support plate for enhanced stability and load capacity within the drawers.
- **Anti-Tipping Device Installation:** As noted in the Safety Information section, securely attach the anti-tipping device to a wall stud using appropriate hardware.

Operating Instructions

Using your WLIVE dresser is simple and intuitive:

- **Drawer Operation:** The drawers are designed with smooth metal slides for easy pulling. To open, gently pull the rustic handle. To close, push the drawer firmly until it is fully seated.
- **Storage:** Utilize the six large drawers for organizing clothes, accessories, linens, or other household items. The spacious design helps keep your room neat and organized.
- **Top Surface Use:** The sturdy wood top is ideal for placing a TV up to 60 inches, decorative items, lamps, or frequently used personal belongings. Ensure the weight on the tabletop does not exceed 145 lbs.

Maintenance

To ensure the longevity and appearance of your dresser, follow these maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Anti-Tipping Device:** Regularly inspect the anti-tipping device to ensure it is still securely attached to both the dresser and the wall.
- **Drawer Slides:** If drawers become stiff, a small amount of silicone lubricant can be applied to the metal slides.

Troubleshooting

If you encounter any issues with your dresser, consider the following common solutions:

- **Drawers Not Closing Smoothly:** Check if the drawer slides are properly aligned and free of obstructions. Ensure the drawer is not overloaded. Verify that all screws on the slides are tight.
- **Dresser Wobbles:** Confirm that the dresser is placed on a level surface. Check all assembly fasteners and tighten any that are loose. Ensure the anti-tipping device is correctly installed and secured.
- **Missing Parts or Damaged Components:** If you find any missing or damaged parts upon unboxing, do not proceed with assembly. Contact WLIVE customer support immediately for assistance.
