## IRONCK HK-AZGG-01

# IRONCK Farmhouse Kitchen Pantry Cabinet Instruction Manual

Model: HK-AZGG-01

### **IMPORTANT SAFETY INFORMATION**

Always secure the cabinet to the wall using the included anti-tipping kit to prevent tipping and potential injury. Do not overload the cabinet, as this can cause it to become unstable. Be cautious of pinch points when opening and closing the doors. Always follow the assembly instructions carefully to ensure safe and proper installation.

### **PRODUCT OVERVIEW**

This manual provides instructions for the assembly, operation, and maintenance of your IRONCK Farmhouse Kitchen Pantry Cabinet. This tall storage cabinet features barn doors, adjustable shelves, and door-mounted spice racks, designed for kitchen or dining room use.

## PACKAGE CONTENTS AND PARTS IDENTIFICATION

Before assembly, verify that all parts listed in the included instruction booklet are present and undamaged. Each part is numbered for easy identification.

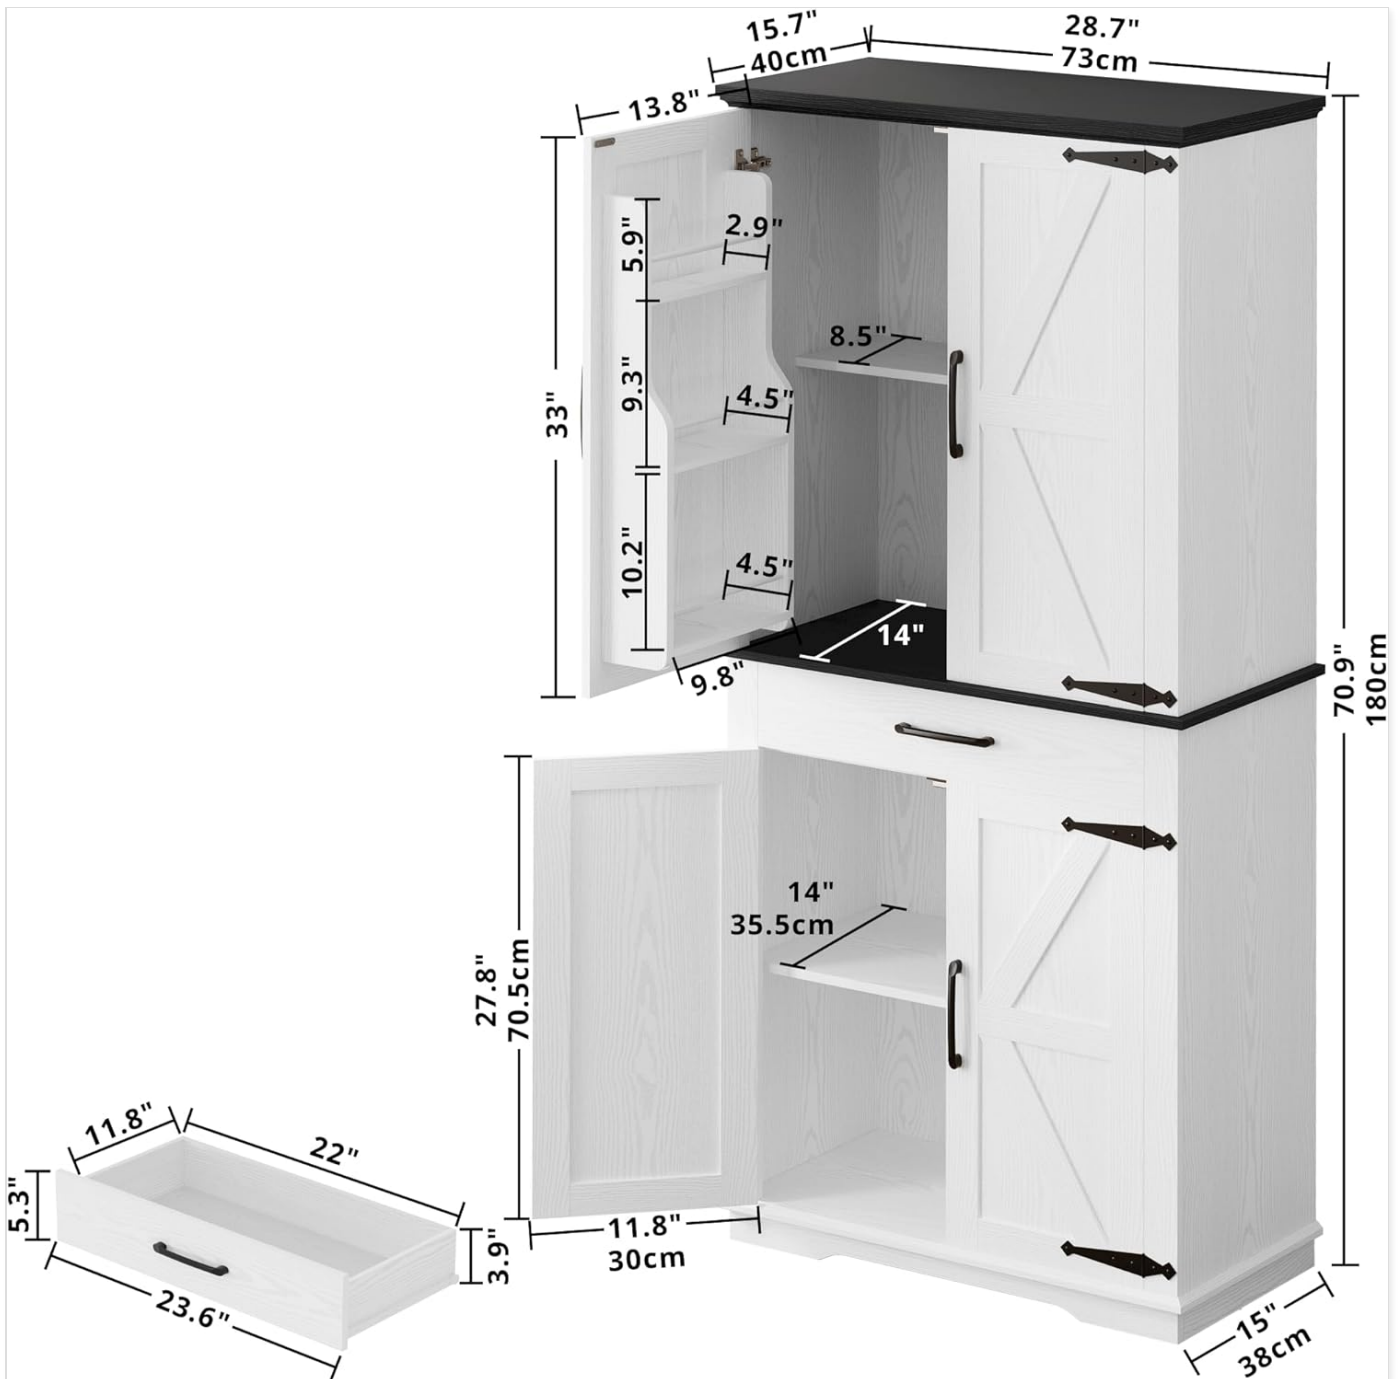

Image: Diagram illustrating the dimensions and various components of the pantry cabinet, including the upper and lower sections, drawer, and door shelves.

## SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Follow the step-by-step instructions provided in the separate assembly guide included with your purchase. Ensure you have adequate space and the necessary tools before beginning.

### General Assembly Tips:

- **Review Instructions:** Read the entire assembly manual before starting.
- **Organize Parts:** Lay out all numbered parts and hardware in an organized manner.
- **Use Proper Tools:** Ensure you have the recommended tools for assembly.
- **Two-Person Assembly:** For stability and ease, consider assembling with another person, especially for larger components.
- **Anti-Tipping Kit:** Install the anti-tipping kit as instructed to secure the cabinet to the wall. This is crucial for safety.

# Safety Design

The anti-tip kit helps secure the tall cabinet to the wall for added stability and safety

Image: Close-up view of the anti-tip kit installed at the top rear of the cabinet, demonstrating how it secures the unit to the wall for stability.

## OPERATING INSTRUCTIONS

### Adjustable Shelves:

The cabinet features adjustable shelves to accommodate items of various heights. To adjust a shelf, carefully remove any items, lift the shelf, and reposition the shelf pegs into the desired holes. Ensure the shelf is level and securely seated before placing items on it.

Image: Interior view of the cabinet showing an adjustable shelf with arrows indicating vertical adjustment capability.

### **Door Storage Shelves:**

The cabinet doors are equipped with six over-door racks, ideal for storing spice bottles and smaller items. These shelves utilize vertical space efficiently. Ensure items are placed securely to prevent them from falling when opening or closing the doors.

# Adjustable Shelves

Adjustable shelf in the middle of the cabinet can meet your different storage preferences

Image: Close-up of the interior of a cabinet door, revealing six integrated shelves designed for organizing spice bottles and small containers.

## Drawer Operation:

The large drawer operates on smooth-running rails. To open, gently pull the handle. To close, push the drawer until it is fully seated. Avoid forcing the drawer, especially if it encounters resistance.

# Large Drawer

Large drawers with smooth-running rails open and close easily, perfect for long-term use

Image: Open drawer of the pantry cabinet, displaying organized cutlery and plates, highlighting its storage capacity.

## MAINTENANCE AND CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the wood material.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- **Environmental Conditions:** Avoid placing the cabinet in direct sunlight or near heat sources, which can cause warping or fading.

## TROUBLESHOOTING

### Cabinet feels wobbly after assembly:

Ensure all screws are fully tightened. Verify that the anti-tipping kit is correctly installed and secured to a wall stud or

appropriate anchor. Uneven flooring can also contribute to wobbliness; consider using shims if necessary.

### Doors do not close properly:

Check the alignment of the hinges. Adjust if needed. Ensure nothing is obstructing the door's path or the magnetic latches.

### Drawer does not slide smoothly:

Inspect the drawer rails for any obstructions or damage. Ensure the drawer is correctly seated on the rails. Lubrication of the rails with a silicone-based spray may improve smoothness.

## SPECIFICATIONS

Feature	Detail
Brand	IRONCK
Model Name	HK-AZGG-01
Product Dimensions	15.7"D x 28.7"W x 70.9"H
Color	White/Black
Material	Wood (MDF, Engineered Wood)
Mounting Type	Freestanding (Wall Mount with Anti-tip Kit)
Number of Shelves	2 (Adjustable) + 6 Door Shelves
Item Weight	99 Pounds
