## Dowinx f367cfca-0d57-439c-a449-a9ec604f3a1c

# Dowinx Gaming Chair Instruction Manual

Model: f367cfca-0d57-439c-a449-a9ec604f3a1c

Brand: Dowinx

## INTRODUCTION

---

Thank you for choosing the Dowinx Gaming Chair. This ergonomic computer chair is designed for comfort and support during extended periods of use, whether for gaming, office work, or relaxation. It features a vintage design with breathable perforated leather, 4D adjustable armrests, a retractable footrest, and a massage lumbar support. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your chair.

## IMPORTANT SAFETY INFORMATION

---

Please read and follow all safety instructions included with this product. Failure to do so may result in injury or damage to the product.

- Do not exceed the maximum weight capacity of **350 lbs.**
- Be cautious when using adjustable features to avoid injury.
- Ensure all screws and bolts are securely tightened before use and periodically check for looseness.
- Keep hands and fingers clear of moving parts during adjustment.

- Do not stand on the chair or use it as a step stool.
- Use the chair on a level surface to prevent tipping.

## COMPONENTS LIST

---

Before assembly, ensure all components are present and undamaged. Refer to the detailed numbered instructions provided in the packaging for a complete list and visual guide.

- Chair Backrest
- Seat Base with Retractable Footrest
- 4D Adjustable Armrests (Left and Right)
- BIFMA-certified Base (5-star base)
- Industrial-strength Class 4 Gas Lift
- Casters (Wheels)
- Headrest Pillow
- Massage Lumbar Pillow
- Assembly Hardware (screws, washers, tools)

## SETUP (ASSEMBLY)

---

Assembly of your Dowinx Gaming Chair is designed to be straightforward and typically takes under 20 minutes. Follow the detailed numbered instructions provided in your product packaging.

1. **Attach Casters to Base:** Insert the casters into the holes on the 5-star base.
2. **Install Gas Lift:** Place the gas lift into the center hole of the base.
3. **Assemble Seat Mechanism:** Secure the seat mechanism to the underside of the seat base using the provided screws.
4. **Connect Seat to Gas Lift:** Place the assembled seat onto the gas lift.
5. **Attach Backrest:** Align the backrest with the seat and secure it using the appropriate screws.
6. **Install Armrests:** Attach the 4D armrests to the sides of the seat and backrest.
7. **Attach Headrest and Lumbar Pillows:** Secure the headrest and massage lumbar pillows using their straps.
8. **Final Checks:** Ensure all connections are tight and the chair functions correctly.

## OPERATING INSTRUCTIONS

---

Your Downix Gaming Chair offers multiple adjustment options for personalized comfort.

### Height Adjustment

To adjust the chair's height, pull the lever located under the seat upwards while applying or releasing body weight. The chair is liftable within 3 inches.

### Backrest Recline

The backrest can recline smoothly from 90° to 165°. Pull the recline lever on the side of the chair and lean back to your desired angle. Release the lever to lock the position.

### 4D Armrest Adjustment

The 4D armrests offer extensive adjustability:

- **Up/Down:** Press the button on the side of the armrest to raise or lower.
- **Front/Back:** Slide the armrest pad forward or backward.
- **Left/Right:** Slide the armrest pad left or right.
- **Angle Adjustable:** Rotate the armrest pad to your preferred angle.

# 4D ADJUSTABLE ARMRESTS

Image: A detailed diagram illustrating the four-dimensional adjustments available for the armrests: forward/backward, left/right, up/down, and rotation.

## **Retractable Footrest**

For full-body support and relaxation, pull out the footrest located under the seat. It can be extended and retracted as needed.

## **Rocking Function**

Engage the 20° rocking function by pulling out the tilt lock lever. Push the lever back in to lock the chair in an upright position.

## **Massage Lumbar Pillow**

The built-in massage lumbar pillow helps relieve back tension. Connect the USB cable from the pillow to a power source (e.g., computer, USB adapter) to activate the massage function.

# CARBON FIBER LEATHER

33 times more breathable than traditional leather

Vintage leather gives a sense of high class, easier to match with the house decoration. And it is wear-resistant and scratch-resistant, with a long service life. Cleaning is also very easy, just gently wipe with a cloth to complete the cleaning.

## MAINTENANCE

---

Proper maintenance will extend the life and appearance of your Dowinx Gaming Chair.

- **Cleaning:** The manufacturer recommends dry cleaning for the PU leather. For general cleaning, wipe the surface with a soft, damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten as necessary.
- **Caster Care:** Keep the casters free of hair and debris to ensure smooth movement.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.

## TROUBLESHOOTING

---

If you encounter any issues with your chair, refer to the following common solutions:

- **Chair Sinks or Won't Stay Up:** Ensure the gas lift lever is fully engaged. If the issue persists, the gas lift may need

replacement.

- **Chair Wobbles:** Check all assembly screws and bolts, especially those connecting the seat to the mechanism and the backrest. Tighten any loose hardware. Ensure the base is properly seated on the gas lift.
- **Casters Not Rolling Smoothly:** Inspect casters for trapped debris (hair, lint, etc.) and clean them thoroughly.
- **Recline Mechanism Stuck:** Ensure no obstructions are preventing the backrest from moving. Check the recline lever for proper function.
- **Massage Lumbar Pillow Not Working:** Verify the USB cable is securely connected to a working power source.

If these steps do not resolve the issue, please contact Dowinx customer support.

## SPECIFICATIONS

<b>Brand</b>	Dowinx
