# Qaba 12V Kids Electric Maserati Gran Turismo Ride-On Car User Manual

Model: 370-345V80BK

### IMPORTANT SAFETY INFORMATION

Please read this manual thoroughly before assembly and operation to ensure safe use and proper function of your Qaba 12V Kids Electric Maserati Gran Turismo Ride-On Car. Keep this manual for future reference.

- This product is suitable for children aged 3 years and up.
- Adult supervision is required at all times during operation.
- Ensure the safety belt is securely fastened before each use.
- Operate the vehicle on smooth, flat surfaces away from traffic, steep inclines, or water hazards.
- Do not exceed the maximum weight capacity of 55 lbs (25 kg).
- Always wear appropriate safety gear, such as a helmet, when operating the vehicle.
- Keep hands, hair, and clothing away from moving parts.
- Only use the original charger and battery provided with the product.

### PRODUCT OVERVIEW

The Qaba 12V Kids Electric Maserati Gran Turismo Ride-On Car is an officially licensed electric vehicle designed for children, offering an engaging and safe driving experience.

Image: Front view of the Qaba 12V Kids Electric Maserati Gran Turismo Ride-On Car in black.

## Key Features

- **Officially Licensed Design:** Modeled after the Maserati Gran Turismo Folgore.
- **Dual 12V Motors:** Provides reliable power for up to 50 minutes of playtime.
- **Flexible Control Options:** Can be operated manually by the child or via a parent's remote control (up to 49 feet range).
- **Adjustable Speeds:** Features 3 speeds, ranging from 1.9-3.1 mph.
- **Enhanced Safety:** Equipped with a safety belt and a soft start function to prevent sudden jolts.
- **Interactive Elements:** Includes built-in music, LED lights, and a horn for a realistic driving experience.
- **Portable Design:** Auxiliary wheels allow for easy towing when the battery is depleted.

### Package Contents

- Qaba 12V Kids Electric Maserati Gran Turismo Ride-On Car
- Remote Control
- Auxiliary Wheel (pre-installed or separate)
- Horn (integrated)
- Charger
- User Manual

### SETUP AND ASSEMBLY

## Unpacking

Carefully remove all components from the packaging. Inspect all parts for damage. Do not discard packaging until assembly is complete and the product is functioning correctly.

## Charging the Battery

1. Locate the charging port on the vehicle.
2. Connect the charger to the charging port and then plug it into a standard wall outlet.
3. The indicator light on the charger will typically show red during charging and turn green when fully charged.
4. For first use, charge the battery for 8-12 hours. Subsequent charges should be 8-10 hours, or until the indicator light turns green. Do not overcharge for more than 12 hours.

## Assembly Steps

While specific assembly steps may vary, the general process involves:

- Attaching the wheels and axles.
- Connecting the steering column and steering wheel.
- Installing the seat and connecting any necessary wiring.
- Securing mirrors and other decorative elements.

Refer to the detailed assembly diagrams provided in the separate assembly guide for precise instructions.

## OPERATING INSTRUCTIONS

### Powering On/Off

Locate the power button on the dashboard. Press it to turn the vehicle on or off.

### Driving Modes: Manual vs. Remote Control

## 2 CONTROL MODES

1

Parent Remote Control

2

Kids Manually Driving

Image: Illustration of the two control modes: parent remote control and kids manually driving.

### Manual Driving (Child Operated)

Once powered on, the child can operate the vehicle using the foot pedal for acceleration and the steering wheel for direction. Ensure the remote control is not actively overriding manual control.

### Parental Remote Control

The included remote control allows parents to supervise and control the vehicle's movement, steering, and speed within a 49-foot range. This is ideal for younger children or for safety intervention.

- **Pairing the Remote:** Follow the instructions in the remote control's specific manual to pair it with the vehicle.
- **Forward/Backward:** Use the designated buttons/joystick for movement.
- **Steering:** Use the left/right controls to steer the vehicle.
- **Speed Selection:** Adjust the speed settings (low, medium, high) using the remote.

### Speed Control

The vehicle features multiple speed settings (1.9-3.1 mph) which can typically be selected via a switch on the

dashboard or through the parental remote control.

## Interactive Features

Image: A child enjoying the interactive features of the ride-on car, including music and horn.

- **Music:** Press the music button on the dashboard to play pre-installed tunes.
- **Horn:** Activate the horn by pressing the button on the steering wheel.
- **LED Lights:** The headlights and taillights illuminate when the vehicle is powered on.

## MAINTENANCE

### Cleaning

Wipe the vehicle with a soft, damp cloth. Do not use abrasive cleaners or solvents. Avoid spraying water directly onto electrical components.

## Battery Care

- Recharge the battery after each use.
- If storing the vehicle for an extended period, charge the battery fully every 30 days to maintain its lifespan.
- Do not allow the battery to completely drain before recharging.

## Storage

Store the vehicle in a dry, cool place away from direct sunlight and moisture. Protect it from extreme temperatures.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Vehicle does not move	Low battery; Loose battery connection; Blown fuse; Motor malfunction	Charge battery; Check battery terminals; Replace fuse; Contact customer support
Vehicle moves slowly	Low battery; Overload; Operating on rough terrain	Charge battery; Reduce load; Operate on smooth surfaces
Lights or music not working	Loose wiring; Component malfunction	Check connections; Contact customer support
Remote control not working	Remote batteries dead; Not paired correctly; Out of range	Replace remote batteries; Re-pair remote; Operate within range

If the problem persists after attempting these solutions, please contact customer support.

## SPECIFICATIONS

Image: Product dimensions diagram.

Feature	Detail
Product Dimensions	38.58 x 23.23 x 16.93 inches
Item Weight	22 pounds
Model Number	370-345V80BK
Recommended Age	3 years and up
Battery	1 x 12V battery (included)
Speed Range	1.9-3.1 mph
Maximum Load	55 lbs (25 kg)
Playtime	Up to 50 minutes (on a full charge)
Manufacturer	Aosom LLC
