ZGNBSD STL16

ZGNBSD Executive Desk STL16 (133.9") Instruction Manual

Model: STL16 | Brand: ZGNBSD

1. Introduction

This manual provides essential information for the ZGNBSD Executive Desk, Model STL16. This modern L-shaped executive desk is designed for office environments, featuring integrated storage, smart power management, and an LED light strip. The desk is delivered fully assembled, requiring no installation.

4. Setup

The ZGNBSD Executive Desk is delivered fully assembled. No installation is required. Upon delivery, carefully unbox the desk. Due to its significant weight (700 lbs), ensure adequate assistance and equipment are used for moving and positioning the desk in its desired location. Place the desk on a flat, stable surface.

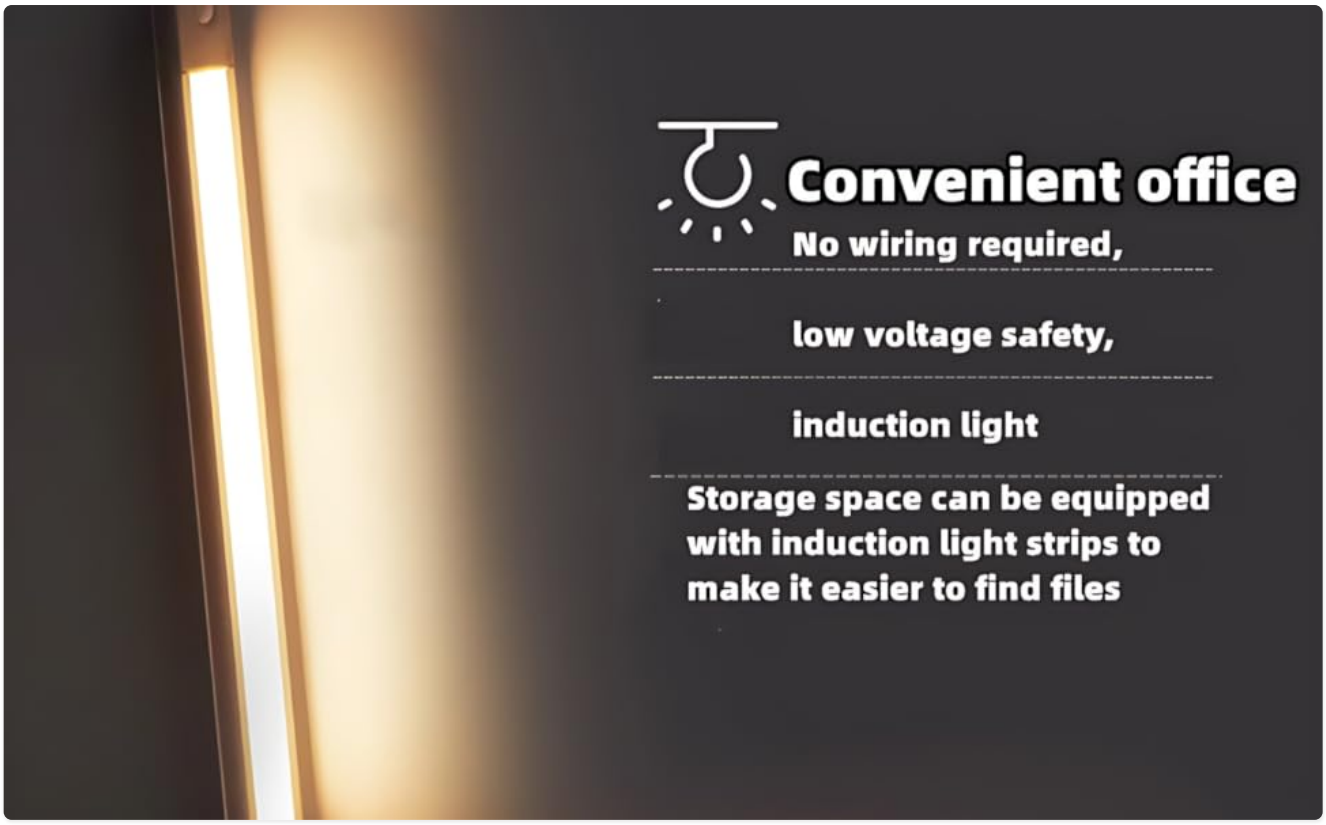

Image 4.1: Confirmation of no assembly required and important note regarding delivery of large items.

5. Operating Instructions

5.1. LED Ambient Light Strip

- **Turn On/Off:** Lightly touch the light strip switch button (refer to Image 3.4) to toggle the LED light on or off.
- **Adjust Brightness:** Long press the light strip switch button to adjust the brightness level. Release when the desired brightness is achieved.

5.2. Smart Fingerprint Unlocking

The integrated fingerprint lock provides secure access to a drawer. Follow the on-screen or voice prompts (if applicable) to register your fingerprint. To unlock, place your registered finger on the sensor. An emergency USB power port is available if the lock's battery is depleted (refer to Image 3.2).

5.3. Power Rail Sockets

The power rail provides convenient electrical outlets. Simply plug your devices into the available sockets. The power rail is designed to be waterproof and prevent leakage, ensuring safety during use.

6. Maintenance

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the lacquered finish.
- **Spills:** Immediately wipe up any spills to prevent damage to the wood and electrical components.
- **Electrical Components:** Ensure all power connections are secure. Do not attempt to disassemble or repair electrical components yourself. Contact qualified personnel if issues arise.
- **Drawer Mechanisms:** Periodically check drawer slides for smooth operation. If necessary, clean and apply a small amount of silicone lubricant.

7. Troubleshooting

- **LED Light Not Working:** Check if the desk is properly connected to a power source. Ensure the light switch button is functioning correctly. If the issue persists, contact customer support.
- **Fingerprint Lock Not Responding:** Ensure your finger is clean and dry. If the battery is low, use the emergency USB power port to supply power (refer to Image 3.2). Re-register your fingerprint if necessary.
- **Power Outlets Not Working:** Verify the desk's main power connection. Check if the power rail is properly seated. Test with a different device to rule out device-specific issues.

8. Specifications

Feature	Detail
Brand	ZGNBSD
Model Number	STL16
Shape	L-Shape
Product Dimensions (D x W x H)	67"D x 133.9"W x 30"H
