Tribesigns HL087

Tribesigns HL087 Large Home Office Desk Instruction Manual

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Tribesigns HL087 Large Home Office Desk. Please read this manual carefully before assembly and use to ensure proper setup and safe operation.

SAFETY WARNINGS

- This furniture has a maximum load capacity of **150 kg (330 lbs)**. Please ensure that the load you place on the desk is within this limit.
- Always follow the assembly instructions precisely to prevent injuries and ensure structural integrity.
- Keep small parts and packaging materials away from children to avoid choking hazards.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desk Top Panel(s)
- Metal Leg Frames (Geometric Base)
- Adjustable Leg Pads
- Assembly Hardware (screws, bolts, Allen wrench, etc.)
- Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. It is recommended to assemble the desk on a soft, clean surface to prevent scratches. Two people may be required for lifting and positioning the desk top.

Description: A clean, rendered image of the Tribesigns HL087 desk, highlighting its complete structure and design without additional office items.

1. Step 1: Attach Leg Pads to Base Frames

Secure the adjustable leg pads to the bottom of the metal leg frames. These pads help stabilize the desk on uneven floors.

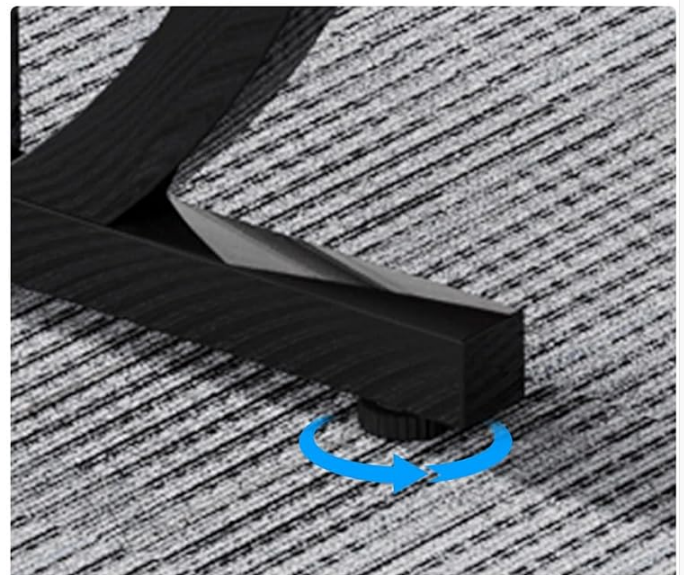

3.5cm Tabletop

Rounded Edge

Sturdy Metal Base

Adjustable Leg Pads

Description: A composite image detailing specific features of the desk: the 3.5cm thick tabletop, its rounded edges for safety, the robust 3cm x 3cm metal base structure, and the adjustable leg pads designed for stability on various floor types.

2. Step 2: Assemble Leg Frames

Connect the various parts of the geometric metal leg frames using the provided hardware. Ensure all connections are tight but do not overtighten.

3. Step 3: Attach Leg Frames to Desk Top

Carefully place the desk top upside down on a protected surface. Align the assembled leg frames with the pre-drilled holes on the underside of the desk top. Secure the leg frames to the desk top using the provided screws and an Allen wrench.

4. Step 4: Upright the Desk

With assistance, carefully flip the assembled desk upright. Place it in its desired location.

5. Step 5: Final Adjustments

Adjust the leg pads as needed to ensure the desk is level and stable on the floor.

OPERATING INSTRUCTIONS (USAGE)

The Tribesigns HL087 desk is a versatile piece of furniture suitable for various uses:

- **Workstation:** Provides ample space for multiple monitors, laptops, and office accessories.
- **Conference Table:** Multiple Tribesigns desks can be combined for larger meeting setups.
- **Study Table:** Ideal for study and creative tasks.
- **Gaming Desk:** Robust construction supports gaming equipment.
- **Dining Table:** Can serve as a spacious dining surface.

Description: An overview of the Tribesigns HL087 desk, showcasing its large black tabletop and distinctive geometric metal legs, positioned in a contemporary office environment.

MAINTENANCE

To maintain the appearance and longevity of your desk:

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may

damage the finish.

- **Spills:** Clean spills immediately to prevent staining.
- **Protection:** Use coasters for drinks and protective pads under hot items or sharp objects to prevent damage to the tabletop.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

Below are common issues and their solutions:

- **Issue: Desk is wobbly.**
Solution: Check if the adjustable leg pads are properly set. Adjust each pad individually until the desk is stable on the floor. Ensure all assembly screws are tightened securely.
- **Issue: Scratches or marks on the surface.**
Solution: For minor marks, a furniture polish suitable for engineered wood with a glossy finish may help. For deeper scratches, professional repair might be needed. Always use protective mats to prevent future damage.

SPECIFICATIONS

Description: A diagram illustrating the key dimensions of the desk, including its length (160cm), width (80cm), height (75cm), tabletop thickness (3.5cm), and the maximum weight capacity of 159 kg (approximately 350 lbs).
