IMPORTANT SAFETY INFORMATION

WARNING:

- Always keep the toy out of reach of the baby's face and mouth to prevent entanglement or choking hazards.
- Ensure the toy is always out of the baby's reach when not actively supervised.
- Never leave a child unattended in the bassinet or playard.
- Always use the mattress provided by the manufacturer. Adding extra padding can cause suffocation.
- Ensure all locking mechanisms are engaged before placing a child in the unit.
- Do not use if any parts are broken, torn, or missing.

ASSEMBLY AND SETUP

Follow these general steps for assembly. Refer to the detailed diagrams in the included printed manual for specific instructions.

1. **Unfold the Main Frame:** Carefully remove the bassinet from its carry bag. Stand the frame upright and push down on the center base until it locks into place. Ensure all four side rails are securely locked.
2. **Install the Mattress Pad:** Place the provided mattress pad firmly into the base of the bassinet.
3. **Attach the Changing Table:** Secure the changing table attachment to the designated points on the top rails of the bassinet. Ensure it is stable and locked.
4. **Mount the Electric Music Center and Mobile:** Attach the music center and mobile arm to the side rail. Ensure the mobile hangs freely and is out of the baby's reach.
5. **Attach the Mosquito Net:** Drape and secure the mosquito net over the bassinet, ensuring full coverage and proper ventilation.
6. **Install Storage Shelf:** Attach the side storage shelf to the bassinet frame for convenient access to baby essentials.

OPERATING MODES AND FEATURES

This bassinet offers multiple configurations to suit your needs:

- **Bedside Bassinet Mode:** Lower one side of the bassinet and adjust its height to align with your bed, allowing for close proximity and easy access to your baby. The two adjustable positions facilitate this co-sleeping setup.
- **Standalone Baby Bed Mode:** Use as a traditional bassinet with all sides up, providing a secure sleeping space for your infant.
- **Rocking Bassinet Mode:** Convert the bassinet to a rocking cradle. This mode offers a scientifically designed rocking angle to promote better sleep.
- **Playard Mode:** For older infants and toddlers, the convertible bottom transforms into an engaging play area. Ensure the mattress is lowered to the lowest position for safety in playard mode.

MAINTENANCE AND CARE

To ensure the longevity and hygiene of your JOYMOR bassinet:

- **Cleaning:** The manufacturer recommends hand washing for product care. Use mild soap and warm water for spot cleaning fabric components.
- **Frame:** Wipe the frame with a damp cloth and mild soap. Dry thoroughly.
- **Changing Table Fabric:** The fabric for the changing table can be easily removed for cleaning.
- **Storage:** When not in use, store the bassinet in its carry bag in a clean, dry place.

TROUBLESHOOTING

If you encounter any issues with your bassinet, please refer to the following common solutions:

- **Difficulty Folding/Unfolding:** Ensure all side rails are unlocked before attempting to fold. When unfolding, ensure the center base is pushed down completely until it locks.
- **Music Center Not Working:** Check battery installation and ensure batteries are fresh. Verify all

connections are secure.

- **Unstable Frame:** Double-check that all locking mechanisms on the side rails and base are fully engaged.
- **Rocking Function Not Smooth:** Ensure the bassinet is on a flat, even surface. Check for any obstructions around the rocking mechanism.
