- **Multiple Usage & Reversible Design:** High-quality MDF board with a rustic brown finish, suitable for various home or office styles. The desk with drawers is reversible and can be installed on either the left or right side.
- **Durable & Sturdy Construction:** Manufactured with scratch-resistant, dust-resistant, waterproof, and easy-to-clean MDF board and a premium metal frame. Includes adjustable feet for stability on uneven ground.

ASSEMBLY INSTRUCTIONS

The YOMILUVE Computer Desk is designed for straightforward assembly. All necessary labeled parts, tools, and detailed instructions are included in the package.

Before You Begin:

- Unpack all components and verify against the parts list provided in your assembly manual.
- Ensure you have sufficient space for assembly. It is recommended to assemble the desk in the room where it will be used.
- Keep children and pets away from the assembly area.

Assembly Steps:

1. Follow the step-by-step diagrams and instructions provided in the included assembly manual.
2. Identify each part by its label before attaching.
3. Use the provided tools for tightening fasteners. Do not overtighten.
4. For the reversible design, decide whether the file cabinet will be on the left or right side before proceeding with the relevant steps.

MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your YOMILUVE Computer Desk.

- **Cleaning:** The desk surface is waterproof and easy to clean. Use a soft, damp cloth to wipe down the surface. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** In case of spills, wipe them immediately with a dry cloth to prevent water damage, especially around electrical components.
- **Adjustable Feet:** Periodically check the adjustable feet to ensure they are stable and level, preventing wobbling and protecting your floor from scratches.
- **Fasteners:** Occasionally check all screws and fasteners to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

This section addresses common issues you might encounter with your computer desk.

- **Desk Wobbles:** Ensure all assembly screws are tightened. Adjust the leveling feet at the bottom of the desk legs to compensate for uneven floor surfaces.
- **LED Lights Not Working:** Check if the power cable for the LED strip is securely plugged into an outlet and the desk's power station. Verify the power switch for the charging station is in the 'ON' position. Ensure the APP is connected and functioning correctly.
- **Charging Station Not Providing Power:** Confirm the desk's main power cord is securely plugged into a wall outlet. Check the power switch on the integrated charging station. Test with different devices and cables to rule out device-specific issues.
- **Drawers Not Sliding Smoothly:** Ensure the drawer slides are correctly installed and aligned. Check for any obstructions in the drawer tracks.
