JOYMOR RBPCT

JOYMOR 9-in-1 Bedside Bassinet and Playard

Model: RBPCT

Your comprehensive guide to assembly, operation, and care.

1. INTRODUCTION

The JOYMOR 9-in-1 Bedside Bassinet is a versatile and adaptable solution designed to grow with your baby. This multifunctional product serves as a baby bassinet, bedside co-sleeper, gentle rocking cradle, and a spacious playard. It comes equipped with practical accessories including a changing station, storage shelf, electric music center, toy mobile, and a mosquito net, providing convenience and comfort for both baby and parent.

2. IMPORTANT SAFETY INFORMATION

Always prioritize your child's safety. Read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Toy Safety:** Keep the toy mobile out of your baby's reach. Ensure the toy is positioned away from the baby's face and mouth to prevent entanglement or choking hazards.
- **Assembly:** Ensure all parts are correctly assembled and locked into place before placing your child in the bassinet or playard. Regularly check for loose parts or damage.
- **Supervision:** Never leave your child unattended in the bassinet or playard.
- **Mattress:** Use only the mattress provided by the manufacturer. Do not add extra padding or mattresses, as this can create a suffocation hazard.
- **Side Rails:** When using as a co-sleeper, ensure the bassinet is securely attached to the adult bed and the

side rail is properly lowered and secured according to instructions. When not in co-sleeper mode, ensure all side rails are fully raised and locked.

- **Weight/Age Limits:** Adhere to the manufacturer's specified weight and age limits for each mode of use.

3. WHAT'S INCLUDED

Verify that all components are present before beginning assembly:

- Main Bassinet/Playard Frame
- Mattress & fitted cover
- Changing table attachment
- Storage Box/Shelf
- Mosquito net
- Electric Music Center
- Toy Mobile (with 3 plush toys)
- Carry Bag (for portability)

4. SETUP AND ASSEMBLY

Assembly is required for this product. Follow these general steps for initial setup. Refer to the detailed diagrams in your physical manual for specific locking mechanisms and attachment points.

1. **Unfold the Frame:** Place the folded bassinet on the floor. Pull the four corner posts outwards until the frame begins to unfold. Do not push down the center base yet.
2. **Lock the Side Rails:** Firmly pull up on the center of each of the four top rails until they click into place and are rigid. If a rail does not lock, pull the center up again while ensuring the frame is not fully pushed down. All four rails must be locked before proceeding.
3. **Lower the Base:** Once all top rails are locked, push the center of the bassinet floor downwards until it lies flat and is secure.
4. **Insert Mattress:** Place the provided mattress inside the bassinet, ensuring it fits snugly at the bottom.
5. **Attach Accessories:**
 - **Changing Table:** Secure the changing table attachment to the designated points on the top rails. Ensure it is stable and level.
 - **Music Center & Toy Mobile:** Attach the electric music center and the toy mobile arm to the side rail as indicated.
 - **Storage Shelf:** Hook or attach the storage shelf to the side of the bassinet for easy access to essentials.
 - **Mosquito Net:** Drape and secure the mosquito net over the bassinet, ensuring full coverage.

5. OPERATING INSTRUCTIONS

5.1. Modes of Use

- **Baby Bassinet:** For infants, providing a cozy and secure sleeping space.
- **Bedside Co-Sleeper:** Adjust the height and lower one side to position the bassinet next to your bed, allowing for easy access to your baby during the night.
- **Rocking Cradle:** Convert the base to rocking mode for gentle motion that can help soothe your baby to sleep.
- **Playard:** As your baby grows, the bassinet converts into a spacious playard, offering a safe and engaging area for play.
- **Changing Station:** Utilize the detachable changing table for convenient diaper changes.

5.2. Adjusting Height and Side Opening

The bassinet features two adjustable height positions and a side that can be lowered for co-sleeping. To adjust the height or lower the side, locate the release mechanisms on the side rails. Follow the specific instructions in your physical manual to safely engage or disengage these mechanisms. Always ensure the side is securely locked in place, whether raised or lowered.

5.3. Electric Music Center and Toy Mobile

The electric music center offers multiple functions to entertain and soothe your baby:

- **Vibration:** Provides gentle vibrations to calm your baby.
- **White Noise:** Plays soothing white noise sounds.
- **Music:** Features a selection of melodies.
- **Lighting:** Includes a soft night light.
- **Volume Control:** Adjust the sound level as needed.

The rotating toy mobile with three plush toys provides visual stimulation and entertainment for your baby.

5.4. Mobility and Rocking Function

The bassinet is equipped with two wheels for easy mobility. To move the bassinet, lift the non-wheeled end slightly and roll it to your desired location. To engage the rocking function, adjust the base as per the instructions to convert the stationary legs into curved rocking glides. Ensure the bassinet is on a flat, stable surface when rocking.

6. CARE AND MAINTENANCE

Proper care will extend the life of your JOYMOR bassinet and ensure a hygienic environment for your baby.

- **Fabric Components:** The fabric for the changing table and other removable fabric parts can be easily removed for cleaning. Hand wash only with mild soap and cold water. Do not bleach. Air dry thoroughly before reattaching.
- **Frame & Plastic Parts:** Wipe down the frame, plastic components, and mesh siding with a damp cloth and mild soap. Rinse thoroughly with a clean damp cloth to remove any soap residue. Do not use abrasive cleaners.
- **Mattress:** The mattress and fitted cover should be cleaned according to their specific care labels. Typically, spot cleaning with a damp cloth and mild soap is recommended. Ensure the mattress is completely dry before placing it back in the bassinet.
- **Storage:** When not in use, disassemble the bassinet according to the folding instructions and store it in the provided carry bag in a clean, dry place.

7. TROUBLESHOOTING

If you encounter any issues with your JOYMOR bassinet, refer to the following common solutions:

Problem	Possible Cause	Solution
Side rails do not lock into place during assembly.	Center base is pushed down too far; rails are not fully extended.	Lift the center base slightly. Ensure each rail is pulled up firmly until it clicks. Try locking the shorter rails first, then the longer ones.

Problem	Possible Cause	Solution
Bassinet feels unstable after assembly.	Rails not fully locked; base not fully pushed down.	Verify all four top rails are securely locked. Push the center base down firmly until it lies flat and stable.
Electric Music Center not working.	Batteries are dead or incorrectly installed; unit not powered on.	Check battery orientation and replace if necessary. Ensure the power button is pressed.
Difficulty folding the bassinet for storage.	Center base not fully pulled up; rails not disengaged.	Ensure the center base is pulled up first. Then, locate the release buttons/levers on the center of each rail and press them while pushing the rail downwards to disengage.

8. SPECIFICATIONS

- **Model Number:** RBPCT
- **Color:** Grey
- **Product Dimensions:** 40"L x 28"W x 33"H
- **Item Weight:** 33 Pounds
- **Material Type:** Plastic (Frame), Polyester (Fabric)
