SETUP INSTRUCTIONS

Assembly of the JOYMOR RBPCT bassinet is required. Follow these general steps for initial setup.

1. Unpacking

1. Carefully remove all components from the packaging.
2. Verify that all parts listed in the packing list are present and undamaged.
3. Retain packaging materials until assembly is complete in case of returns or missing parts.

2. Assembly

1. Lay the main frame flat on a clean, level surface.
2. Extend the side rails until they lock securely into place. Listen for an audible click.
3. Push down the center of the base until it lies flat and secure.
4. Insert the mattress pad into the bassinet.
5. Attach the wheels to the designated leg posts if using for mobility.
6. Install the changing table, music center, and mosquito net as per their individual instructions, ensuring they are securely fastened.

OPERATING MODES

The JOYMOR RBPCT offers multiple configurations to suit various needs.

1. Bedside Bassinet / Co-sleeper Mode

To use as a bedside co-sleeper, lower one side of the bassinet and position it securely next to the adult bed. Ensure there is no gap between the bassinet and the adult mattress. The bassinet features two adjustable positions for height alignment.

Enhanced Safety Features for Your Baby

SAFETY GUIDELINES

Always prioritize your baby's safety. Adhere to the following guidelines:

- Never leave your child unattended in the bassinet or playard.
- Ensure all locking mechanisms are engaged before placing your child in the unit.
- Do not use the changing table if your child can roll over or push up on their hands and knees.
- Always use the provided mattress pad. Do not add extra padding or pillows, as this can create a suffocation hazard.
- Keep small parts and cords away from children.
- The bassinet features a four-sided mesh design for optimal air circulation and visibility.
- When using as a co-sleeper, ensure the bassinet is securely fastened to the adult bed and there are no gaps.

CARE AND MAINTENANCE

Proper care ensures the longevity and hygiene of your JOYMOR RBPCT bassinet.

- **Fabric Components:** Hand wash only. Do not bleach, tumble dry, or iron. Allow to air dry completely.
- **Frame:** Wipe down the frame with a damp cloth and mild soap. Dry thoroughly.
- **Mattress Pad:** Spot clean with a damp cloth and mild detergent. Ensure it is completely dry before reinserting.
- **Changing Table Fabric:** Easily removable for cleaning. Hand wash and air dry.
- Regularly check all screws, bolts, and fasteners to ensure they are tight and secure.
- Inspect for any damaged or worn parts and discontinue use if any are found.

TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions:

Problem	Possible Solution
Bassinet does not lock into place.	Ensure all side rails are fully extended and clicked into position. Push down firmly on the center base.
Music center not functioning.	Check battery installation and ensure batteries are fresh. Verify all connections are secure.
Wheels not rolling smoothly.	Check for debris in the wheel mechanisms. Ensure wheel locks are disengaged.
Changing table feels unstable.	Confirm the changing table is correctly attached to the frame's designated points and all fasteners are tight.
