

ShiftCam SnapStand Selfie

ShiftCam SnapStand Selfie User Manual

Magnetic Selfie Stick & Tripod

1. PRODUCT OVERVIEW

The ShiftCam SnapStand Selfie is a versatile accessory designed for mobile photography and videography. It functions as both a compact, extendable selfie stick and a stable tripod, featuring a magnetic mount for MagSafe-compatible devices and a detachable Bluetooth remote for convenient control.

Key Features:

- **Compact and Extendable:** Folds down to 6.7 inches and extends up to 30 inches.
- **Dual-Function Design:** Seamlessly transitions between a selfie stick and a stable tripod.
- **Effortless Magnetic & Secure Clip Mount:** Features a magnetic mount for MagSafe-enabled devices and includes a silicone SnapClamb clip for additional security.
- **Removable Bluetooth Remote:** Allows for remote photo and video capture.
- **Versatile Tilt Head:** Offers a 200-degree tilt for optimal shooting angles.

2. SETUP GUIDE

2.1 Unboxing and Initial Inspection

Carefully remove all components from the packaging. Verify that the SnapStand Selfie, Bluetooth remote, and SnapClamb clip are present. Inspect for any visible damage.

Video: Unboxing and initial setup of the ShiftCam SnapStand Selfie, demonstrating how to remove components and prepare for use.

2.2 Attaching Your Smartphone

The SnapStand Selfie features a magnetic mount for quick attachment. For MagSafe-compatible devices or cases, simply align your phone with the magnetic head until it snaps securely into place.

Image: A smartphone is shown magnetically attached to the top of the ShiftCam SnapStand Selfie, ready for use.

For non-MagSafe devices or for enhanced stability, utilize the included silicone SnapClamb clip. Place your phone into the clip, ensuring a snug fit around the edges.

Works with MagSafe

iPhone 12 Series and Above

If using with Case, must be
MagSafe-Enabled

Works with All Phones

(Samsung, Motorola, Pixel, LG,
OnePlus, Huawei, Xiaomi, etc)

Use with MagSafe sticker or MagSafe case.
(needs to be purchased separately)

2.3 Pairing the Bluetooth Remote

1. Locate the detachable Bluetooth remote on the handle of the SnapStand Selfie.
2. Press and hold the button on the remote until the indicator light begins to flash, indicating it is in pairing mode.
3. On your smartphone, navigate to Bluetooth settings and select 'ShiftCam Remote' (or similar) from the list of available devices.
4. Once paired, the indicator light on the remote will stop flashing and remain solid.

SnapStand Selfie Bluetooth Remote Control

Detachable remote for control in distance, perfect for group shots or video recording.

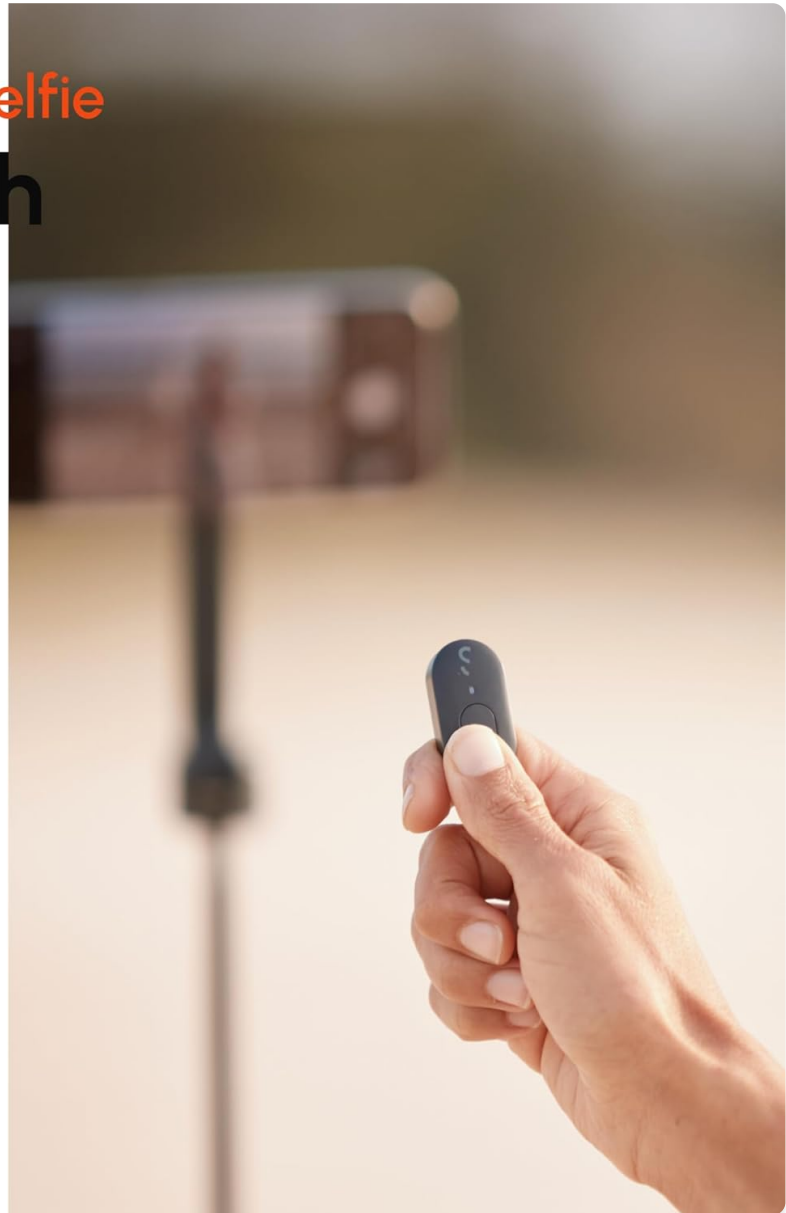

Image: A hand holding the small, detachable Bluetooth remote control, which can be used to trigger photos and videos remotely.

3. OPERATING INSTRUCTIONS

3.1 Using as a Selfie Stick

1. Ensure your smartphone is securely attached.
2. Extend the telescopic arm to your desired length (up to 30 inches).
3. Adjust the 200-degree tilt head to achieve the perfect angle for your shot.
4. Use the Bluetooth remote to capture photos or start/stop video recording.

SnapStand Selfie

Solo or Group Shots

Extend to 30" for easy personal or group selfies.

Image: A couple on a beach using the extended SnapStand Selfie to capture a group photo, demonstrating its reach for wider shots.

3.2 Using as a Tripod

1. With the SnapStand Selfie in its compact form, press the button at the bottom of the handle to release the tripod legs.
2. Spread the legs evenly to create a stable base.
3. Extend the telescopic arm to your preferred height.
4. Place the tripod on a flat, stable surface.
5. Adjust the tilt head and use the Bluetooth remote for hands-free operation.

3.3 Adjusting the Tilt Head

The SnapStand Selfie features a 200-degree adjustable tilt head. Gently pivot your smartphone to achieve the desired vertical or horizontal angle. The head will hold its position once set.

3.4 Portability and Storage

To store, collapse the telescopic arm and fold the tripod legs back into the handle until they click into place. The compact design allows for easy storage in a bag or pocket.

SnapStand Selfie

Pocket-Sized Portability

Folds down to just 6.7", easily fitting in a small bag or even your pants pocket.

Image: The compact ShiftCam SnapStand Selfie is shown folded and easily fitting into a pants pocket, highlighting its portability.

4. MAINTENANCE

To ensure the longevity of your ShiftCam SnapStand Selfie, keep it clean and dry. Wipe surfaces with a soft, damp cloth. Avoid exposing the device to extreme temperatures, moisture, or harsh chemicals. Store in a cool, dry place when not in use.

5. TROUBLESHOOTING

5.1 Bluetooth Remote Connectivity Issues

- **Remote not pairing:** Ensure the remote is fully charged and within range of your smartphone. Turn off and on your phone's Bluetooth, then re-attempt pairing.
- **Remote disconnecting frequently:** This may indicate a low battery. Charge the remote using a compatible USB-C cable.

5.2 Phone Stability Concerns

- **Phone feels loose on magnetic mount:** Ensure your phone or case is MagSafe-compatible. For added security, especially during dynamic movements, use the provided SnapClamb clip.
- **Tripod feels unstable:** Ensure the tripod legs are fully extended and spread on a flat, stable surface. Avoid over-extending the telescopic arm in windy conditions.

5.3 General Malfunctions

If you experience any other issues, try resetting the device by turning it off and on. If problems persist, refer to the support section for further assistance.

6. SPECIFICATIONS

Brand	ShiftCam
Model Number	S-AB02-MN
Color	Stone
Package Dimensions	9.02 x 3.9 x 2.6 inches
Item Weight	12.6 ounces
Compatible Devices	Smartphones
Compatible Phone Models	Universal compatible
Mounting Type	Magnetic Mount
Date First Available	November 13, 2024

7. WARRANTY AND SUPPORT

7.1 Product Warranty

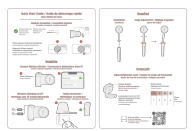

The ShiftCam SnapStand Selfie is covered by a manufacturer's warranty against defects in materials and workmanship. Specific warranty terms and duration may vary by region. Please retain your proof of purchase for warranty claims.

Extended protection plans are available for purchase separately, offering additional coverage beyond the standard manufacturer's warranty.

7.2 Customer Support

For technical assistance, troubleshooting, or warranty inquiries, please visit the official ShiftCam website or contact their customer support team. Contact information can typically be found on the product packaging or the ShiftCam website.
