3. Setup Instructions

Follow these steps to set up your portable massage table.

1. **Unfolding the Table:**

   Place the folded massage table on its side on a flat, stable surface. Release the metal latches on the side of the table. Gently open the table, allowing the legs to unfold. Ensure the internal support cables are taut.

2. **Adjusting Table Height:**

   Once the table is unfolded, adjust the height of each leg. Locate the adjustment knobs on each leg. Unscrew the knob, extend or retract the leg to the desired height (between 24 inches and 35 inches), and then securely tighten the knob. Ensure all four legs are adjusted to the same height for stability.

Image: The table's height can be adjusted from 24 inches to 35 inches using the leg knobs.

3. **Attaching Headrest and Armrests:**

   Insert the adjustable headrest into the designated slots at one end of the table. Adjust its angle for client comfort. Slide the two armrests into their respective slots on the sides of the table. If using the arm sling, attach it to the headrest frame.

4. Operating Instructions

The BODIOO massage table is designed for ease of use and client comfort.

- **Client Positioning:** Ensure the client is positioned comfortably and safely on the table. The 2-inch thick high-strength foam padding provides a soft and comfortable surface.
- **Headrest Adjustment:** The headrest can be tilted to various angles to accommodate different client preferences and treatment types. Loosen the locking mechanism, adjust the angle, and re-tighten.

- **Armrest Usage:** The removable armrests provide additional support and comfort for the client's arms. They can be easily inserted or removed as needed. The arm sling offers an alternative for arm support.
- **Portability:** When not in use, the table can be quickly folded and stored in its carry case for convenient transport or compact storage.

5. Maintenance

Proper maintenance will extend the life of your massage table.

- **Cleaning:** Wipe the PVC leather surface with a damp cloth and mild soap after each use. Avoid harsh chemicals or abrasive cleaners, which can damage the material. Ensure the table is dry before folding or storing.
- **Inspection:** Regularly inspect all moving parts, including leg adjustments, hinges, and locking mechanisms, for wear or damage. Ensure all screws and bolts are tight.

- **Storage:** When not in use, fold the table and store it in the provided carry case to protect it from dust and scratches. Store in a cool, dry place.

6. Troubleshooting

This section addresses common issues you might encounter.

Problem	Possible Cause	Solution
Table feels unstable or wobbly.	Legs not adjusted to equal height or not fully locked.	Ensure all four legs are adjusted to the same height and that the adjustment knobs are securely tightened. Verify the table is on a flat, level surface.
Difficulty folding/unfolding the table.	Latches are stuck or internal cables are tangled.	Check that the metal latches are fully disengaged. Ensure no accessories are obstructing the folding mechanism. Gently guide the legs during folding/unfolding.
Headrest or armrests do not fit securely.	Incorrect insertion or debris in slots.	Ensure the headrest/armrests are inserted correctly into their designated slots. Check for any obstructions in the slots and clear them if necessary.

If you encounter issues not listed here, please contact customer support for assistance.
