Dyson 598998-01

Dyson Supersonic Nural™ Hair Dryer

Model: 598998-01

Brand: Dyson

INTRODUCTION

The Dyson Supersonic Nural™ Hair Dryer in Jasper Plum is engineered for all hair types, automatically adjusting airflow and temperature to enhance natural shine and protect scalp health. This advanced styling tool features intelligent technology to optimize your hair care routine.

The Dyson Supersonic Nural™ Hair Dryer features advanced Nural™ sensors that auto-adapt to enhance natural shine and help protect scalp health.

KEY FEATURES

- **Scalp Protect Mode:** A Time of Flight sensor automatically adjusts temperature to enhance natural shine and help protect your scalp.
- **Attachment Learning:** A Hall sensor recognizes each attachment as you use it and automatically adapts to your preferred settings.
- **Pause Detect:** Uses a motion-sensing accelerometer to know when it's put down during styling or sectioning, automatically deactivating the heater, decreasing airflow and noise.
- **Five Intelligent Attachments:** Engineered to style all hair types, adapting to your preferences.

Scalp Protect Mode automatically adjusts temperature to protect your scalp.

Attachment learning allows the dryer to adapt to your preferred settings based on the attachment used.

WHAT'S IN THE BOX

Your Dyson Supersonic Nural™ Hair Dryer comes with the following components:

- Dyson Supersonic Nural™ Hair Dryer
- Styling Concentrator
- Gentle Air Attachment
- Wide-tooth Comb
- Wave+Curl Diffuser
- Flyaway Attachment
- Presentation Case

All included attachments and the presentation case for your Dyson Supersonic Nural™ Hair Dryer.

SETUP

1. Unpack all components from the presentation case.
2. Plug the hair dryer into a suitable power outlet.

3. Select the desired attachment and magnetically connect it to the front of the hair dryer.

OPERATING INSTRUCTIONS

Powering On/Off

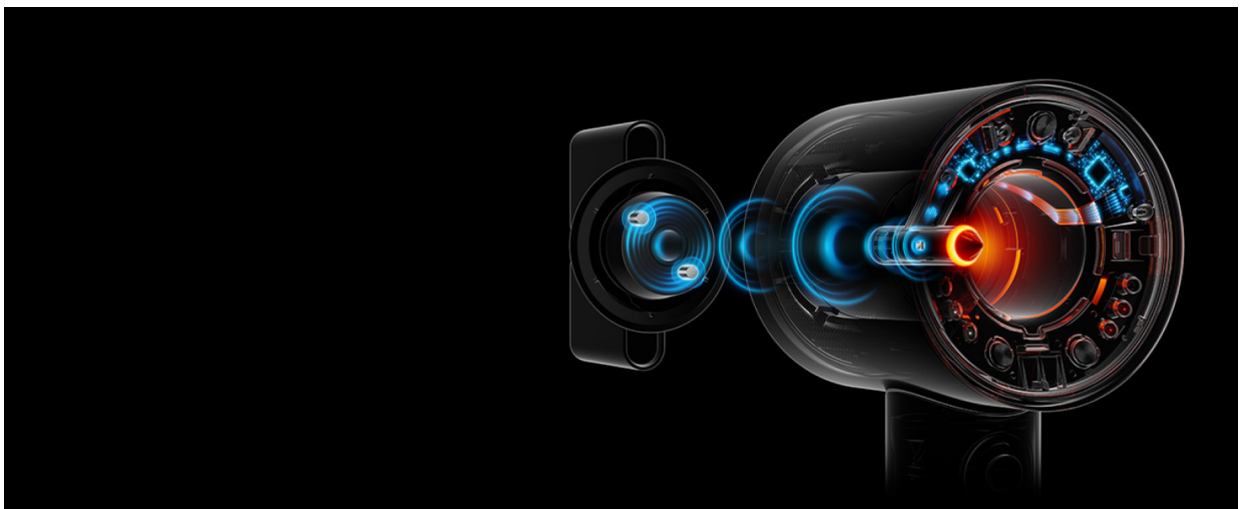

Slide the power button located on the handle to turn the hair dryer on or off.

Adjusting Settings

Use the dedicated buttons on the handle to adjust fan speed and heat settings. The Nural™ sensors will automatically adapt based on the attachment used and proximity to your scalp.

Using Attachments

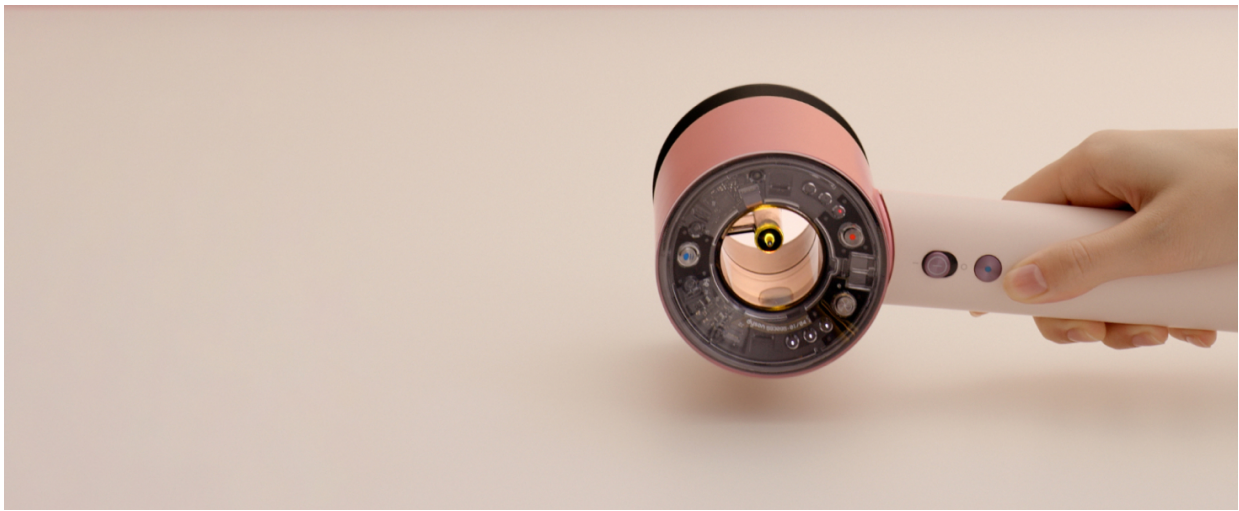

- **Styling Concentrator:** For precise styling and smooth finishes.
- **Gentle Air Attachment:** For fast yet gentle drying, ideal for fine hair and sensitive scalps.
- **Wide-tooth Comb:** Engineered for curly and coily hair to lengthen and shape.
- **Wave+Curl Diffuser:** Designed to enhance natural curls and waves. Can be used in Dome mode for natural waves or Diffuse mode for textured curls.
- **Flyaway Attachment:** For a smooth, shiny finish, hiding flyaways.

The Wave+Curl diffuser helps create diffused curls and waves.

The Wave+Curl diffuser can also be used to create defined curls and waves.

Achieve sweeping curtain bangs with the Styling Concentrator.

MAINTENANCE

Regular cleaning of the filter is essential to maintain optimal performance. To clean the filter, twist off the filter cage located at the bottom of the handle and wipe away any dust or debris. Reattach the filter cage securely.

TROUBLESHOOTING

- **No Power:** Ensure the hair dryer is securely plugged into a working power outlet.
- **Reduced Airflow/Performance:** Check and clean the filter as described in the Maintenance section.
- **Overheating:** The Nural™ sensors are designed to prevent overheating. If the device feels excessively hot, ensure the filter is clean and there are no obstructions.

SPECIFICATIONS

Feature	Detail
Product Dimensions	4 x 3.1 x 10 inches; 8.85 Pounds
Item Model Number	598998-01
UPC	885609038896
Manufacturer	Dyson
Country of Origin	Malaysia
Color	Jasper Plum
Material	Aluminum, Ceramic, Polycarbonate
Wattage	1600 watts
Power Source	Corded Electric
