1. INTRODUCTION

Thank you for choosing the Tribesigns 94.48" Two-Person Office Desk. This modular workstation is designed to provide an efficient and private workspace for two individuals, ideal for both home and commercial office environments. Its robust construction and thoughtful features aim to enhance productivity and collaboration. Key features include:

- **Privacy Panel Design:** Equipped with thick acrylic dividers to create two independent sections, enhancing personal work privacy and focus.
- **Spacious 2-Person Workstation:** Measuring 94" W x 23.6" D x 43.3" H, it offers ample space for two people to work side-by-side, facilitating collaboration.
- **Structural Stability:** Features three metal supports at the bottom and high-quality MDF desktop, ensuring stability even on carpeted floors with included foot pads.
- **Minimalist Design:** A classic brown finish paired with sleek black metal frames and striped acrylic panels adds a modern touch to any workspace.
- **Easy Assembly:** Designed for straightforward assembly with detailed instructions provided.

2. SAFETY INFORMATION

WARNING: This desk has a maximum weight limit of 400 lb (181 kg). Do not exceed this weight limit to prevent structural damage or injury. Always follow the assembly instructions carefully to ensure the desk is stable and secure. Be cautious of the cable management hole to prevent tripping hazards.

Always ensure all screws and fasteners are tightened securely before use. Periodically check all connections to ensure they remain tight. Keep small parts away from children during assembly.

3. PACKAGE CONTENTS

Please verify that all components listed below are present in your package before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Assembly Guide
- Hardware (screws, bolts, nuts, etc.)
- Desktop Panels (Engineered Wood)
- Metal Frame Components (Legs, Supports)
- Acrylic Privacy Panels
- Adjustable Foot Pads
- Cable Grommets

4. ASSEMBLY INSTRUCTIONS

This desk is designed for easy assembly. We recommend two people for assembly to ensure stability and ease of handling. All necessary tools are included.

Tools Required:

- Screw Driver (included)

Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the included Assembly Guide to identify each part.
2. **Assemble the Metal Frames:** Begin by connecting the horizontal support beams to the vertical leg frames using the provided hardware. Ensure all connections are finger-tight at this stage.
3. **Attach Desktop Panels:** Carefully place the engineered wood desktop panels onto the assembled metal frames. Align the pre-drilled holes and secure the desktop to the frame using the appropriate screws.
4. **Install Privacy Panels:** Insert the acrylic privacy panels into the designated slots on the desk frame. Secure them with the provided fasteners.
5. **Install Cable Grommets:** Place the cable grommets into the pre-cut holes on the desktop. These allow for neat cable management.
6. **Attach Adjustable Foot Pads:** Screw the adjustable foot pads into the bottom of each leg. These can be adjusted to level the desk on uneven surfaces.
7. **Final Tightening:** Once all components are in place, go back and securely tighten all screws and fasteners using the included screwdriver. Do not overtighten.

5. OPERATING INSTRUCTIONS

The Tribesigns Two-Person Office Desk is designed for optimal functionality and user comfort. Here's how to best utilize its features:

Utilizing the Privacy Panel:

The integrated acrylic privacy panel divides the desk into two distinct workspaces. This panel helps reduce visual distractions between users, promoting focus and a sense of personal space. It is fixed and does not require adjustment.

Cable Management:

Each workspace is equipped with a wire grommet. Route your computer, monitor, and other peripheral cables through these grommets to keep your desktop tidy and organized. This helps prevent cable clutter and potential tripping hazards.

Adjusting for Stability:

The desk features adjustable foot pads on each leg. If your floor is uneven, you can twist these pads clockwise or counter-clockwise to level the desk and eliminate any wobbling, ensuring a stable work surface.

6. MAINTENANCE

To ensure the longevity and appearance of your Tribesigns office desk, follow these simple care instructions:

- **Cleaning the Desktop:** For general cleaning, wipe the desktop with a damp cloth. For spills or more stubborn marks, use a mild, non-abrasive cleaner. Always follow up with a dry cloth to remove any moisture.
- **Cleaning Metal Parts:** Wipe metal frames with a dry cloth to remove dust. For smudges, a slightly damp cloth can be used, followed by immediate drying.
- **Cleaning Acrylic Panels:** Use a soft, lint-free cloth and a non-abrasive cleaner specifically designed for acrylic or plastic. Avoid harsh chemicals or abrasive materials that can scratch the surface.
- **Regular Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain the desk's stability.
- **Avoid Excessive Weight:** Do not place items exceeding the 400 lb weight limit on the desk. Distribute weight evenly across the surface.
- **Protect from Heat and Moisture:** Avoid placing hot items directly on the desktop. Use coasters for drinks to prevent water rings or stains.

7. TROUBLESHOOTING

If you encounter any issues with your Tribesigns office desk, please refer to the following common problems and solutions:

Desk is Wobbly:

- **Check Foot Pads:** Ensure all adjustable foot pads are making firm contact with the floor. Adjust them by twisting until the desk is stable.
- **Tighten All Screws:** Go over all assembly points and ensure every screw and bolt is securely tightened. Loose connections are a common cause of wobbling.
- **Even Surface:** Ensure the desk is placed on a flat, even surface.

Missing or Damaged Parts:

- If you find any parts missing or damaged upon opening the package, please do not proceed with assembly. Contact Tribesigns customer support immediately with your purchase details and a description of the issue.

Difficulty During Assembly:

- **Review Instructions:** Double-check the assembly guide to ensure all steps are being followed correctly. Sometimes a small detail can be overlooked.
- **Seek Assistance:** Assembly is recommended for two people. If you are assembling alone and struggling, consider asking for help.
- **Contact Support:** If you are still having trouble, Tribesigns customer support is available to assist with installation questions.

8. SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
Model Number	RY0187
Product Dimensions (D x W x H)	23.62"D x 94.42"W x 43.3"H (60cm x 240cm x 110cm)
Item Weight	94.7 Pounds (43 kg)
