## AODK 140x50x74.7cm

# AODK Gaming Desk Instruction Manual

Model: 140x50x74.7cm

## 1. INTRODUCTION

Thank you for purchasing the AODK Gaming Desk. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new desk. Please read these instructions carefully before assembly and retain them for future reference.

## 2. PRODUCT OVERVIEW

The AODK Gaming Desk is designed to offer a functional and ergonomic workspace with integrated features for modern computing needs. Key features include:

- **Integrated Power Outlets & USB Ports:** Two AC outlets and two USB ports for convenient device charging.
- **RGB LED Bar Light:** Customizable lighting with 10 color options and 9 brightness levels to enhance your environment.
- **Reversible Storage Shelves:** Flexible two-tier shelving on one side and a dedicated PC stand on the other, with adjustable configurations.
- **Ergonomic Monitor Stand:** Elevates your monitor by approximately 11.7cm to promote better posture and reduce strain.
- **Sturdy Construction:** Features three crossbars for enhanced stability and a melamine resin-coated desktop for easy cleaning.

### 3. SETUP INSTRUCTIONS

This desk requires customer assembly. All necessary tools, including a wrench, are provided. Please ensure you have sufficient space for assembly.

#### 3.1. Unpacking

1. Carefully open the packaging and remove all components.
2. Verify that all parts listed in the included parts list are present and undamaged.

#### 3.2. Assembly Steps

Follow the detailed assembly instructions provided in the included Japanese manual. Key points to note:

- The desktop is formed by connecting three separate boards. Ensure they are aligned correctly during assembly.
- The upper shelf of the two-tier storage can be installed on either the left or right side, depending on your preference.

- Ensure all screws and fasteners are securely tightened to prevent wobbling.

## 4. OPERATING INSTRUCTIONS

---

### 4.1. Power Outlets and USB Ports

The desk is equipped with two AC outlets and two USB ports. Connect the desk's main power cord to a wall outlet. You can then plug in up to four devices simultaneously, with a total power capacity of 1500W. This allows for convenient charging of smartphones, tablets, and powering other peripherals directly from your desk.

## 作業・ゲーム中の電源確保

同時に最大4台のデバイスをサポートし、合計1500Wまで使える

コンセント×2  
125V/15A

USBポート×2  
5V/2A

コード長  
1.8m

Figure 4.1: Integrated power and USB ports for device charging.

### 4.2. RGB LED Bar Light

The integrated RGB LED bar light features 10 color options and 9 brightness levels. Use the control panel or remote (if included) to switch colors and adjust brightness according to your preference. This light can create various ambiances, from immersive gaming environments to warm study or work settings.

Figure 4.2: RGB LED bar light features and color options.

### 4.3. Monitor Stand

The monitor stand elevates your screen by approximately 11.7cm, promoting an ergonomic viewing height. This helps maintain a natural posture, reducing potential strain on your neck and shoulders during extended use. The space beneath the monitor stand can be used for additional storage, freeing up your main desktop area.

## 5. MAINTENANCE

To ensure the longevity and appearance of your AODK Gaming Desk, follow these maintenance guidelines:

- **Cleaning:** The melamine resin-coated desktop is easy to clean. Simply wipe it with a damp cloth if it gets dirty or wet. Avoid using harsh chemicals or abrasive cleaners, which can damage the surface.
- **Stability Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain desk stability.
- **Cable Management:** Organize cables to prevent tangles and reduce strain on the power outlets and USB ports.

## 6. TROUBLESHOOTING

### 6.1. Desk Wobbles

- **Solution:** Ensure all assembly screws, especially those for the three crossbars, are fully tightened. Verify that the desk is placed on a flat, even surface.

### 6.2. LED Light Not Working

- **Solution:** Check if the desk's main power cord is securely plugged into a functional wall outlet. Ensure the LED light's connection to the desk's power source is firm. If the issue persists, contact customer support.

### 6.3. Power Outlets/USB Ports Not Functioning

- **Solution:** Confirm the desk's main power cord is plugged in. Check if the total power draw of connected devices exceeds 1500W. Try plugging a different device to isolate the problem. If the issue continues, contact customer support.

## 7. SPECIFICATIONS

Feature	Specification
Model	140x50x74.7cm
Dimensions (W x D x H)	140 cm x 50 cm x 86.45 cm
Desktop Height (from floor)	74.7 cm
