- **Child and Pet Safety:** Supervise children and pets around the couch to avoid entrapment risks in moving parts or between cushions. Ensure small objects are not left where they could become choking hazards.
- **Weight Capacity:** Do not exceed the maximum weight limit of 1200 pounds. Distribute weight evenly across the seating areas.
- **Stability:** Ensure all components are securely assembled before use. Do not stand or jump on the couch.

6. MAINTENANCE AND CARE

Proper care and maintenance will extend the life and appearance of your VINGLI sectional couch. The chenille fabric is known for its durability and ease of cleaning.

- **General Cleaning:** For routine cleaning, wipe the fabric with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the chenille fabric.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, a mild soap solution can be used, followed by blotting with a damp cloth to remove soap residue. Test any cleaning solution on an inconspicuous area first.
- **Cushion Care:** The seat cushions are removable, and the back cushions are detachable, allowing for easier cleaning and maintenance. Periodically fluff and rotate cushions to maintain their shape and even out wear.
- **Vacuuming:** Regularly vacuum the couch using a soft brush attachment to remove dust and debris from the fabric and crevices.

- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, as this can cause fading of the fabric over time.
