Hommoo ETABLE0102A

Hommoo Extendable Round Dining Table (Model ETABLE0102A) User Manual

Brand: Hommoo | Model: ETABLE0102A

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Hommoo Extendable Round Dining Table. Please read all instructions carefully before beginning assembly or use to ensure proper function and safety.

Safety Information

Important Safety Precautions:

- Ensure the table is properly anchored to prevent tipping.
- Keep away from children to avoid injury from sharp edges or moving parts during extension.
- Do not overload the table; the maximum weight recommendation is 250 pounds.
- Always lift, do not drag, the table when moving it to prevent damage to the legs or floor.

Setup and Assembly

The Hommoo Extendable Dining Table requires assembly. All necessary hardware and a detailed assembly guide are included in the package. It is recommended that two people assemble this table.

Assembly Steps:

1. Unpack all components and verify against the parts list provided in the included assembly guide.
2. Attach the legs to the tabletop using the provided hardware. The wood legs are designed for stability.
3. Install the adjustable pads on the bottom of the legs. These provide stability and protect your floor from scratches.
4. Ensure all connections are securely tightened before placing the table upright.

Operating Instructions

This table features an expandable design, allowing it to transition from a compact round shape to a larger oval shape to accommodate more guests.

Extending the Table:

1. Gently pull the two halves of the table top apart. The smooth guide rails will facilitate this movement.
2. Place the independent extension panels into the middle section. Ensure they are properly aligned.
3. Push the table halves back together until they meet the extension panels and lock securely into place.

Retracting the Table:

1. Unlock the table halves by disengaging any locking mechanisms.
2. Carefully remove the extension panels from the middle section.

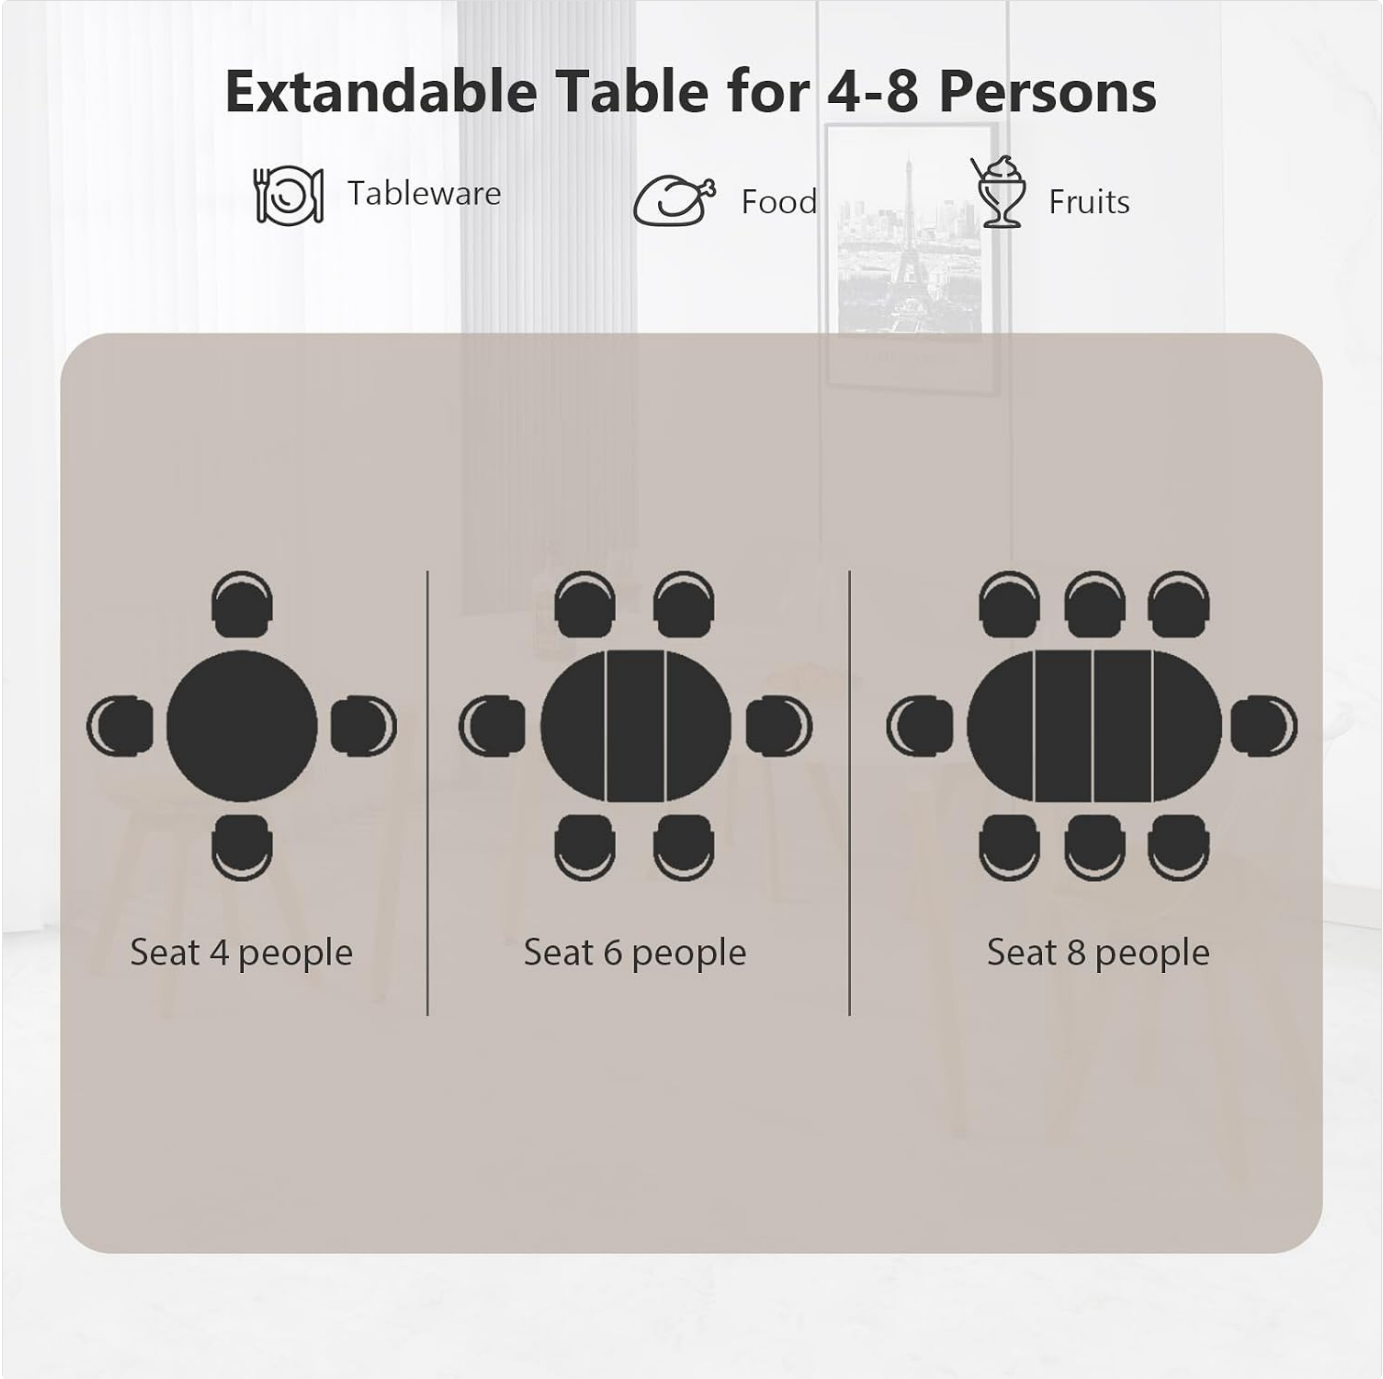

3. Push the table halves together to return to the compact round configuration. Ensure they are fully closed.

Watch this video for a step-by-step demonstration of how to extend and retract your Hommoo dining table.

This image illustrates the three main steps for extending the table: pulling the top halves apart, inserting the extension panels, and pushing the halves back together to lock.

A diagram showing the table's versatility, accommodating 4 people in its compact form, 6 people with one extension, and 8 people with both extensions.

Care and Maintenance

To ensure the longevity and appearance of your dining table, follow these care instructions:

- **Cleaning:** Wipe the table with a damp cloth for regular cleaning. Avoid using harsh chemicals, abrasive cleaners, or furniture polish that may damage the MDF wood surface.
- **Protection:** Protect the MDF wood table top from excessive moisture and heat. Always use coasters for drinks and placemats for hot dishes to prevent stains and heat damage.
- **Scratches:** Avoid dragging sharp or heavy objects across the table surface.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.

Troubleshooting

Common Issues and Solutions:

Table is wobbly:

Ensure all leg screws are tightened. Adjust the protective pads on the bottom of the legs to stabilize the table on uneven surfaces.

Extension panels do not slide smoothly:

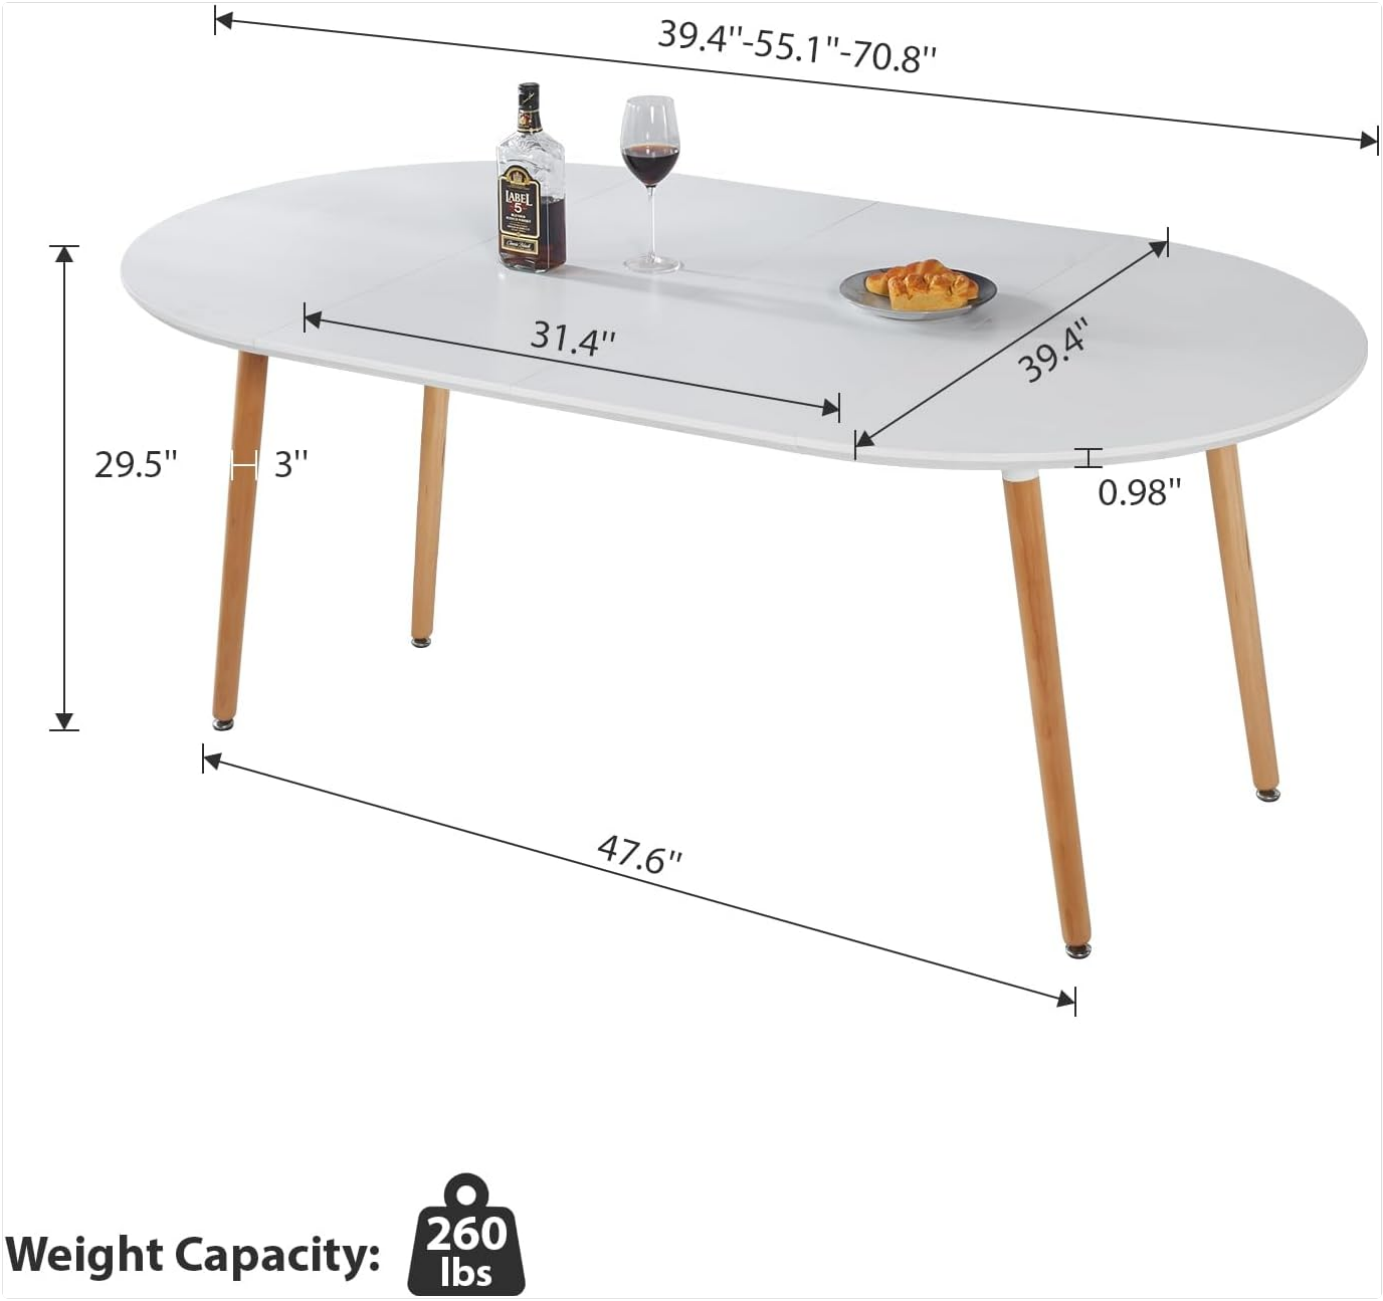

Check the guide rails for any obstructions or debris. Ensure the rails are clean. A small amount of silicone-based lubricant can be applied to the rails if needed.

Tabletop appears stained or marked:

For minor marks, wipe with a damp cloth. For stubborn stains, use a mild, non-abrasive cleaner specifically designed for MDF surfaces. Always clean spills immediately to prevent absorption.

Product Specifications

Feature	Detail
Brand	Hommoo
Model Number	ETABLE0102A
Product Dimensions (Compact)	39.4"D x 39.4"W x 29.5"H
Product Dimensions (Extended)	39.4"D x 70.8"W x 29.5"H
Item Weight	97 pounds
Maximum Weight Recommendation	250 pounds
Frame Material	Wood
Top Material Type	Engineered Wood (MDF)
Color	White-wood Leg
Shape	Oval (Extendable from Round)
Seating Capacity	4 (compact) to 8 (extended)
Number of Leaves	2
